

Yet another feather in the cap!

A&N Islands becomes 1st ODF Plus Model UT in the country under Swachh Bharat Mission (Grameen)

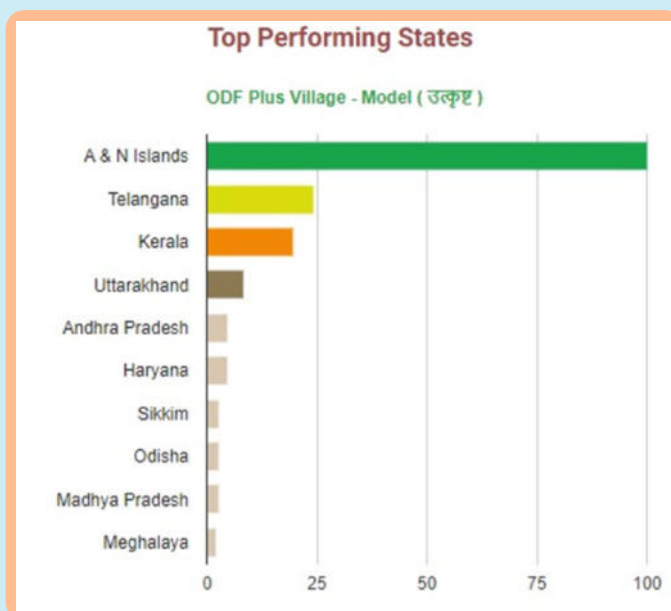

14775 beneficiaries assisted with incentive amount for construction of Individual Household Latrines under Phase-I of SBM (G)

Additionally 3828 individuals provided with IHHLs; 296 Community Sanitary Complexes & 39 CSCs completed

Port Blair, Feb. 15

Under the flagship programme of Swachh Bharat Mission (Grameen) Phase-II launched by the Department of Drinking Water and Sanitation, Ministry of Jal Shakti, Govt. of India, the Andaman & Nicobar Islands has achieved the unique feat of becoming the first ODF Plus Model Union Territory in the entire country. This achievement is attributed to the concerted measures taken by the UT Administration in the achievement of universal sanitation coverage following the saturation of Individual Household Latrines (IHHLs), saturation in construction of Community Sanitary Complexes (CSCs) and taking effective measures for Solid and Liquid Waste Management.

Under the Phase-I of the Swachh Bharat Mission (Grameen), 14775 numbers of beneficiaries were identified as part of the Baseline Survey-2012 and were assisted with incentive amount of Rs.12,000/- for construction of Individual Household Latrines. With the GoI's vision of 'No One Left Behind' for sanitation access, the UT has additionally provided Individual Household Latrines (IHHLs) to 3828 individuals which are completed in full shape. Further, 296 Community Sanitary Complexes under SBM (G)

Phase-I and 39 CSCs sanctioned under SBM (G) Phase-II have also been completed.

For effective Solid Waste Management, the

Department has set up 24 Solid Waste Management (SWM) clusters mapped to 70 Gram Panchayats in the Islands. The SWM cluster sites have provision for treatment of organic waste by means of Composting. The SWM Clusters have also been equipped with Bailing and Shredding machine for processing of non-biodegradable Solid Waste. The recyclable plastic, paper/cardboard, Tetrapacks and Multi Layer Plastics (MLPs) are bailed and sent for recycling. The non-recyclable plastic waste are shredded and used in rural road construction. As per the notification issued by the A&N Administration, 8-10 % of shredded plastic usage is mandatory in road construction in the UT. The Department, in March, 2021 has also identified one recycler for collection, management, processing and transportation of waste from SWM Clusters to mainland. The wastes are now being taken from these clusters for further processing/recycling on approved rates, thereby adding to the revenue of Gram Panchayats. An amount of Rs. 8,72,737/- has been earned by the Gram Panchayats by selling dry waste to recycler. For Liquid Waste Management, the rural villages in the Islands have been equipped with proper drainage facilities, a press release from Secretary (RD) said.

EVM handling training imparted to ROs, AROs & Sector Officers at DBRAIT

Staff Reporter

Port Blair, Feb.15

In connection with the Panchayat & Municipal Elections-2022, series of training programmes are being conducted for personnel engaged in election duty. As part of this, a hands on training for handling EVMs was organized in the conference hall of DBRAIT for the Returning Officers, Assistant Returning Officers and Sector Officers for PBMC elections.

The Nodal Officer, Training & Vehicle, Dr. Aom Dhole while

welcoming the trainees, reminded them about their responsibilities and the importance of handling EVMs on Poll Day. He urged them to be well-versed in operating EVMs so that Polling takes place smoothly at their respective Polling Stations under their jurisdiction. A team of Master trainers imparted training to the officials on handling the EVMs on poll day. Checking of EVMs, EVM components and details of Control Unit & Ballot Unit, setting up of EVMs in the Polling Stations, Mock Poll-

sequence, closing of Poll, closing and sealing of Control Unit, were effectively explained to the trainees present on the occasion.

The Returning Officers, Assistant Returning Officers and Sector Officers appointed for conduct of General Elections to Panchayat & Municipal Elections - 2022 today acquainted themselves with handling of Electronic Voting Machine (EVMs).

DBRAIT conducting remedial classes for First & Second Year B.Tech students

Port Blair, Feb. 15

To address the post pandemic challenges experienced particularly in academics DBRAIT is organizing remedial classes for First and Second Year B.Tech students. The students admitted in the year 2020-2021 successfully cleared two semesters, during pandemic, as the sessional marks were considered by

the university as a promotion policy, to promote them to subsequent semester. Therefore, students did not get any exposure to university exams.

The university exam for the current semester is scheduled from 9th March, 2022 in offline mode. Since this being the first university exams for the students therefore, the institute has arranged special

offline classes from 9th to 23rd February for all second year students, with the sole objective of clearing their doubts and conducting more tests so that they are well prepared to face the forthcoming university exams. Parents have been requested to advise their wards to attend the remedial classes without fail, a press release from DBRAIT said.

India to play against West Indies in T20I in Kolkata today

Kolkata, Feb. 15

India will take on West Indies in the T20I series starting from tomorrow in Kolkata. The BCCI has elevated Rishabh Pant to Vice-Captaincy for the upcoming three-match T20I series. Rohit Sharma who successfully led India against West Indies in the ODI

series will be the skipper for their T20I series too. Whereas, Kieron Pollard will be captaining the Caribbean team and look to change their fortunes in the T20

series. India whitewashed West Indies 3-0 in the ODI series and have not lost a bilateral series against them since 2006. (Source: india.gov.in)

AICF to conduct National Sub Junior (U-16) Boys & Girls Chess C'ship Participation from Islands invited

Port Blair, Feb. 15

The All India Chess Federation (AICF) under the aegis of Ministry of Youth Affairs & Sports, GoI will be conducting National Sub Junior (Under-16) Boys & Girls Chess Championships- 2022 from 4th March to 8th March, 2022 at Indira Gandhi Sports Complex, Near ITO, New Delhi. Each affiliated State Association is allowed to send four

entries each from boys and girls and the players who were born on or after 01.01.2006 are eligible to participate. The AICF has allowed 50% concession in entry fee for participants of Andaman & Nicobar Islands and free

accommodation will be provided to all the selected and seeded players from each state.

Interested players who wish to participate in the championship may send their entries to General Secretary Andaman Nicobar Chess Association via WhatsApp @ 9434293379 or email @ anchessassociation@gmail.com on or before 21st February, 2022, a press release from ANCA said.

DBRAIT-Institute Innovation Council ...

(Contd. from page 1)

Ghimerey, Co-Founder of Encamp Adventures, a startup which works in creating travel experiences in offbeat locations with carbon neutral travel were the invited speakers on the occasion who shared their success journeys and their Business Ideas.

Both of the firms are two very successful startups from North-East Region of our country being another hard area like our Islands, the speakers were true inspiration for our students. The event was organized in association with Atal Incubation Centre-Sikkim Manipal Univ. Technology business incubation foundation.

The primary goal of these kinds of events is to bring together the country's key startups, entrepreneurs, investors, incubators, funding entities and other national/international stakeholders to celebrate entrepreneurship and promote innovation. Furthermore, to exchange knowledge on nurturing startup ecosystems; to develop entrepreneurial ecosystem capacities; to encourage and inspire the youth for innovation and entrepreneurship; and to showcase high-quality, high-technology, and frugal innovations from India.

The event was witnessed by around 40 students, academicians and young innovators who are the potential Incubatees in the Islands Innovation ecosystem, a press release from DBRAIT said.
