New Delhi, Sept. 4 (PIB)

The Union Home and Cooperation Minister, Shri Amit Shah inaugurated the three-day 6th All India Prison Duty Meet at Kankaria, Ahmedabad today. In his address, the Union Home Minister said, this important Prison Meet will not only promote sportsmanship in a positive way but also the prison administration will be benefited by the interaction and exchange of successful experiences between the participants during their three-day stay here. Shri Amit Shah said, this meet is being organized for the second time in Gujarat and it is a matter of great coincidence

Family Planning Indemnity Scheme Indemnifying all beneficiaries of sterilization, doctors & health facilities in unlikely event of death/failure/ complication following sterilization operation

Staff Reporter

Port Blair, Sept. 4

To build the confidence of clients it is necessary to provide them safeguards against adverse events. Sterilization services are largely provided through public and accredited Pvt./ NGO health facilities. There is a continuing concern about the number

of adverse events following sterilization as well as litigations faced by the facilities/doctors against such cases. To mitigate this, the Government of India introduced the National Family Planning Insurance Scheme which was later modified as Family Planning Indemnity Scheme (FPIS), now operational through

State NHM Program Implementation Plan instead of private sector insurance company.

The objective of the Family Planning

Indemnity Scheme is to indemnify all beneficiaries of sterilization, doctors and health facilities (public and accredited private/ NGO) conducting sterilization operation in the unlikely event of death/failure/ complication following sterilization operation.

On compliance of

directives of Hon'ble Supreme Court of India with respect to the doubling of compensation under Family Planning Indemnity Scheme (FPIS) and to share the burden thereof equally by the Govt. of India and the respective State Government, the UT Administration of A&N

MESSAGE

On the occasion of Teachers' Day, I extend my warm greetings to entire fraternity of hardworking teachers educating young minds in our A&N Islands. I also pay my grateful tribute to Bharat Ratna Dr. Sarvepalli Radhakrishnan, former President of India and a distinguished teacher as well as academician, on his birth anniversary today.

The values inculcated by teachers stay with the students for life. Dr. APJ Abdul Kalam has said, "Teaching is a very noble profession that shapes the character, calibre and future of an individual". The 21st century will be shaped by the societies that accord topmost importance to education, research and innovation. Needless to say the role of our teachers is extremely vital in the evolution of our great Nation as a Knowledge economy. I also acknowledge and appreciate the relentless efforts by our teachers during the COVID 19 pandemic in reaching out to every child in the remotest corners of the Islands by making best use of the online mode of teaching and coming up with creative and innovative teaching tools. The initiatives taken by the teaching community of our Islands in making the Azadi Ka Amrit Mahotsav and the Har Ghar Tiranga Campaign a grand success in different corners of the islands by inspiring children to take part in different activities are commendable.

Once again, on Teachers' Day, I wish all teachers a very happy Teachers' Day. We are proud of you!

India to emerge third-largest economy of world by 2029 Likely to surpass Germany by 2027 & Japan by 2029: SBI Report

New Delhi, Sept. 4

India is set to become the third largest economy in the world by 2029. A State Bank of India report said India will surpass Germany in 2027 and most likely Japan by 2029 at the current rate of growth. The report said that the country has undergone a large structural shift since 2014 and is now the 5th largest economy overtaking the United

Kingdom. The path taken by India since 2014 reveals the country is likely to get the tag of 3rd largest economy in 2029, a movement of 7 places upwards since 2014 when India was ranked 10th, it said. The report is authored by Soumya Kanti Ghosh, Group Chief Economic Adviser, SBI.

Finance Minister, Smti Nirmala Sitharaman said, the International

Monetary Fund's own forecasts show India overtaking the UK in dollar terms on an annual basis this year. This has put India, the Asian powerhouse, just behind US, China, Japan and Germany. Smti Sitharaman said, a decade ago, India ranked 11th among the largest economies, while UK was 5th. (Source: india.gov.in)

GREETINGS

I extend my warm greetings and best wishes to the entire teaching fraternity of Andaman and Nicobar Islands on the occasion of Teacher's day, which marks the birth anniversary of former President of India late Dr. Sarvepalli Radhakrishnan.

Teacher's day is an occasion when the nation honours the dedicated services of all the teachers who play a leading role in the intellectual and moral development of our children. Teachers also play a crucial role in imparting knowledge to the students, nurture them and shape their future to reach high levels.

In Andaman and Nicobar Islands teachers have to serve in every remote corner of these Islands, but despite such stressful challenges our teachers perform their duties with utmost dedication, this is why in Indian tradition, teachers are considered as next to God.

Teaching is not just another profession but is a divine responsibility to guide and enlighten children, who are the future of our country.
