

Hon'ble PM inaugurates Iconic Week celebrations of Ministry of Finance and Ministry of Corporate Affairs Launches National Portal for Credit Linked Government schemes - Jan Samarth Portal

New Delhi, June 6 (PIB)

Hon'ble Prime Minister Shri Narendra Modi inaugurated Iconic Week celebrations of the Ministry of Finance and Ministry of Corporate Affairs today. This week is being celebrated as part of the 'Azadi Ka Amrit Mahotsav' (AKAM) from 6th to 11th June 2022. He also launched the National Portal for Credit Linked Government schemes - Jan Samarth Portal. He also inaugurated a Digital Exhibition which traces the journey of the two Ministries over the past eight years. The Prime Minister also released a special series of Re. 1, Rs. 2, Rs. 5, Rs. 10 and Rs. 20 coins. These special series of coins will

have the theme of the logo of AKAM and will also be easily identifiable to visually impaired persons.

Addressing the gathering, the Prime Minister said whoever took part in the long struggle for independence, added a different dimension to this movement, and augmented its energy. Some adopted the path of satyagraha, some chose the path of weapons, some faith and spirituality, and some intellectually helped to keep the flame of freedom burning bright, today is the day when we acknowledge all of them.

Today when we are celebrating 75 years of independence, the Prime Minister stressed, it is the

duty of every countryman to make a special contribution to the development of the nation at their own level. This is a moment to infuse the dreams of our freedom fighters with new energy and dedicate ourselves to new pledges, he said.

The Prime Minister noted that India has also worked on different dimensions

in the last eight years. The public participation that increased in the country during this period has given impetus to the development of the country and empowered the poorest of the country's citizens. The Prime Minister remarked that Swachh Bharat Abhiyan gave an opportunity to the poor to live with dignity. Facilities like pucca houses,

electricity, gas, water and free treatment increased the dignity of the poor and improved facilities. The scheme of free rations during the Corona period freed more than 80 crore countrymen from the fear of hunger. "We are witnessing a new confidence among the citizens to come out of the mentality of deprivation and dream big", he said.

The Prime Minister said the country has borne the brunt of government-centric governance in the past. But today 21st century India is moving ahead with the approach of people-centric governance. He said earlier it was the responsibility of the people

to go to the government for availing benefit of the schemes. Now emphasis is on taking governance to people and free them from the rigamarole of doing rounds of different ministries and websites. Launch of National Portal for Credit Linked Government schemes - Jan Samarth Portal is a major step in this direction. This portal will improve the lives of students, farmers, businessmen, MSME entrepreneurs and will help them in realizing their dreams, he added.

The Prime Minister said that any reform, if its objectives and goals are clear and there is seriousness in its implementation then good results are assured.
