

PM addresses the nation on achieving the milestone of 100 crore vaccinations

100 crore vaccinations are not just a figure, but a reflection of the strength of the country: PM

Just like Swachh Bharat Abhiyan is a mass movement, in the same way, buying things made in India, buying things made by Indians, being Vocal for Local has to be put into practice

New Delhi, Oct. 22 (PIB)

Prime Minister, Shri Narendra Modi addressed the nation on achieving the milestone of 100 crore vaccinations. Addressing the nation, the Prime Minister lauded the difficult but remarkable feat of administering 100 crore vaccine doses. He attributed this achievement to the dedication of 130 crore countrymen and said this success is the success of India and the success of every countryman. He said 100 crore vaccinations are not just a figure, but a reflection of the strength of the country, it is the creation of a new chapter of history. This is a picture of a new India that sets difficult goals and knows how to achieve them.

The Prime Minister noted that today many people are comparing India's vaccination program with other countries of the world. He said the speed with which India crossed the 100 crore mark, 1 billion, is also being appreciated. However, he pointed out, in this analysis the point of beginning for India is often missed. He said developed countries had decades of expertise in researching and developing vaccines. India mostly depended on vaccines made by these countries. He said for this reason when the biggest pandemic of the century struck, various questions were raised about India's ability to fight the global pandemic. Questions like, from where will India get the money to buy so many vaccines from other countries? When will India get the vaccine? Will the people of India get the vaccine or not? Will India be able to vaccinate enough people to stop the pandemic from spreading? Were answered by achieving this feat of administering

100 crore vaccinations. He stressed that India has not only administered 100 crore vaccine doses to its citizens but has also done that free of cost. He said the acceptance that India enjoys in the world as a pharma hub will be further strengthened.

The Prime Minister said at the beginning of the Corona pandemic, people were anxious that it would be very difficult to fight this pandemic in a democracy like India. Questions were also raised whether so much restraint and so much discipline work here? He said that for us,

democracy means taking everyone along - Sabka Saath. The country started the campaign of 'Free Vaccine and Vaccine for Everyone'. Vaccinations were given to Poor-Rich, Rural-Urban alike. He remarked that the country has only one mantra that if the disease does not discriminate, then there cannot be any discrimination in the vaccination. He said that's why it was ensured that the VIP culture of entitlement does not dominate the vaccination campaign. The Prime Minister said questions were raised that most of the people in India would not go to the vaccination centre to get vaccinated. Vaccine hesitancy remains a major challenge even today in many major developed countries of the world. But the people of India have answered it by taking 100 crore vaccine doses. He said a campaign is 'everybody's effort' and if everyone's efforts are synergized, the results are amazing. He said that the Government made public participation the first line of defence in the country's fight against the pandemic.

The Prime Minister said India's entire vaccination program is born in the womb of science, has grown on scientific grounds and has reached all four directions through scientific methods. He said it is a matter of pride for all of us that the entire vaccination program of India has been Science born, Science driven and Science-based. He said that before the vaccine was made and until the vaccine was administered, the entire campaign was based on a scientific approach. The challenge was also a need to scale up the production. After that, distribution to different states and timely delivery of vaccines to far-

Chief Secretary launches digitalized mode of Social Security Pension schemes implemented by Administration through e-District Portal Old Age Pension, Widow Pension, Destitute Allowance and allowance for Divyangjan now available online

Port Blair, Oct. 22

The Chief Secretary, A&N Administration, Shri Jitendra Narain today launched the digitalized mode of the Social Security Pension schemes implemented by A&N Administration through e-District Portal at a simple function held today in the chamber of the Chief Secretary at Secretariat. This facility has been initiated and completed with the support and guidance of Hon'ble Lt Governor, A&N Islands and Chief

Secretary. With the launch of this facility, the Social Security Pensions Schemes viz. Old Age Pension, Widow Pension, Destitute Allowance and allowance for Divyangjan provided by A&N Administration is now available on digital mode (online). The Secretary, Tribal Welfare, Shri S.K. Jha, the Secretary, Social Welfare, Ms Veditha Reddy and the Director, Social Welfare, Shri Prateek Raj Yadav were also present on the occasion. During the launch, the Chief Secretary directed that mass awareness programmes

should be conducted through different platforms such as print, electronic and social media, to create awareness on this online facility among general public for its wider reach.

The online application of these Social Security Pension Schemes have been carried out after updating all the relevant data of the existing beneficiaries thereby putting in place a clear, transparent and accountable system. In order to provide the benefits to the eligible beneficiaries, the Department

through its Anganwadi Services functionaries conducted a massive ground level survey for two months for verification of data of each beneficiary. While collecting the Life Certificates of each beneficiary, they collected all relevant details of all beneficiaries in a format for record.

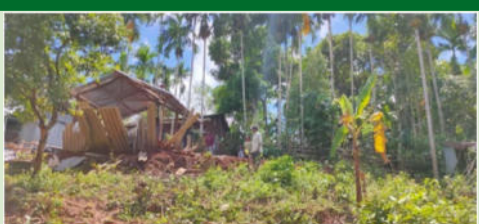

Thereafter, the details of the beneficiaries were rechecked at Department Level. As per this survey, out of 27,280 beneficiaries who are

'Zero tolerance' towards encroachment on Govt. land 2,58,670 Sq. Mtrs. of Govt. land in Port Blair Tehsil restored

Port Blair, Oct. 22

As part of its 'zero tolerance' policy towards encroachment on Government land, the Encroachment Eviction Team of Revenue Department of South Andaman District carried out eviction drives against encroachments

committed on District during last week. The eviction drives were carried out at Rangachang, South Andaman Beodnabad, Calicut,

Sippighat, Teylarabad and Junglighat village and an area of 28000 Sq. Mtrs. approximately of Government land has been restored into Government Khata. With this, a total of 2,58,670 Sq. Mtrs. of Govt. land in Port Blair Tehsil has been restored.

Chief Secretary launches digitalized ... *(Contd. from page 1)*
getting social security pensions till May 2021, 4,031 beneficiaries could not furnish their verification details and life certificates due to the reasons such as migration, shifted to mainland, non-traceable etc. Therefore, the payment to these 4,031 beneficiaries is kept on hold. Meanwhile, they have been provided an opportunity to submit authentic documents for their claim within 15 days, failing which, their names would be deleted from the list and will not be able to get the benefits and the recovery process will be initiated by the Social Welfare Department. This verification may lead to a saving of Rs.1 Crore approximately in a month.

This online facility in e-District portal will help beneficiary to apply for these schemes from home with internet facility or visiting Common Service Centres (CSCs) without visiting the offices as done in the case of manual applications. Beneficiaries need not visit Tehsildar Office and CDPO Office for signature on their application form in case of applying online. The application will be digitally processed to all concerned staff for its final processing. The beneficiaries can also opt for offline applications till further notice.

100 crore vaccinations are not just a figure, but ...

(Contd. from page 1)

flung areas. But, with scientific methods and new innovations, the country has found solutions to these challenges. Resources were increased with extraordinary speed. He said the Cowin platform, made in India, not only gave convenience to the common people but also made the work of our medical staff easier.

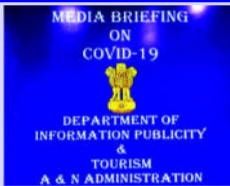

The Prime Minister said experts and many agencies from home and abroad are very positive about India's economy. Today not only are record investments coming in Indian companies but new employment opportunities are also being created for the youth. With record investment in start-ups, unicorns are being made. New energy is also visible in the housing sector. He said many reforms and initiatives taken in the last few months, will play a big role in making India's economy grow faster. He said during the pandemic, the agriculture sector kept our economy strong. Today government procurement of food grains is happening at a record level. The money is going directly into the bank accounts of the farmers.

The Prime Minister insisted the people on buying every little thing, which is Made in India, which was made by the hard work of an Indian. He said that this will be possible only with the efforts of everyone. Just like Swachh Bharat Abhiyan is a mass movement, in the same way, buying things made in India, buying things made by Indians, being Vocal for Local has to be put into practice.

The Prime Minister said the country knows how to set big goals and achieve them. But, for this, we need to be constantly careful. He stressed that no matter how good the cover is, no matter how modern the armour is, even if armour gives a complete guarantee of protection, weapons are not given up while the battle is on. Similarly, he said there is no reason to get careless. He requested the people to celebrate our festivals with utmost care.

Media briefed on COVID-19 No positive case detected during test conducted on incoming flight and Inter Island passengers: Director (IP&T)

Port Blair, Oct. 22 The Director (IP&T), Shri Alok Kumar addressing a media briefing on COVID-19 held in the conference hall of IP&T today stated that during the RT-PCR test conducted on 549 passengers who arrived here yesterday, no positive case has been detected. Today, 8 flights with 1344 passengers arrived, out of which, 904 were vaccinated with both doses while RT-PCR test was conducted on remaining 430 passengers and the reports are awaited. RAT was conducted on 213 passengers bound for North & Middle Andaman at Ferrargunj and no positive case has been

Makruzz and 16 of Sea Link vessel and the reports are awaited.

The Director further said that the vaccination drive is being conducted in Isles smoothly and till 3 pm today, 521 beneficiaries have been vaccinated, out of which, 501 were in the age group of 18-44.

The Director, ANIIMS, Dr. AK Mandal informed that two COVID patients are undergoing treatment at GB Pant Hospital and no patient is on oxygen/ventilator. The Deputy Director, GB Pant Hospital, Dr. Amitabha De informed that no COVID patients are there in COVID Care Centres.

'Kisan Goshti' held at Shoal Bay Panchayat; farmers sensitized on benefits of various schemes

Port Blair, Oct. 22 As part of Azadi Ka Amrit Mahotsav, the Department of Agriculture South Andaman organized a one day 'Kisan Goshti' in association with Agricultural Technology Management Agency (UTATMA) at Shoal Bay Panchayat today which was attended by farmers of the area. The Circle in charge, Shri Daniel Antony explained about the various schemes of Agriculture and

encouraged farmers to take up spice plantation and agro tourism in their area. Smti Meena, ATM explained about High Value Agricultural schemes. Shri Rajesh ATM spoke about subsidy being provided

for construction of dig ponds, ring wells and also purchase of farm machineries. Smti Nazneen Janish, SEFA explained about importance of soil testing, a press release received here said.

Stakeholders meeting on Joint Supportive ...

(Contd. from page 1)

District Health Society, DC South Andaman and N&M Andaman during which they briefed about the current status and feedback for smooth implementation of NTEP activities. They also interviewed few TB patients of the Districts as well.

On Oct. 21, the team interacted with the Programme Officers and discussed about the TB collaborative activities. Today, a Stakeholder Sensitization Meeting for Private Hospitals, IMA, Red Cross Society, NGOs, Social Workers / ASHA, TB Champion, SHG and NTEP Staff was held in the Lecture Hall-II, GBPH/ANIIMS), in which all the stakeholders pledged to eliminate TB from the Islands by 2025.

The NTEP, A&N Islands is in the process of establishing BSL 3 Lab in Intermediate Reference Laboratory (IRL), State TB Control Society, G. B. Pant Hospital, Directorate of Health Services, Port Blair for TB culture and Drug Sensitivity Test (DST). On 22/10/2021, contract for establishment of BSL 3 Lab was signed by the Joint Secretary (NTEP) and M/s. Microflow Devices India Pvt. Ltd., Chennai during the programme. The BSL 3 lab works shall be completed within 120 days from the date of signing of contract.

Presently, all the sputum samples of DR TB patients for culture and DST are being sent to Chennai on regular basis for testing, which is challenging and difficult to maintain cold chain and transportation. Moreover, the results of the samples are not being received on time, as such, treatment of the patients gets delayed. Establishment of BSL3 C&DST Lab at Port Blair will be a great help for the diagnosis and follow up of DR TB patients.

The most encouraging part of the visit is that the Commissioner (Health) has committed for elimination of Tuberculosis from A&N Islands by December 2024, a year ahead of the country's target, a press release from Joint Secretary (NTEP) said.

Remembered By

Mrs Mangala Krishna (Wife) Vidya (Daughter) / Sanjeev (Son) / Vivek (Son) (Nithya) Daughter in Law / Anirudh (Grandson) & Family

" Those we Love do not go away, they walk beside us Every day, unseen, unheard and always near."

6th Death Anniversary On 23.10.2021

In loving memory of
Late S. Santosh Kumar

*It's been six years since you have gone,
We all miss the old way to hear your voice, see your smile. To sit with you and chat a while..!!
Remembering all that you have taught us with that smile we all keep walking a mile..!!
Words are less too share the feel.
We miss you a lot..!!*

Inserted by: P. Selvam, S. Sethu Lakshmi, S. Damodaran, D. Hema, S. Naveen Kumar, D. Joshni, D. Nikshay Kumar, S. Devika, S. Sasi Kumar, S. Hrithik Vahin & S. Kimaya Vahin & all Staff of M/s Karbhagam Sales Agency & M/s Naveen Electricals.
