Gram Panchayats adopt three themes ...

(Contd. from page 1)

therefore the role of Gram Panchayats in achievement of the SDGs is of greater significance.

As part of the initiative, the Gram Panchayats during the Special Gram Sabhas held on April 24, 2022 have adopted three themes and passed resolution in the Gram Sabha to work towards achieving saturation in the respective themes. The Gram Panchayat with the support of frontline officials of line Department, monitoring, guidance and handholding support by the Block and District Committees shall focus and work towards attainment of the respective theme.

The Director (RD/Panchayat) in his inaugural address emphasized that, to achieve the SDGs, the universality of SDGs i.e. 'No one left behind' is to be ensured in the implementation of all the Govt. of India schemes implemented in rural areas. He remarked that, for India to achieve SDGs, its Gram Panchayats and Villages needs to correspondingly achieve SDGs. He exhorted that this will become possible only with coordinated efforts taken up by all line Departments in the field level. He further requested the Districts and Blocks Inter-Departmental Coordination Committee to closely monitor the baseline data assessment and also to actively support the Gram Panchayats in timely achievements of the targets in the UT.

During the programme, the Director (RD/Panchayat) also released the theme-wise Local Indicator Framework (LIF) prepared by the Department and also launched the Baseline Data Assessment in the UT. The Baseline Data Assessment shall be carried out by the frontline workers and Village Nodal Officers have been identified for each Gram Panchayat. Video presentations were made on the official logo of Localization of Sustainable Development Goals released by Ministry of Panchayati Raj, GoI.

The State Nodal Officer (RGSA) through Power Point Presentation presented the overall overview on SDGs and the need to localize the SDGs into local indicators that are practicable and realizable at the ground level. He outlined that as part of the initiative for Localization of SDGs, the Directorate of RD, PRIs and ULBs has formulated and shared the Local Indicator Framework for each of nine thematic areas containing more than 300 indicators with the concern line Departments, Gram Panchayats and Blocks for collecting baseline data. The Local Indicator Framework has been prepared in line with the National and State Indicator Frameworks. The LIF will help the Gram Panchayats to build a baseline GP wise data, that will ascertain the actual GP level status and enable the GPs to identify the gaps. The Localization of Sustainable Development Goals broadly calls for a Whole of Government and a Whole of Society approach involving all line Departments, NGOs and Civil Society members at State, District, Block and GP level.

Thereafter, the Domain Experts of the State Panchayat Resource Centre (SPRC) held technical session detailing the nine thematic areas focusing on the Local Indicator Framework and the State wise status against each status. Video documentation of Best Gram Panchayats across the country in respective themes was also showcased during the event. They also explicated the role and responsibility of Village Nodal Officers towards Localization of Sustainable Development Goals for data collection and authentication in respect of the theme adopted by Gram Panchayats, a press release from Directorate of RD, PRIs and ULBs said.

In the loving memory of Reshma Begum

(DOB 06.06.1961 and DOD 12.05.2014)

"And he will wipe away every tear from their eyes; and there will no longer be any death; there will no longer be any mourning, or crying, or pain; the first things have passed away" (Revelation 21:4)

A mother's love is always with her children. Losing a mother is one of the deepest sorrows a heart can know, but her goodness, her care, her love and her wisdom live like a legacy in their children.

The fact that you are no longer here, will always cause us pain. But you are forever in our heart until we meet again.
