Environment Ministry's Panel shows green flag for project worth Rs. 72,622 crores for holistic development of Great Nicobar Island

Port Blair, Sept. 17

The prestigious project of holistic development of Great Nicobar Island (GNI) will transform the Island into a hub of port led development. The GNI project has been conceived based on the principles of Sustainable Development wherein the ecological, economic and social factors have been given due consideration at every stage. Considering the national importance of the project in view of the security, socio economic benefit and strategic location of transshipment terminal, the Govt. of India has conceived the project at an estimated cost of Rs. 72,622 crores after careful consideration of environmental status of Great Nicobar Island.

A report by Economic Times (ET) and Business Standard (BS) stated that the Environment Ministry's panel has cleared project to construct a Greenfield International Airport, an International Container Transshipment Terminal, a Township and Power Plant in Great Nicobar Island. The Expert Appraisal Committee (EAC) consisting of few Government officials, mostly subject experts and eminent scientists from various fields of Environment, Pollution Control, Ground Water, Road Research, Ocean Technology, Infrastructure, Power amongst others, after extensive rounds of deliberations and meetings recommended grant of Environmental and Coastal Regulation Zone (CRZ) Clearance for the project in its meeting held on 22.08.2022 - 23.08.2022. A series of meetings and deliberations including for Terms of Reference (ToR) for Environmental Impact Assessment (EIA) and EAC were held from March 2021 and finally concluded in August 2022 before the recommendation for grant of Environmental and CRZ clearance by the EAC for GNI project.

The ET and BS report further said, "The Indian Ocean Region (IOR) in general and the Indian Ocean in particular has turned into a strategic hotspot in recent years. In response to the increasing strategic value of this IOR, a critical mass of development in the Andaman and Nicobar Islands is necessary for strengthening India's regional presence". The Great Nicobar Island also represents a significant economic development opportunity as the main east-west shipping route that links East Asian

exports with the Indian Ocean, Suez Canal and Europe runs just to the south of this Island, it said. "By building a container port in this location, India can participate more fully in the global shipping trade" and generate lakhs of new job, the report said. Other countries like Myanmar, China and Sri Lanka were gearing up to develop deep water facilities for taking a major share of trade by developing suitable harbour facilities and it is therefore imperative that India should do the same, the report contended. Great Nicobar Island is considered perfect as a site as it is equidistant from Colombo, Port Klang and Singapore and is also very close to the East-West International corridor.

Out of 910 sq. km of Great Nicobar Island, only 166.10 sq. km of area is proposed for development which is approximately 18% of the total area. Remaining area of 82% will stay covered under Protected Forest, two National Parks, Eco Sensitive Zones and Biosphere Reserve and managed for conservation of biodiversity at ecosystem, species and genetic levels. The total forest area to be diverted out of 166.10 Sq. Km. of including deemed forest is 130.75 Sq. Km. Remaining project area of 35.35 Sq. Km. lies in the Revenue area. About 50% of the total forest area to be diverted forming 65.99 Sq. Km. will be reserved as green area and no tree felling is envisaged here. In the remaining forest area to be diverted, felling of trees is proposed in a phased manner over a period of 30 years. Further, Compensatory Afforestation is proposed to be carried out as per the guidelines of Ministry of Environment, Forest & Climate Change

(MoEF&CC) for diversion of forest land.

ET report further said, "EAC has mandated specific conservation and management plan and high funding for the endemic species, Mangroves and Coral and other fauna besides several other caveats". EAC said three independent committees will be set up: one to oversee pollution related matters, another on biodiversity and the third to oversee welfare and issues related to Shompen and Nicobarese tribes. Accordingly, an EIA has been undertaken for preparation of conservation and management plan to have minimal environmental and social impact due to the project. The exhaustive Environmental Management plan will be put in place and monitored on a regular basis. Accordingly, Wildlife Institute of India (WII), Salim Ali Centre for Ornithology & Natural History (SACON), Zoological Survey of India (ZSI), Botanical Survey of India (BSI) have been entrusted by A & N Administration for preparation of conservation/mitigation plans for bio-diversity including leatherback turtles, megapode, crocodile, etc. Conservation and protection of Nicobar macaque, robber crabs, endemic birds, mangroves, giant clams and other endemic flora and fauna have been given due consideration. Additionally, the UT Administration is in the process of notification of three Wildlife Sanctuaries for Leatherback Turtles in Little Nicobar (13.75 sq.km), Megapode in

Menchal (1.29 sq.km) and Corals in Meroe Island (2.73 sq.km), for conservation of these species.

The EAC in its deliberations and recommendations has ensured that conservation of different Flora and Fauna is taken up in a scientific manner. Experts have been roped in and entrusted for preparation of effective plans and conservation measures. Substantial financial provision has been earmarked up front to wards Environmental Management Plan (EMP). All construction activity to be taken up in the project will be ensured as per the highest environmental standards. Special studies relating to Fauna and Flora in GNI are proposed relating to various species, landscape, Biodiversity etc.

The Andaman & Nicobar Administration,

in line with its Shompen policy is committed to recognize the social, ecological, economic diversity of the Particularly Vulnerable Tribal Groups of the Islands, preserve and protect their cultural heritage and ensure their well being. The tribal reserve measuring 743.96 sq. Km after de-notification will remain protected as tribal reserve. The project will not displace any Shompen tribals. The tribal communities will continue to have unfettered right of meeting their day-to-day requirement for their sustenance.

The project will not only ensure a significant presence of the country in the Malacca Strait but also enhance socio economic growth and usher in a new era for all round development of Andaman & Nicobar Islands and Great Nicobar Island in particular.

प्रधान मंत्री Prime Minister

संदेश

देश का प्रथम 'स्वच्छ सुजल प्रदेश' बनने पर अंडमान एवं निकोबार द्वीप समूह के सभी लोगों को हार्दिक बधाई। इस उपलब्धि को हासिल करने में सभी पंचायत प्रतिनिधियों व नागरिकों के प्रयास सराहनीय हैं।

अब अंडमान एवं निकोबार द्वीप समूह खुले में शौच से मुक्त है और यहां के सभी गांवों के हर घर तक, नल के माध्यम से पर्याप्त और सुरक्षित जल भी पहुंच रहा है। महिला सशक्तिकरण की दिशा में यह एक महत्वपूर्ण पड़ाव है। इससे माताओं व बहनों के साथ-साथ परिवार के स्वास्थ्य पर भी अछूत असर पड़ेगा और जीवन स्तर बेहतर होगा।

पिछले कुछ वर्षों में जल जीवन मिशन और स्वच्छता के लिए किए गए ठोस कार्यों में जन भागीदारी की बड़ी भूमिका रही है। अमृत काल में देश, जागरूकता के साथ 'सबका प्रयास' के मंत्र पर चलते हुए प्रगति की राह पर अग्रसर है।

सभी के लिए आवास, हर घर को बिजली, हर परिवार को शौचालय, महिलाओं को धुएं से मुक्त जीवन, हर परिवार का वित्तीय समावेशन, सभी के लिए सामाजिक सुरक्षा, सबके लिए सस्ती स्वास्थ्य सुविधाएं, सड़कें, ब्रॉडबैंड कनेक्टिविटी सहित कई क्षेत्रों में जो कार्य हुए हैं, इनका लोगों के जीवन पर सकारात्मक प्रभाव पड़ा है।

देशवासियों का उच्च जीवन स्तर सुनिश्चित करने वाले सकारात्मक बदलावों से ही समावेशी विकास के लक्ष्य को हासिल किया जा सकता है। हमारे द्वारा जन कल्याण के लिए किए जा रहे प्रयास, बड़े व महत्वाकांक्षी संकल्पों को सिद्ध करने की ओर प्रेरित करेंगे।

अंडमान एवं निकोबार द्वीप समूह के सभी लोगों को भारत का प्रथम 'स्वच्छ सुजल प्रदेश' बनने की एक बार पुनः हार्दिक बधाई व शुभकामनाएं।

A&N Islands declared as '1st Swachh Sujal Pradesh' in the country; Hon'ble Jal Shakti Minister presents the award to Hon'ble Lt Governor

A perfect gift to Hon'ble Prime Minister, Shri Narendra Modi on his 72nd birthday from the people of A&N Islands: Minister 100% compliance in implementation of 'Har Ghar Jal' & 'ODF'- a landmark achievement: Lt Governor

Port Blair, Sept. 17

It is a proud moment for the Andaman & Nicobar Islands as the archipelago has been declared the '1st Swachh Sujal Pradesh' in the entire country by the Hon'ble Jal Shakti Minister, Shri Gajendra Singh Shekhawat during a felicitation function held at DBRAIT Auditorium here this evening. Presenting the award to the Hon'ble Lt Governor, A&N Islands & Vice Chairman, Islands Development Agency, Admiral DK Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), the Minister congratulated the Lt Governor, the entire team of A&N Administration, PBMC, PRIs, Political party representatives and

the general public of A&N Islands in fulfilling the dream of the Prime Minister in achieving saturation in the implementation of his mission to make India a

'Swachh Bharat'.

The message of Hon'ble Prime Minister, Shri Narendra Modi congratulating A&N Islands on being declared as '1st Swachh

Sujal Pradesh' was also read out on the occasion. Shri Gajendra Singh Shekhawat while addressing the gathering remarked that A&N Islands presented the

most precious gift to the Hon'ble Prime Minister, Shri Narendra Modi on his 72nd birthday today, befitting the occasion by fulfilling his Mission of

(Contd. on last page)

On visit to Andaman and Nicobar Islands to confer First Swachh Sujal Pradesh distinction to Andaman & Nicobar Administration for Signal Achievement of becoming the first territory amongst all States/UTs in the Country to achieve ODF+ and 'Har Ghar Jal', Shri Gajendra Singh Shekhawat, Hon'ble Union Minister of Jal Shakti, Gol vet Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Hon'ble Lt Governor, A&N Islands and Vice-Chairman, Islands Development Agency today at Raj Niwas.

“हिन्दी हमारी राष्ट्र की अभिव्यक्ति का प्रमुख स्रोत है।”

A&N Islands declared as '1st Swachh Sujal Pradesh' in the country; Hon'ble Jal Shakti Minister presents the award to Hon'ble Lt Governor ... (Contd. from page 1)

'Swachh Bharat' and 'Har Ghar Jal' by being declared as '1st Swachh Sujal Pradesh' in the entire country. "I feel proud to be on this holy soil to declare A&N Islands as 1st Swachh Sujal Pradesh", the Minister said.

The Minister stated that A&N Islands played a pivotal role in the freedom struggle of the country. The Islands bear testimony to the inhumane treatment meted out to the freedom fighters, who fought valiantly and dreamed of a country where every Indian has access to their basic necessities. This occasion also reminds us to introspect ourselves and the responsibility to serve our countrymen in providing them their basic needs, has been fulfilled or is yet to be fulfilled.

The Govt. has launched umpteen number of welfare oriented schemes for the upliftment of all section of the people, particularly the poorer section and this has fructified, the testimony of which is evident from the beneficiaries expressing their gratitude to the Prime Minister for reaching out to the last mile of the society and ensuring these schemes percolate down to the people it was meant for, the Minister mentioned.

The Minister said that Hon'ble Prime Minister's dream of a 'New India' has set an example to the world. From initiating the biggest drive 'Swachh Bharat Abhiyan' to lighting up the streets of India through Ujala Scheme and ensuring every household have access to clean and safe water through 'Har Ghar Jal Mission' to safe sanitation and Open Defecation Free by constructing IHHL for beneficiaries who have no access to toilets to opening 'Jan Dhan Yojana' where every person has a bank account, to ensuring shelter for all under 'Pradhan Mantri Awas Yojana'. To elevate the struggle of rural women, the Prime Minister launched the Ujjwala Scheme where rural women today have access to smoke free LPG and they are able to cook without inhaling harmful smoke.

Highlighting the success of Jal Jeevan Mission, the Minister eulogized the efforts and vigour with which the Prime Minister delivers his promises and the driving force which has transformed this mission into a 'Jan Andolan'. Under the mission, 7 crore people have been provided individual tap connection within a span of three years which, he said, is a massive achievement.

The Prime Minister's vision of an 'Atma Nirbhar Bharat' can only be achieved with the concerted effort of each citizen in fulfilling the missions he initiated, said the Minister. He further said that India became the world's fifth-largest economy from 10th position since the Narendra Modi Govt. came to power in the year 2014. The Govt. is working on mission mode to make India a developed country by 2047 when it celebrates its centenary year. The Minister exclaimed with pride that the world is acknowledging the progress India is making at global level and how it has set the tone to become a role model for other countries.

Calling upon the citizens to contribute their mite towards the country's development, the Minister said, "Every person should keep in mind by 2047, we have to make India an 'Atma Nirbhar Bharat' and the contribution of each person is vital. In which ever capacity we are presently serving the country, we must do it with dedication and strive to create an India that was visualized by our freedom fighters".

Lauding the Islands' scenic beauty, the Minister said, A&N Islands bestowed with nature's bounty is a sight to behold; we must continue to ensure its upkeep. India has shown the world its determination in setting targets and achieving it, he said.

Speaking on the occasion, the Lt Governor, A & N Islands, Admiral DK Joshi stated that in 75 years history, it is for the first time, that a Cabinet Minister along with Secretary and senior officials from the Ministry of GoI has visited the territory to celebrate an achievement which is creditable. The Lt Governor said, 'Har Ghar Jal' and ODF+, both these mission have achieved 100 % compliance, which is a landmark achievement considering the Islands' topography and its scattered nature, having an area of around 8249 sq.km, which is quite large when compared to many States in the mainland India. This achievement speaks volume of the service delivery system of the Administration starting from the northernmost part of the Island to the southernmost, covering the Islands length and breadth, the Lt Governor remarked.

The achievement made in ODF+ (Grameen) is appreciable. In A&N Islands, there is only one urban sector i.e. Port Blair Municipal Council while the rest comes under the rural sector. In urban sector, ODF++ target was achieved in 2021, said the Lt Governor adding that under the dynamic leadership of Hon'ble Prime Minister, Shri Narendra Modi and with the sincere effort of Administration and support of general public 'Swachh Bharat Mission (Gramin) and Jal Jeevan Mission Yojana have been successfully implemented in these Islands. For A&N Islands to be declared as '1st Swachh Sujal Pradesh', the Ministry has carried out a comprehensive verification during which all important parameters viz. quality of water, quantity of water supply, regularity of water supply were thoroughly verified, after which only, the Ministry gave the Certificate.

In A&N Islands, Individual Household Latrine (IHHL) has been made available 100% in Gram Panchayats while the facility of community sanitary complexes are available wherever it is required.

With the GoI's vision of 'No One Left Behind' for sanitation access, all the parameters for ODF plus Status have been fully achieved, the Lt Governor said.

The Lt Governor further stated that on March, 22, 2021, FHTC (Functional Household Tap Connection) facility has been made available in all the villages and on September 15, 2022, 100% Har Ghar Jal certifications have been achieved through the support of Gram Sabhas. The Lt Governor congratulated the concerned Departments for achieving this success.

The Lt Governor said that taking forward the people oriented welfare schemes/policies and with the support of the Govt. of India, under the aegis of Islands Development Agency, projects worth of around Rs. 88,765 crores have been implemented towards infrastructure development and improvement in connectivity. The Lt Governor pointed out that under IDA, out of the 44 projects, CANI Submarine OFC Project, Azad Hind Fauj Setu at Humphry Strait and 20 MW Solar Power projects like 13 (30%) important projects have been completed and remaining 27 (61%) projects are under different stages of development. The Lt Governor further said that A&N Administration is committed towards taking these Islands on the path of progress as also developing a new India of the 21st Century during this 'Amrit Kaal'.

In her address, the Secretary, Ministry of Jal Shakti, GoI, Ms Vini Mahajan, IAS congratulated the A&N Islands for achieving this feat of becoming the 1st Swachh Sujal Pradesh in the entire country, which she said is a very big achievement. She remarked that this achievement should not stop the Islands from continuing the Mission and it should strive to continuously ensure provision for availability of safe water and cleanliness to the Islanders. She remarked that for the mission to be successful, it requires peoples' participation from the highest to the grass root level. She said proper sanitation, safe & clean water, hygienic environment needs to be maintained.

Speaking on the occasion, the Chief Secretary, A&N Administration, Shri Keshav Chandra, IAS said, it is indeed a proud moment for all of us today that the UT of Andaman and Nicobar Islands is being declared 'Swachh and Sujal Dweep Samooch' by the Hon'ble Minister. The achievements stands testimony to the concerted efforts made by the Departments in implementation of the schemes in these remote archipelago. Under Swachh Bharat Mission (Grameen), universal sanitation coverage is achieved with the construction of Individual Household Latrines and Community Sanitary Complexes. With the GoI's vision of "No One Left Behind" for sanitation access, the UT has additionally provided Individual Household Latrines (IHHLs) to 3828 individuals which are completed in full shape. Further, 296 Community Sanitary Complexes under SBM(G) Phase-I and 39 CSCs sanctioned under SBM(G) Phase-II have also been completed, the Chief Secretary mentioned.

The Chief Secretary stated that the Islands have set-up mechanism for Solid and Liquid Waste Management. The waste generated are segregated, bailed and sent for onward recycling. In spite of the conveyance challenges, the waste are transported from inter-islands to Port Blair and from Port Blair to Mainland. Collaboration has been made with approved recyclers and Gram Panchayats are earning income by selling waste. An amount of Rs. 21,55,881/- has been earned by the Gram Panchayats by selling dry waste to recycler. He further stated that for effective Solid Waste Management, the Department has sanctioned 26 Solid Waste Management (SWM) clusters covering 70 Gram Panchayats in the Islands, out of which, 24 are ready and functional. The SWM cluster site has provisions for treatment of organic waste by means of Composting. The SWM Clusters have also been equipped with Bailing and Shredding machine for processing of non-biodegradable Solid Waste. Considering the saturation of IHHLs and CSCs, efforts were made to augment the existing infrastructure arrangements available with the Gram Panchayat for carrying out Solid Waste Management activities as per the Solid Waste Management Rules, 2016 and the UT specific Andaman and Nicobar Islands (Rural Areas) Solid Waste Management and Handling Bye Laws, 2019, the Chief Secretary remarked. Under Jal Jeevan Mission, functional household tap connection have been provided to all eligible household, thus achieving 100% target. The UT Administration is continuously striving to improve the arrangements for ensuring sustainability. Block Level Manpower assessments have been made to study the skilled and unskilled manpower requirement at GP level, the Chief Secretary said.

Earlier, in her welcome address, Commissioner-cum-Secretary (RD/Panchayat & PRIs), A&N Administration, Ms. Nandini Paliwal, IAS said that it is a proud moment for the people of A&N Islands to have the Hon'ble Minister amongst us on this auspicious occasion for declaring the UT of Andaman & Nicobar Islands as 'First Swachh Sujal Pradesh'. The Union Territory of A&N Islands has achieved ODF Plus status for all its villages and has been declared as first ODF plus UT of the country. The UT Administration has been committed towards providing universal sanitation coverage in rural areas

of the Island. In order to have effective Solid Liquid Waste Management, the UT has taken measures to set-up 26 Solid Waste Management Clusters which would cater to entire 70 Gram Panchayats of Andaman, she said. Under the Jal Jeevan Mission, in spite of varied geographical challenges, the UT has been able to reach the last mile and provide 100% functional household tap connection, thereby achieving the Prime Minister's Vision of Har Ghar Jal. These achievements in such short span of time show the commitment of UT Administration as well as the people of Andaman to take the development to every doorstep.

The programme which was attended among others by the Member of Parliament, Shri Kuldeep Rai Sharma, Adhyaksha, ZPSA, Smti Pramila Kumari, Chairperson, PBMC, Smti U. Kavitha, Senior officers of A&N Administration, PRI members and general public concluded with the vote of thanks proposed by the Secretary (RD/PRIs), A&N Administration, Shri Suneel Anchipaka, IAS.

A video on implementation of Swachh Bharat Mission (ODF+) and Jal Shakti Abhiyan in A&N Islands were also screened on the occasion.

Earlier, the Union Jal Shakti Minister arrived to a warm welcome and he was received at the airport by the Chief Secretary, A&N Administration, Shri Keshav Chandra, IAS, senior officers from A&N Administration, representative from political parties and PRI members. Soon after arrival, the Minister visited Calicut Gram Panchayat, where he inspected the Amrit Sarovar, IHHL site, composting of organic wastes, 'Green House' created in the farm of P. Pachaimuthu, a beneficiary of the GoI scheme. While interacting with the beneficiary, the Minister enquired about his well being and asked him whether he was able to enhance his income availing these schemes. The beneficiary informed the Minister that he has received good support from the concerned Departments through which he not only increased his farm activities but also earning handsomely.

Thereafter, the Minister visited the Solid Waste Management Cluster at Beodnabad and saw for himself its functioning. The PRI members informed the Minister that solid waste management is being effectively implemented in their Panchayat which has not only helped them to keep their Panchayats Swachh but it has also generated employment to the residents of the area.

Later in the evening, the Minister also visited the National Memorial Cellular Jail.

Voluntary blood donation drive - 'Raktdaan Amrit Mahotsav' organized on the occasion of Hon'ble Prime Minister's birthday Blood Donation is a noble service which saves precious lives: Chief Secretary

Staff Reporter

Port Blair, Sept. 17

The Health Ministry has planned a nation-wide, mega voluntary blood donation drive called 'Raktdaan Amrit Mahotsav' on the occasion of Hon'ble Prime Minister, Shri Narendra Modi's birthday today. The aim of the Mahotsav is to collect one lakh units of blood.

Accordingly, the A&N Administration in association with Akhil Bhartiya Terapanth Yuvak Parishad organized the mega voluntary blood donation drive at JNRM. The Chief Secretary, A & N Administration, Shri Keshav Chandra, IAS as the chief guest inaugurated the blood donation drive by lighting the traditional oil lamp. The Chairperson, PBMC, Smt. U. Kavitha, Senior Officers of A&N Administration, college students and general

public were present on the occasion.

In his address, the Chief Secretary said that today different programmes are being organized all over the country to celebrate the birthday of our Hon'ble Prime Minister, Shri Narendra Modi and the A&N Administration has organized mega blood donation drive to celebrate the occasion in the Islands.

Describing the importance of Blood Donation, the Chief Secretary said, there could not be a better service than Blood Donation, which saves life of a person. The Chief Secretary said, every Hospital should have a blood bank and the

availability of blood in these 'Blood Banks' is more important.

The Chief Secretary desired that more blood donation camps should be organized in all parts of the Islands and awareness should be created about the benefits of the Blood Donation. The Chief Secretary said, Blood Donation not only helps in maintaining personal health but it also helps a needy person, who is unknown to us, he remarked.

The Chief Secretary also handed over the appreciation letter to Dr. Satyam Sethia, Asst. Professor, English & Dr.

Kandimuthu, Asst. Prof. Economics, JNRM and Members of Sant Nirankari Mandal for their continuous support and participation in camps and donating blood voluntarily many a times for the cause of human kind.

In his address, the Commissioner-cum-Secretary, Health, Shri Nikhil Kumar said that the mega voluntary blood donation drive 'Raktdaan Amrit Mahotsav' will continue for 15 days till October 1 and blood donation camps will be organized in different places. The Commissioner (Health) also urged the people, those who are healthy, to donate blood voluntarily and regularly to save precious life of others and also motivate family members, friends, people in society to come forward to donate blood.
