New Delhi, May 21

Finance Minister, Smt. Nirmala Sitharaman today announced that Government is reducing the Central excise duty on Petrol by 8 rupees per litre and on Diesel by 6 rupees per litre. This will reduce the price of petrol by 9.5 rupees per litre and of Diesel by 7 rupees per litre she said in a series of tweets. She said it will have revenue implication of around 1 lakh crore rupees per year for the Government. The

Finance Minister exhorted all state Governments, especially the States where reduction was not done during the last round in November last year, to also implement a similar cut and give relief to the common man. She also announced that this year, Government will give a subsidy of 200 rupees per gas cylinder upto 12 cylinders to over 9 crore beneficiaries of Pradhan Mantri Ujjwala Yojana.

This will have a revenue implication of

around 6100 crore rupees a year. Government is also reducing the customs duty on raw materials and intermediaries for plastic products where country's import dependence is high. This will result in reduction of cost of final products.
