

## PM to participate in First I2U2 (India-Israel-UAE-USA) leaders Virtual Summit on Thursday

New Delhi, July 12

Prime Minister, Shri Narendra Modi will participate in the First I2U2 (India-Israel-UAE-USA) Leaders' Virtual Summit on Thursday along with Prime Minister of Israel Yair Lapid, President of the UAE Mohammed bin Zayed Al Nahyan and President of the USA Joseph R. Biden.

The Leaders will discuss the possible joint projects within the framework of I2U2 as well as the other common areas of mutual interest to strengthen the economic partnership in trade and investment in the respective regions and beyond. These

projects can serve as a model for economic cooperation and offer opportunities for businesspersons and workers. The I2U2 Grouping was conceptualized during the meeting of the Foreign Ministers of the four countries held on 18th October last year. Each country also has Sherpa-

level interactions regularly to discuss the possible areas of cooperation.

I2U2 is aimed to encourage joint investments in six mutually identified areas such as water, energy, transportation, space, health, and food security. It intends to mobilize private sector capital and expertise to help modernize the infrastructure, and low carbon development pathways for the industries, improve public health and promote the development of critical emerging and green technologies. ## World's largest COVID-19 vaccination coverage undertaken by India to reach milestone of 200 crore doses soon

New Delhi, July 12

The world's largest COVID-19 vaccination coverage undertaken by Government of India will soon reach the milestone of 200 crore doses. In an unprecedented effort, more than 199 crore vaccine doses have been administered in the country so far. The journey of administering Made in India - Covaxin, and Covishield vaccines to the citizens of India began on 16<sup>th</sup> January last year under the leadership of Prime Minister, Shri Narendra Modi.

India took 85 days to touch the 10 crore vaccination mark and on 21<sup>st</sup> October last year, India reached the milestone of 100 crore vaccine doses.

Since the dawn of the pandemic, India has shown its commitment to protecting its citizens by taking on this arduous and formidable task involving enormous resources, unstinted support of the States and UTs, untiring efforts of Health Care Workers, Front Line Workers, and proactive participation of all stakeholders.
