Third T201 between India and West Indies to be played today

Kolkata, Feb. 19

The third T20I of the ongoing

West Indies' tour of India will be played at the Eden Gardens tomorrow (Feb.20). West Indies, who have lost five matches on the trot on this tour, will be eager to win the last one.

India, who successfully defended 187 runs to gain an unassailable 2-0 lead in a three-match series last night, will be without the services of former captain Virat Kohli and wicket-keeper batter Rishabh Pant in the last match. Hence, the dead-rubber will provide opportunities to reserve Indian batters namely Shreyas Iyer and Ruturaj Gaikwad.

BCCI announces India's T20I, Test squads for series against Sri Lanka

Science Week Festival to be ... (Contd. from page 1)

locations and Zoological Survey of India, Andaman and Nicobar Regional Centre, Port Blair is an organizing partner for the UT of A&N Islands for organizing this seven-day event in Isles, informed Dr. C. Sivaperuman, Scientist-E & Officer-in-Charge ZSI, Port Blair while interacting with the media persons at ZSI here today. He informed that the Science Week Festival will be conducted at 75 locations and expressed happiness that the Zoological Survey of India is one of the 75 prestigious centres chosen from across the country to host this National Science Week Festival from 22nd to 28th February 2022.

Four themes have been identified by Government of India for the week-long celebration viz. Annals of Science, milestones of Modern S&T, Swadeshi Paramparik Inventions & Innovations and Transforming India. The Science Week Festival will be conducted at 75 locations through which a total of 75 Expositions, 75 Lectures, 75 Films, 75 Radio Talks, 75 Science Literary activities, 75 books, 75 Posters, 75 Awards through hybrid mode would be made possible.

As part of the celebrations, the ANRC/ZSI will have 22 lectures to be delivered by eminent scientists under various themes, films, radio talks will be screened, poster displays, book fair to showcase titles related to science, innovations, biographies of scientists and India's freedom struggle. On 26th February, 2022, various schools/colleges will be participating in various events such as skit, poem recitation, poem writing, drawing, and rangoli.

Apart from Port Blair, the week-long festival will be organised in other parts of A & N Islands, i.e. Car Nicobar, Great Nicobar, Rangat (Middle Andaman), Mayabunder (North & Middle Andaman), Diglipur (North Andaman) for benefit of students and teachers. Students from Schools, Colleges, and Research Institutions will be participating in various competitions to be conducted during the week-long festival.

Various Competitions on the theme... (Contd. from page 1)

with innovative ideas) for Class VI to X, Painting Competition-prepare a painting the theme 'Science & Future' in a quarter size chart paper for Class III to V, A Story Telling Programme- prepare a self video narrating the life history & the achievement made by Sir C V Raman for maximum two minutes duration for Class VI to VIII and Show your Talent-prepare a self video showcasing special talent in the field of playing musical instrument, poetry, mimicry or any unique talent for maximum two minutes duration for Open to all up to class XII.

Interested students participating in Science Models & Innovative models may submit their projects / exhibits at Science Centre on or before 26th Feb, 2022. Whereas, students participating in the Story Telling, Painting & Show Your Talent competition may upload the self made videos & painting through given Google form link: t.ly/Pmao or WhatsApp No. 9933207860 alongwith mandatory details such as Name, Class, School & phone number latest by 25th February, 2022. Further, it is advised that the students should wear proper uniform while preparing the video.

Based on the competition, the best performer as 1st, 2nd, 3rd & consolation shall be awarded with suitable prizes on the eve of 'National Science Day' on 28th February. For further details, one may contact over phone no- 9434263302 /9933207860, a press release from Science Centre said.
