

Chief Secretary reviews issues related to power generation and distribution

Control Room on 24x7 basis should be setup for redressal of public grievances

Port Blair, May 22

The Chief Secretary, Shri Jitendra Narain reviewed the power outages issue with the Commissioner-cum-Secretary (Power) and Secretary (Power). He directed Secretary (Power) to immediately set up a Central Control Room in his Office on 24x7 basis with a responsible Officer or Engineer as in charge and give wide publicity in social and print media by listing the names, mobile number and telephone of the shift wise in charges.

It was also directed that Secretary (Power) shall give wide publicity in social and print media regarding the division wise Control Rooms to be set up on 24x7 basis with the details of shift wise in charges EE or AE, their mobile and telephone numbers, areas covered under the Division immediately so that public can approach them to attend local power outages caused by area specific distribution network faults so that the same can be rectified immediately.

The Chief Secretary further directed the Commissioner-cum-Secretary (Power) to immediately constitute teams headed by Secretaries, DC and senior Officers and generation station wise to daily visit and monitor the power production on hourly basis vis-a-vis the generating capacity, load factor etc to ensure that there is no sabotage to lower the power production deliberately with mala fide motives, a press release received here said.

Protecting Isles' ecology Vehicles not meeting BS VI Emission Norms from mainland not allowed in Isles: STA

Port Blair, May 22

It has been observed that old and polluting commercial vehicles registered in other States/ UTs are being brought into the UT, thereby damaging the pristine environment of these Islands. Hence, in order to protect the environment, it has been decided by the

State Transport Authority that already registered commercial vehicles in mainland would be permitted to ply in the UT only if these are in compliance with BS VI emission norms. Vehicles not meeting the BS VI emission norms brought from mainland

Seminar on 'Implementation of NEP 2020 and Achieving Vision 2047' held at TGCE

80 participants from various institutes of Higher and School Education attended

Port Blair, May 22

A one day Seminar on 'Implementation of NEP 2020 and Achieving Vision 2047' was held today in the Seminar Gallery of TGCE. The Commissioner-cum-Secretary (Hr. Edn.), Shri Nikhil Kumar was the chief guest on the occasion while Secretary (Education), Ms. Veditha Reddy was the guest of honour. Around 80 participants from various institutes of Higher Education and School Education attended the seminar.

Different groups were created to discuss upon the NEP on School

Education and Higher Education. The groups formulated the strategy and made a presentation. The Commissioner during his remarks stated that both school education and higher education should carry out micro-detailing against each component of NEP with emphasis on the present scenario and articulate the year-wise plan for effective implementation of NEP in Andaman & Nicobar Islands. The seminar ended with vote of thanks to the chair, a press release from DBRAIT said.

Patriotic Song Competition organized for tourists & visitors at National Memorial Cellular Jail as part of Island Music Festival

Port Blair, May 22

As part of Island Music Festival, Kala Kendra Society and Department of Art & Culture organized a Patriotic Song Competition for tourists and visitors in the precincts of the historic National Memorial Cellular Jail, Port Blair yesterday. Good number of tourists and visitors enthusiastically participated in the

competition. The participants presented songs with passion, confidence and patriotic fervour.

The first prize was bagged by Ms. Sunita while Master Brij Mohan from Odisha won the second prize and Master Akhil from Visakhapatnam bagged third prize.

The programme concluded with the

'Island Music Festival' at Corbyn's Cove enthralls gathering with electrifying performance by local artistes

Platform provides budding artistes to showcase their talent

Dance performance highlighting social message to prevent child abuse impressed the gathering

Staff Reporter

Port Blair, May 22

The two-day 'Island Music Festival' organized by the Tourism Department which began at Corbyn's Cove yesterday attracted hundreds of people from different walks of life. The gathering cherished soulful melodies and rhythmic dance performances by the artistes of the Islands. The festival provided an opportunity for the budding artistes of the Islands to showcase their talent.

The dance performers of Vibes Dance Group presented a theme based dance in which they created awareness about POCSO and child abuse. This impressive performance was appreciated by one and all present at the venue. Another dance competitor, Marimuthu through his electrified solo performance on film song 'Mukabala Mukabala' enthralled the gathering.

A group of Chota Nagpuri artistes led by Sashi Lakra danced on the tunes of Chota Nagpuri song. The team performed yesterday as well as today at

the entrance of the venue involving the tourists and the islanders. The western dance performance by the students of Waves Dance Studio captivated the audience at the venue.

The 'Koun Panam' live band enthralled the gathering with their opening song 'Dil Se Re'. The students of DBRAIT presented Marathi dance which impressed one and all. The self-composed patriotic song by Ms Bundini Kumari from Katchal delighted the gathering. Food stalls selling

EMF radiation emission test conducted by DoT in A&N Islands; found to be within permissible limits

DoT A&N tests 371 BTS so far

Port Blair, May 22

Telecommunication services have been playing an extremely important role in our economy and more so during pandemic/ disaster situations. The need for telecom services has gone up in an unprecedented manner in recent times. There is an immediate need for faster expansion of telecom infrastructure in A&N Islands. This calls for speedy deployment of towers to expand the coverage. DoT has planned to provide 4G mobile coverage by installing 128 towers for covering 85 uncovered villages and seamless coverage along NH-04 in A&N Islands. However, due to misconceptions and

misinformation, public at some locations are apprehensive whenever a tower is proposed in the vicinity of residence etc.

Department of Telecom (DoT) has created a mechanism to ensure that radiation limits from telecom

EMF radiation emission test conducted
(Contd. from page 1)
towers are maintained by all telecom service providers (TSPs) within limits. All TSPs have to give periodic self certificates to this effect and DoT Field Offices have been mandated to audit 10% BTS every year.
During this week, DoT A&N team surveyed BTS network working in Kalapathar & Govind Nagar at Swaraj Dweep area and measured radiation level of towers working of all telecom service provides (TSPs) therein and radiation level was found well within the permissible limits. It is pertinent to note that so far, DoT A&N has tested 371 out of 782 BTS till 20th May, 2022 in Andaman and Nicobar UT and found radiation level for all tested towers are well within the permissible radiation level. Apart from this, DoT has created a portal www.tarangsanchar.gov.in wherein there is a provision for the general public to see the radiation level of towers in their vicinity by entering their area postal PIN code.
Considering the mobile expansion plan for introduction of 5G, the number of towers is to be increased from 329 to 500 plus within the next 2 years. Therefore, DoT A&N Port Blair has requested co-operation from every stakeholder including the general public to shed all misconceptions about mobile tower radiations and come forward to extend all possible support for faster roll out of telecom infrastructure to meet the unprecedented demand and improve quality of telecom service in Andaman and Nicobar Islands, a press release from Department of Telecom, A&N Islands said.
