Mohali Test: India beat Sri Lanka by an inning and 222 runs

Mohali, Mar. 6 India registered a thumping win against Sri Lanka in the first test match at Mohali by an innings and 222 runs to take a 1-0 lead in the 2 match test series. Ravindra Jadeja was announced man of the match for his all-round performance. He scored unbeaten 175 runs and snared nine wickets across both innings. Earlier, India enforced the follow-on after bowling out Sri Lanka for just 174 in the first innings. India's ace off-spinner Ravichandran Ashwin also took his 435th Test wicket today to become the second-highest wicket-taker in the longest format for India. He overtook Kapil Dev, who has 434 wickets to his name and is now only behind Anil Kumble's 619 test wickets. The next match in this series is a day and night test match scheduled on 12th March at Bengaluru.

Panchayat & Municipal Elections- 2022 ...

(Contd. from page 1)

Officers, and other senior officials engaged in election duty to ensure smooth conduct of polling at their allotted jurisdictions. After completion of the poll, the polled materials have been collected at respective Tehsils under tight security arrangements whereas, the polling materials for elections to the Wards of Port Blair Municipal Council was deposited at JNRM Strong Room.

All COVID protocols were ensured throughout the Territory of Andaman and Nicobar Islands as per the guidelines issued by the Election Commission viz. Monitoring of temperature of the voters, marking of social distancing, providing of hand sanitizers by ASHA and Anganwadi workers at the entry point of all booths were ensured all over the Territory.

In few Polling Stations, due to mechanical failure, the EVMs had to be replaced, which was done swiftly in order to minimize inconvenience of the electors. Foreseeing such situations, engineers from ECIL were stationed at Port Blair.

The Andaman and Nicobar Islands are having a diverse/pluralistic society and the political scenario in the Islands also indicates tough contest between political parties. Keeping in view, a good number of police personnel were also deployed for security arrangements.

Considering the geographical and terrain conditions, the DPME specially envisaged and requisitioned the provisions of helicopter services as well as speed boats from Shipping Services. The vessels of Andaman and Nicobar Command were also kept ready as a backup mechanism to tackle any emergency situation.

The Election Machinery of the Director (Panchayat and Municipal Elections) had to evaluate various strategies for deployment of Polling Personnels to remote locations like hiring of dinghies which are the only means of transportation for few Polling Stations in the Islands like Rutland, Pashimsagar, Hanspuri, Long Island etc., which were adhered to absolutely and the turnout of voters and the percentage of voting in all such locations were enormous. The materials for Polling Stations at Swaraj and Shaheed Dweep were also sent by special sailing schedule and whereas due to night landing constraints at Swaraj Dweep and Shaheed Dweep, the polled materials have been kept under security at the Strong Rooms in the respective Police Stations of the Islands and are planned to be brought back tomorrow by special boats.

The Director, Panchayat & Municipal Elections, Shri Suneel Anchipaka also kept the UT Election Commissioner apprised of progress of polls at every two hours.

The Director (Panchayat and Municipal Elections) thanked the media, political parties and also the general public which resulted into no untoward incidents during the course of the election process, thus paving way for free, fair and transparent conduct of the major democratic election event to Gram Panchayat and Municipality, a press release from DPME said.

any violations are found, their license shall be cancelled. The Office of the Director, Panchayat and Municipal Elections has already issued instructions regarding use of mobile phones & cameras during the counting process at JNRM and Govt Girls Sr. Sec School. Accordingly, mobile phones shall not be allowed to be taken inside the counting halls and shall not be used from anywhere else within the campus.

All Media Persons shall be accommodated in the Media Room set up at JNRM and Govt Girls Sr. Sec School. Use of mobile phones and other communication equipment shall be allowed from the Media Centre.

Nobody (not even the candidate or RO/ARO etc) except the observers and officers appointed by the Director, Panchayat and Municipal Elections shall be allowed to carry a mobile phone inside the counting hall.

A Public Communication Room at both the counting halls has been earmarked for safe-keeping of the mobiles etc of the candidates and their agents/representatives to make use of their mobile phones in case of any need.

No camera- still or video, of the media, except for official recording of the entire counting process, is allowed to be fixed inside any counting hall. No camera stand should therefore be allowed to be taken inside counting hall by media and journalists. Hand held cameras will be allowed to the authorized pass holders. Further, while taking audio video coverage of the counting process, with camera carried in hand or on shoulders by the media/press, under no circumstances, the actual votes recorded on an individual EVM or ballot papers is to be photographed or covered by audio visual coverage. The exact location, up to which the still and video camera of the media and press can move, shall be indicated by the Returning Officer in advance, marked by a line or boundary for guidance of all concerned.

Traffic arrangements have been made in connection with the counting of votes on 08.03.2022 for the Panchayat and Municipal Elections-2022 to be held at two venues i.e. Girls Senior Secondary School (For Port Blair Gram Panchayat) and JNRM (For Municipal Wards) which have been declared as Counting Centres.

The movement of vehicular traffic on ATR from Ferrargunj Junction to Ograbraj Junction will also be regulated during counting of votes on 8th March, 2022 in the following manner viz. the movement of vehicular Traffics shall be restricted from 6.30 am to the road towards Govt. Model Sr. Sec. School Ferrargunj from the ATR from either directions leading from Tushnabad & Ferrargunj Junction.

The Vehicles coming from Jirkatang shall be diverted towards Brindaban, Mathura Junction, Saitankari, Namunaghar, Mithakari and Ograbraj Junction and vehicles coming from Chouldari shall be diverted from Ograbraj Junction towards Mithakari, Namunaghar, Saitankari, Mathura Junction, Brindaban and Ferrargunj.

It is further notified that the Agents of candidates will have to disperse from the Counting Hall immediately after the results of their candidates are announced. Next batch of counting agents shall be permitted into the polling station only after the previous agents move out of the Counting Hall, a press release from DPME said.

Country's first indigenous Flying Trainer HANSA-NG successfully completes sea level trials

Puducherry, Mar. 6

The country's first indigenous Flying Trainer HANSA-NG designed and developed by CSIR-National Aerospace Laboratories, Bangalore, has successfully completed the sea level trials at Puducherry from 19th February to 5th March.

The aircraft was flown to Puducherry covering 140 nautical miles in one and half hours at a cruising speed of 155 km per hour on 19th February.

The objectives of sea level trials were to evaluate handling qualities, climb and cruise performance, balked landing, structural performance power plant

and other systems performance. CSIR-NAL sources said that all the objectives of the sea level trials are met and aircraft has been ferried back to Bangalore yesterday after completing 18 hours flying at Puducherry. HANSA-NG is designed to meet the Indian flying club needs and it is an ideal aircraft for Commercial Pilot Licensing due to its low cost and low fuel consumption. (Source: india.gov.in)
