'Sugamya Bharat App' launched to facilitate people with disabilities & elderly to register accessibility-related problems

Citizens urged to download the app from Google Play Store

Port Blair, July 3

The Accessible India Campaign (AIC) or Sugamya Bharat Abhiyan was launched on 3rd December, 2015 for creating universal accessibility for Persons with Disabilities (PwDs). On the directions of Hon'ble Prime Minister, former Union Minister for Social Justice and Empowerment, Shri Thawarchand Gehlot has launched the 'Sugamya Bharat App', through a video conference in New Delhi. The App has been developed by the Department of Empowerment of Persons with Disabilities (DEPwD) under the Ministry of Social Justice and Empowerment.

It is a crowd sourcing mobile application to enable people with disabilities and even the elderly to register accessibility-related problems. The aim of the app is to sensitize

and enhance accessibility in the 3 pillars of the Accessible India Campaign which includes the built environment, transportation sector and ICT ecosystem in India.

The vision and concept for this mobile app is based

on the principle of Jan- Bhagidari in the field of accessibility so that anyone, anytime, anywhere, including its key beneficiaries i.e. the Divyangjan elderly person, pregnant women, children and temporarily disabled persons owing to illness, surgery etc.

can avail the benefit. This app is an endeavour and stepping stone towards achieving universal accessibility and facilitate barrier free environment under the Right of Persons with Disability Act 2016. The Sugamya Bharat App is envisaged not only as a tool to help improve accessibility of the public infrastructure and services across India but also to act as a campaign to sensitize people about the importance of Sugamya in all walks of life. Therefore, citizens have been requested to download the app (Contd. on last page)

Parul Chaudhary breaks women's 3000m National Record with a sub-9 minute race

Los Angeles, July 3

Parul Chaudhary became the first Indian runner to clock a sub-9 minute time in the women's 3000m when she rewrote the National Record with a time of 8:57.19 in the Sound Running Sunset Tour #1 in the Jack Kemp Stadium in Los Angeles on Saturday as part of her preparations for the World Athletics Indian Grand Prix 1 in New Delhi on April 24, 2016. Her time was easily the

best produced by an Indian woman in overseas conditions, lowering the 9:06.42 clocked by Molly Chacko in the Asian Games in Hiroshima in 1994.

The 27-year-old, who will compete in the 3000m Steeplechase in the World Championships, was running her maiden two-mile race, not often contested by Indian women runners except in age-group competition.
