constitutional democracy, the Prime Minister continued. "To remember them is to know the journey of independent India. People coming here will be familiar with the contribution of the former Prime Ministers of the country, their background, their struggles and creations", he added.

The Prime Minister expressed pride in the fact that many of the Prime Ministers came from ordinary families. Fact of such leaders coming from extremely poor, farmer families reaching the position of the Prime Minister strengthens the faith in Indian democracy and its traditions, he said. "It also gives confidence to the youth of the country that even a person born in an ordinary family can reach the highest positions in the democratic system of India", said Shri Modi. The Prime Minister hoped that the museum will expand the experience of the young generation. The more our youth knows about key occasions of Independent India, the more relevant will be their decisions, he said.

Noting India's status as mother of democracy, the Prime Minister said "The great feature of India's democracy is that it has been continuously changing with the passage of time. In every era, in every generation, there has been a continuous effort to make democracy more modern and empowered." The Prime Minister said barring a couple of exceptions, India has a proud tradition of strengthening democracy in a democratic way. "That's why we also have an obligation to keep strengthening democracy with our efforts", he added. Highlighting the inclusive and accommodative elements of Indian culture, Shri Modi said that our democracy inspires us to accept modernity and new thoughts.

Recalling the rich history and prosperous era of India, the Prime Minister laid stress on spreading awareness about the correct picture of India's heritage and present. He said the Government's efforts to bring back the stolen heritage from abroad, celebrating places of the glorious heritage, preserving memories of the freedom fighters in places like Jalianwala Memorial, Panch Teerth commemorating Babasaheb, Freedom Fighter Museum, tribal history museum are steps in that direction.

Commenting on the logo of the museum which has many hands holding the chakra, the Prime Minister said that the Chakra is the symbol of 24 hour continuity and resolve for prosperity and hard work. This resolve, consciousness and strength is going to define India's development in the coming 25 years, the Prime Minister emphasized.

The Prime Minister underlined the changing world order and India's growing status in that order. "Today, when a new world order is emerging, the world is looking at India with a hope and confidence, then India will also have to increase its efforts to rise up to the occasion", Shri Narendra Modi said.

up efforts to engage with citizens in participatory governance and delivery of schemes and programmes. As a part of this last-mile delivery approach, MyGov under the Ministry of Electronics and Information Technology is organising the Sabka Vikas Mahaquiz Series, which is part of an outreach effort to build awareness in citizens. The quiz aims to sensitise the participants about the various schemes and initiatives and how to avail the benefits. Massive participation in the quiz series will deepen Government engagement at the grassroots level. In this context, MyGov has invited the people to participate and test their knowledge of New India.

This quiz has been fittingly launched on the birth anniversary of Bharat Ratna Dr Babasaheb Bhimrao Ambedkar on 14th April, 2022. Babasaheb Ambedkar is an icon of social justice and empowerment, and the Government has been following his footsteps in serving the poor, marginalised and vulnerable sections of society.

On the occasion of the launch, Union Minister, Shri Ashwini Vaishnaw asked all Indians to participate in this "Vikas parv" and strengthen citizen engagement.

Union Minister of State, Shri Rajeev Chandrasekhar termed Sabka Vikas Mahaquiz as one of the biggest citizen engagement initiatives of the Government. "PM Narendra Modi ji's Government & Governance has set new benchmarks in probity, impact and sabka saath sabka vikas approach in every Government programme. The impact and reach of these programmes, especially for the poor, have been transformational. As more and more citizens are impacted by them, it is important to also ensure that all our citizens are aware of these schemes.

The Government has been relentlessly working towards redefining governance. Sabka Vikas Mahaquiz is one of the biggest citizen engagement initiatives building awareness and encouraging people to be informed citizens.

There could not have been a better day than 14th April - Dr Babasaheb Ambedkar ji's Jayanti, to launch this initiative. Babasaheb's ideals of equality, justice and inclusion serves as a guiding light for the Government's commitment of reaching to the last man standing - and its philosophy of Antyodaya," said Shri Rajeev Chandrasekhar.

The first quiz is the Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY) under the Ministry of Consumer Affairs, Food and Public Distribution. Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY) is a pro-poor scheme intended to reduce the challenges encountered by the poor because of disruptions due to the COVID-19 pandemic. The immediate goal was to ensure that no poor or vulnerable person or household went hungry. Under the scheme, all National Food Security Act (NFSA) beneficiaries are entitled to 5 kgs of free food grain every month. This is over and above the highly subsidised food grains available to NFSA beneficiaries.

This quiz is a part of the Sabka Vikas MahaQuiz Series in which different quizzes on various themes will be launched. The PMGKAY quiz has been launched on 14th April, 2022 and will be live till 28th April, 2022, 11.30 pm (IST). This is a timed quiz with 20 questions to be answered in 300 seconds. The quiz will be available in 12 languages - English, Hindi, Assamese, Bengali, Gujarati, Kannada, Malayalam, Marathi, Odia, Punjabi, Tamil and Telugu. Maximum of 1,000 top scoring participants will be selected as winners per quiz. Rs. 2,000/- will be given to each of the selected winners. The quiz can be played on <http://mygov.in/mahaquiz>.
