LG releases IEC materials on Cyber safety

Port Blair, Oct 6: The Lt Governor, Admiral D.K. Joshi (Retd) released Information, Education & Communication (IEC) materials, including short videos and pamphlets on cyber safety and cyber hygiene as part of observance of Cyber Jagrookta Diwas on Thursday at Raj Niwas. Mr. Keshav Chandra, Chief Secretary, Mr. Neeraj Thakur, DGP, Dr. RSC Jayaraj, IFOs, PCCF, Smt. Pramila Kumari, Adhyaksha, Zilla Parishad, Smt. Kavitha Udhaya Kumar, Chairperson, PBMC and other senior officers of A&N administration were present on the occasion. Lauding the efforts of A&N Police in spreading mass public awareness against cyber frauds, the Lt Governor in his address appreciated the initiative of in-house designing of informative and educative IEC materials, including pamphlets, slide shows and short videos to explain the various modus operandi of cyber fraud and precautionary measures in a 'simple and easy to understand' manner.

MP takes up issues of Industrial employees of Forests deot

Port Blair, Oct 6: The Member of Parliament, Shri. Kuldip Rai Sharma has taken up several grievances of the Mazdoor of the department of environment and forest of A&N Administration with the Principal Chief Conservator of Forests, Andaman and Nicobar Administration for an early settlement. The issues are as follows: 1. Cadre management of industrial employees by invoking conducts and disciplinary proceedings. (a) That, it has been brought to the notice by the Andaman Forest Employees Unions' of different forest divisions of the department of environment and forest of A&N Administration, affiliated with the Indian National Trade Union Congress that the conduct of the Mazdoor on regular industrial establishment working in various forest divisions of the forest department are being controlled by invoking the provisions contained under the industrial standing orders certified under section 5 (3) of the industrial employment (Standing orders) Act, 1946 with necessary notification(s) under section 5(2) of the said act. The existing certified standing orders being referred/quoted in the service matters of the regular Mazdoor and other similar cadres have been notified between 1970 & 1976. (b) That, while accepting the recommendations of the report of 6th CPC the Ministry of Personnel, Public Grievances and Pension, Department of Personnel and Training Govt. of India has been pleased to issue

06 October 2022

The female dividend

It has taken too long but female infant mortality rate has drawn level with male IMR, helping India escape the ignominy of being the only large country with this statistic. Higher female IMR was a dead giveaway of evils like female infanticide. But in 16 states female IMR still is higher than male IMR, and averages shouldn't lead to complacency. Nevertheless, levelling of female and male IMR in the national average suggests a definitive trend. In 2011, this was the case only in Uttarakhand. A state like Haryana where 'Beti Bachao Beti Padhao' was launched has flipped a high male:female IMR of 41:48 in 2011 to 29:27 now.

India's IMR has fallen slowly from 44 per 1,000 live births in 2011 to 33 in 2017 and 28 in 2020. To meet UN Sustainable Development Goals, India has to reduce under-five child mortality to 25 (per 1,000), neonatal mortality to 12 (per 1,000) and maternal mortality rate to 70 (per lakh live births) by 2030. India's latest corresponding figures are 32, 20 and 103. Some states have bettered SDGs and official statements suggest confidence that India will achieve these SDG benchmarks. But what national averages still disguise are backward states falling short. MP, Chhattisgarh, UP and Assam have MMR over 150 while Kerala and Maharashtra have fallen below 50.

Given these challenges, two-pronged focus on public health institutions and nutrition mustn't waver. Percentage of live births in hospitals shot up from 35% in 2006 to 67% in 2011 to 82% in 2020. Similarly, the percentage of deaths with medical attention received at hospitals has risen from 28% in 2006 to 34% in 2011 and 49% in 2020. These gains need further expansion. However, NFHS-5 (2019-20) showed anaemia among children and women spiking since 2015-16, suggesting that backsliding is equally possible.

Economic growth has boosted spending in social sectors. Public health focus mustn't waver despite the pandemic ebbing. The temptation to concentrate elsewhere is there. Combined government expenditure on health had increased from Rs 2.73 lakh crore in 2019-20 to Rs 4.72 lakh crore in 2021-22, a 73% increase. The money spent mustn't be grudged. Take Jharkhand: its MMR now is 61 against 304 in 2004-06. These are great results achieved in short periods. Every part of India meeting SDGs would be a real big achievement.

Vehicle owners having...

"When a motor vehicle registered in one State has been kept in another State, for a period exceeding twelve months, the owner of the vehicle shall, within such period and in such form containing such particulars as may be prescribed by the Central Government, apply to the registering authority, within whose

from... Page 01

jurisdiction the vehicle then is, for the assignment of a new registration mark and shall present the certificate of registration to that registering authority". Hence, the vehicle owners who have brought their vehicle in this UT from other States are requested to adhere to the rules mentioned above. - Source : STS

Durga Puja concludes...

celebrated Wednesday with great fervour in all the puja pandals. A large number of devotees, local people gathered for the celebration. The full day celebration started early in the morning with Mangalarati and Vedic chanting. During the festival days thousands of devotees visited various pooja celebration venues to pay obeisance to Goddess Durga. The worship of Goddess Maa Durga was performed with traditional Bengali Rituals. A grand Durga Puja was celebrated in isles wherein people from different communities and religions

from... Page 01

participated with full enthusiasm, fervour and gaiety. The sound of musical instruments, Sanskrit Mantra by Pujari engulfed the mind of devotees. Sandhi Puja on Moha Ashami was the main attraction. Daily Pushpanjali and Sandhya Aarti draw a huge gathering. The ladies wearing Red and White Sarees add aura to this festival. The ladies arranged the Puja Upachar and male member's whole heartedly joined hands for other preparations. Daily Cultural programmes performed by local talent at Puja Pandal premises mesmerized the visiting audience.

Extension of PMGKAY...

Since, the Tribal population is habitual rice eater and as per their request, PHH & AAY beneficiary of Car Nicobar and Nancowrie group of islands will be entitled for 5 kg Rice only per person per month free of cost under Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY). This is in addition to their regular entitlement under NFSA. Hence, all such beneficiaries have been advised to draw their entitled quota of foodgrains from the first week of October 2022 to 30th November

from... Page 01

2022. However, the Ration Card holders who are not able to lift ration in the month of October, 2022 can also lift their foodgrains in the month of November, 2022. Further, the migrants of other States presently residing in this UT and are covered under NFSA (PHH & AAY) in their respective States/UTs can also receive foodgrains from any FPS of this UT under the One Nation One Ration Card Scheme. For any clarification, they can contact Toll Free No. 14445.

WITH DRAINED BATTERY AND NO FUEL, INDIA'S MARS ORBITER CRAFT QUIETLY BIDS ADIEU

India's Mars Orbiter craft has run out of propellant and its battery drained beyond the safe limit, fuelling speculation that the country's maiden interplanetary mission 'Mangalyaan' may have finally completed its long innings.

The Rs 450 crore Mars Orbiter Mission was launched onboard PSLV-C25 on November 5, 2013 and the MOM spacecraft was successfully inserted into Martian orbit on September 24, 2014, in its first attempt.

"Right now, there is no fuel left. The satellite battery has drained," sources in the Indian Space Research Organisation (ISRO) told PTI. "The link has been lost".

There was, however, no official word from the country's national space agency.

With fuel on board, ISRO had been performing orbital manoeuvres on MOM spacecraft to take it to a new orbit to avoid an impending eclipse in the past.

"But recently there were back-

to-back eclipses including one that lasted seven-and-a-half hours," officials said on condition of anonymity, noting that all the propellant on board the ageing satellite had been consumed.

"As the satellite battery is designed to handle eclipse duration of only about one hour and 40 minutes, a longer eclipse would drain the battery beyond the safe limit," another official said.

ISRO officials noted that the Mars orbiter craft functioned for

almost eight years, well beyond its designed mission life of six months. "It has done its job and yielded significant scientific results," they said.

The objectives of the mission were primarily technological and included design, realisation and launch of a Mars Orbiter spacecraft capable of operating with sufficient autonomy during the journey phase; Mars orbit insertion/capture and in-orbit phase around Mars.

The MOM -- a technology demonstration venture -- carried five scientific payloads (total 15 kg) collecting data on surface geology, morphology, atmospheric processes, surface temperature and atmospheric escape process.

The five instruments are Mars Color Camera (MCC), Thermal Infrared Imaging Spectrometer (TIS), Methane Sensor for Mars (MSM), Mars Exospheric Neutral Composition Analyser (MENCA) and Lyman Alpha Photometer (LAP).

"MOM is credited with many laurels like cost-effectiveness, short period of realisation, economical mass-budget, and miniaturisation of five heterogeneous science payloads", ISRO officials pointed out. Highly elliptical orbit geometry of MOM enabled MCC to take snapshots of the 'Full disc' of Mars at its farthest point and finer details

from the closest point. The MCC has produced more than 1000 images and published a Mars Atlas.

Meanwhile, plans on a follow-on 'Mangalyaan' mission to the red planet, however, are yet to be firmed up.

ISRO came out with an 'Announcement of Opportunity' (AO) for future Mars Orbiter Mission (MOM-2) in 2016 but officials acknowledged that it's still on the drawing board, with the coming 'Gaganyaan', 'Chandrayaan-3' and 'Aditya - L1' projects being in the space agency's current priority list.

The AO had said, "It is now planned to have the next orbiter mission around Mars for a future launch opportunity. Proposals are solicited from interested scientists within India for experiments onboard an orbiter mission around Mars (MOM-2), to address relevant scientific problems and topics."

"Not in the approved list as of now," a senior ISRO official told PTI on being asked about an update on the MOM-2. "We need to formulate the project proposals and payloads based on the wider consultation with the research community," the official said. "It's still on the drawing board. But needs some more details and international collaboration for finalising the mission." - Source : The Week

MP takes up issues...

office memorandum vide No. AB-14017/6/2009-Estt(RR) dated 30.04.2010 and formulated model recruitment rule for group 'C' posts in pay band-1 with grade pay Rs 1800/- (pre-revised group 'D' posts) According to the said memorandum all the group 'D' posts have been placed in group 'C' pay band -1 with grade pay of Rs. 1800/- The minimum qualification for appointment to the above pay level - will be either 10th pass or ITI equivalent, as per the memorandum issued by the Ministry. The Mazdoor appointed and working in the forest department and do not possess the required qualification prior to the approval of 6th CPC has undergone prescribed training/classes to amend the existing RR of Mazdoor and other categories of employees promoted from the post of Mazdoor considering seniority and merit of trade test etc. On their passing the training and tests their pay has been upgraded and fixed under Pay band-1 with grade pay of Rs. 1800/- as per the recommendations of the 6th CPC.

subsequently and their service matters are dealt and considered treating them as group "C" employees except the conduct and disciplinary proceedings as stated above. (f) That, therefore, it is necessary to take action at your end to substitute the existing "certified standing orders" of all forest divisions with the CCS (Conduct) Rules, 1964 and CCS (CCA) Rules, 1965 so that the employees shall get appropriate justice in settling their service matters.

2. Filing up of vacant posts of forest divisions.

(a) That, applications were invited from the eligible local youths of A&N Islands to fill up 112 vacant posts of regular Mazdoor on industrial establishment of the South Andaman Forest Division during the year 2014. Accordingly a numbers of applications have been submitted by the unemployed and penurious candidates, but the follow-up action in this matter is under pending finalization with the competent authorities since 2014.

In a meeting of the Andaman Forest Employees Union South Andaman held on 11.09.2022 at Wimberlygunj it was informed that between 2014 and 2022 about 43 posts of Mazdoor on regular industrial establishment have fallen vacant due to superannuation retirements. Now the number of posts of regular Mazdoor lying vacant in South Andaman forest division is 155, apart from this the posts of Cook and safaiwala of Mount Harriet Guest house is also lying vacant (b) That, similarly the position of vacant posts of Mazdoor on regular industrial establishment in Baratang forest Division is 36, Middle Andaman Division is 136, Mayabunder Division is 95 posts, Nicobar division (Campbell Bay) is 92 posts, Diglipur Division is 71 posts and Wildlife Division Port Blair is 63 posts. Appointment/recruitment of Mazdoor on regular industrial establishment is to be centralized. That, if the appointment/recruitment of all posts lying vacant in different forest divisions are centralized the delay to fill up the vacant posts of Mazdoor and other similar posts could be evaded. The appointments on compassionate grounds and handicap quota etc. are being done by the office of the Principal Chief Conservator of Forests A&N Islands and the selected candidates are being sent to the respective forest divisions (employers) to join there. The recruitment to the posts of MTS vacant/created in the Forest

from... Page 01

department are also made by the A&N administration by the centralized procedures and the selected candidates are being directed to different departments of the A&N Administration including forest department. Therefore the recruitment to the vacant post of Mazdoor on regular industrial establishment of different functional and nonfunctional forest divisions (13 divisions) of department of environment and forests A&N Administration is to be centralized.

3. Enhancement of wages at the rate of 1/30th on minimum relevant pay level to the DRMs on continuous service of forest division Little Andaman and subscriptions under the scheme of E.P.F (a) That in order to undertake the post tsunami operations/ rehabilitation works entrusted by the A&N Administration in Little Andaman Island about 45 Mazdoor on daily wages were appointed and engaged by the Divisional forest officer Little Andaman with effect from 24.10.2005. In the process of appointment to the post of Mazdoor on regular establishment undertaken by the DFO Little Andaman the cases of 20 DRMs were considered for regular appointment out of the 45 DRM engaged during the year 2005. The remaining DRMs have been granted the benefits of enhancement of wages on 1/30th of the minimum relevant pay scale plus DA and three cases of DRMs working since 2005 are left out for grant of the benefits under the scheme of 1/30th of the wages and they are (1) Shri Emil Barwa S/o Patras Barwa (2) Shri Pavan Ram S/o Rudho Gwala and (3) Smt Jini John w/o Shri John. The Hon'ble Lt. Governor (Administrator) A&N Islands has been pleased to order the enhancement of wages of DRMs working in different department of the A&N Administration since last several years prior to 01.09.2017 vide Memorandum No. 289 dated 2017, hence the above DRMs are entitled to get the benefits of the scheme with back wages from 01.09.2017 onwards. (b) That, no action has so far been taken by the competent authorities to get the eligible workman subscribed towards the Employees Provident Fund Scheme 1952, of the Little Andaman, Baratang and Diglipur forest divisions. The Member of Parliament requested the PCCF to early examine and settle these issues for the benefit of industrial employees (factory and non-factory) of Department of Environment and Forests A&N Administration

LG releases IEC...

manner. The Lt Governor desired that considering the magnitude of cyber frauds, Police in collaboration with IT professionals should brainstorm and come out with technology based solutions to effectively curb the activities of cyber-fraudsters. Admiral Joshi (Retd) also emphasized the need for effective detection, investigation and prosecution of cyber-crimes. He extended his best wishes to the citizens of the Islands and to A&N Police in their joint endeavour through "Cyber Jagrookta Diwas" to create a secure and safe cyber ecosystem. Elaborating on the release of IEC material, Mr. S. K. Jain, IGP/L&O emphasized that acting on the principles that 'Knowledge is power' and 'Awareness is a key to empowerment', Andaman &

Nicobar Police has prepared short videos and pamphlets to reach out to people at large and to sensitize them about cyber scams and how to avoid becoming victims of cyber fraud. These IEC materials would help in disseminating the message of cyber safety and cyber hygiene such as Do's and Don'ts, Safe internet banking, Online shopping fraud prevention, Social media safety precautions, Cyber Bullying etc. The IGP highlighted that right from storyline, acting, shooting to editing of videos, everything in the videos has been done in-house by Police staff of A&N Police. Similarly, all pamphlets have been designed and prepared by the police staff. On this Cyber Jagrookta Diwas,

from... Page 01

which also marks the completion of one year of this initiative of MHA, to disseminate the message of cyber safety and cyber hygiene, the Andaman & Nicobar Police is holding special awareness sessions with Defence Personnel, Coast Guard, Councillors and PRI members, Government employees, Market associations & shopkeepers, school teachers & college students, villagers & village captains in order to take the message of cyber safety to the grassroots level. It is our firm belief that armed with the knowledge of cyber safety, and aware of the scams being run by cyber-criminals, the citizens of the Islands will successfully avoid becoming victims of cyber-crime.

President of India...

A&N Islands as the first ranked UT under Swachh Survekshan Grameen in the Smaller States/UTs category. The award was conferred by Hon'ble President of India, Smt. Draupadi Murmu yesterday. Shri Keshav Chandra, IAS, Chief Secretary, A&N Administration along with Shri Suneel Anchipaka, IAS, Secretary (RD/Panchayat) received the award. The Union Minister for Jal Shakti, Shri Gajendra Singh Shekhawat along with Minister of Rural Development & Panchayati Raj, Shri Giriraj Singh, Minister of State for Jal Shakti & Tribal Affairs, Shri Bishweswar Tudu and Minister of State for Jal Shakti & Food Processing Industries, Shri Prahlad Singh Patel, Ms.

Vini Mahajan, IAS, Secretary, Drinking Water and Sanitation were also present. Along with this award, South Andaman District was also conferred as the 1st ranked district under Swachh Survekshan Grameen in the category of overall top district in the Union Territory category leaving behind Diu district in the second position and Daman district in the third position. The award was presented by the Hon'ble Minister of Jal Shakti and was received by Shri Suneel Anchipaka, Deputy Commissioner, South Andaman. The Swachh Survekshan Grameen is an initiative of the Govt of India on the basis of quantitative and

from... Page 01

qualitative sanitation (Swachhta) parameters. UT of Andaman and Nicobar Islands has made a quantum jump in the ranking from 7th position in the SSG-2019 to 1st position leaving behind Dadra Nagar Haveli - Daman Diu in the second and Sikkim in the third position. The Ministry has commended the efforts of UT Administration and sanctioned an amount of Rs. 3.25 Crore as award money. The Hon'ble Lt. Governor, A&N Islands has congratulated the entire citizens and PRIs of A&N Islands in achievement of this great feat and has exhorted for dedicated efforts towards further improvement in the waste management practices in the Islands.

Ganja sized by...

Devsai Toppo, PC/2565 Samaresh Mistry & Shri. Michael Raj Xalxo (Ex-Home Guard) conducted a raid near a parking lot of CHC Diglipur and recovered 2.342 Kgs of illicit ganja from the possession of a person namely Ajit Kumar Teb (30y) resident of Sitanagar, Diglipur. Accordingly illicit ganja was seized and the accused was arrested on the spot after

"Golu pooja" concludes...

from... Page 01

prayers were held to offer prayers, especially to Goddess Parvati, Goddess Saraswati and Goddess Lakshmi, on different days of the festival. Golu is predominantly celebrated in South India and is also known as Kolu, Gombe Habba, Bommai Kolu or Bommala Kolu. To mark this festival, people decorated and arranged an array of dolls on multiple steps and decorated with lights, flowers, etc. During this 9-day festival, people also prepare various special delicacies, each holding some significance to a God or Goddess and also take this opportunity to socialise with friends and family. Golu is considered to be one of the most important festivals in South India.

HUGE THANKS to the #CoronaWarriors on the frontline of the Corona Virus Pandemic
