## PM addresses valedictory function of 9<sup>th</sup> World Ayurveda Congress

# Ayurveda goes beyond treatment and promotes wellness: PM

## 'One Earth, One Health' means a universal vision of health

New Delhi, Dec. 11 (PIB)

The Prime Minister, Shri Narendra Modi addressed the valedictory function of the 9<sup>th</sup> World Ayurveda Congress. He also inaugurated three National Ayush Institutes. The three institutes - All India Institute of Ayurveda (AIIA), Goa, National Institute of Unani Medicine (NIUM), Ghaziabad and National Institute of Homoeopathy (NIH), Delhi - will further strengthen research and international collaborations and will also facilitate affordable Ayush services for people. Developed at a total cost of about Rs 970 crores, these institutes will increase the intake of students by around 400 along with the addition of about 500 hospital beds.

Addressing the gathering, the Prime Minister welcomed all the delegates of the 9<sup>th</sup> World Ayurveda Congress from around the globe to the beautiful land of Goa and congratulated everyone for the success of the World Ayurveda Congress. The Prime Minister highlighted that the World Ayurveda Congress is being organised when the journey of Azadi Ka Amrit Kaal is

underway. The Prime Minister said that one of the key resolutions of the Amrit Kaal is to ensure global welfare through India's scientific, knowledge and cultural experience and Ayurveda is a strong and effective medium for that. Referring to India's G-20 Presidency, the Prime Minister informed about the theme of G-20 'One Earth, One Family, One Future'.

The Prime Minister expressed happiness that more than 30 countries of the world have given recognition to Ayurveda as a traditional system of medicine. He called for more sustained work to ensure wider recognition of Ayurveda. He said that the three National institutes inaugurated today will provide new momentum to the Ayush healthcare system.

Dwelling upon the philosophical

underpinnings of Ayurveda the Prime Minister said, "Ayurveda goes beyond treatment and promotes wellness", as he pointed out that the world is shifting towards this ancient way of life after going through various changes in trends. The Prime Minister expressed delight that a lot of work with regard to Ayurveda is already underway in India. Recalling the time when he was the Chief Minister of Gujarat, the Prime Minister said that he had promoted institutions related to Ayurveda and worked towards the advancement of Gujarat Ayurvedic University. As a result, the Prime Minister said, "The World Health Organisation established the first and only Global Centre for Traditional Medicines in Jamnagar. Referring to the present Government, the Prime Minister highlighted that the separate Ministry of Ayush was established which led to increased enthusiasm and trust towards Ayurveda. He further added that along the lines of AIIMS, All India Institute of Ayurveda are also being established. Recalling the Global Ayush Innovation and Investment Summit that took place

**Ayurveda goes beyond treatment ...**

(Contd. from page 1)

earlier this year, the Prime Minister highlighted that WHO was full of praise for India's efforts in the field of traditional medicine. He also informed that the world is celebrating International Yoga Day as the global festival of health and wellness. "There was a time when Yoga was looked down upon but today, it has become a source of hope and expectations for the whole of humanity", Shri Modi remarked.

Lamenting the delayed global accord, ease and acceptance of Ayurveda in the world of today, the Prime Minister pointed out that advanced science only considers proof as the holy grail. Stressing the need to continuously work toward the documentation of 'Data Based Evidence', the Prime Minister said that we had Ayurveda's results as well as effects in our favour, but we were lagging behind in terms of evidence. He emphasised that our medical data, research, and journals have to be brought together to verify every claim on modern scientific parameters. Throwing light on the work done in this regard, the Prime Minister mentioned the creation of an Ayush Research Portal for Evidence-Based Research data. The Prime Minister informed that data from about 40 thousand research studies are available so far, and during the Corona period, we had about 150 specific research studies related to AYUSH. "We are now moving forward in the direction of forming a 'National Ayush Research Consortium", he added. The Prime Minister elaborated that Ayurveda is a way of life too. Drawing an analogy to a machine or a computer that malfunctions due to a lack of knowledge by the end user, the Prime Minister said that Ayurveda teaches us that body and mind should be healthy together and in harmony with each other. Highlighting the speciality of Ayurveda, the Prime Minister said that 'proper sleep' is a huge topic of discussion for medical science today, but Ayurveda experts of India had written on this in detail centuries ago. Throwing light on the importance of Ayurveda in the economy also, the Prime Minister talked about new opportunities in the field of Ayurveda such as farming of herbs, manufacturing and supply of Ayush medicines, and digital services. He said that there is huge scope for Ayush startups in these areas. Talking about the opportunities for all in the field of Ayurveda, the Prime Minister informed that about 40,000 MSMEs are active in the Ayush sector. Ayush Industry which was about 20 thousand crore rupees 8 years ago has reached about 1.5 lakh crore rupees today. "This means that there has been 7 times growth in 7-8 years", he said. He also elaborated on the global growth of the sector and said the current global market for herbal medicine and spices is about 120 billion dollars or rupees 10 lakh crore. "This sector of traditional medicine is expanding continuously and we have to take full advantage of its every possibility. For the rural economy, a whole new sector of agriculture is opening up for our farmers, in which they will also get very good prices. Thousands and lakhs of new jobs will be created for the youth in this," he added.

Mentioning the opportunities in Ayurveda and Yoga tourism, especially for a State like Goa, the Prime Minister said that the All India Institute of Ayurveda (AIIA), Goa can prove to be an important beginning in that direction.

The Prime Minister explained the futuristic vision of One Earth One Health that India has put forward to the world. "One Earth, One Health' means a universal vision of health. Whether it is marine animals, wild animals, human beings or plants, their health is interconnected. Instead of seeing them in isolation, we have to see them in totality. This holistic vision of Ayurveda has been a part of India's tradition and lifestyle", he said. He called upon the Ayurveda Congress to discuss how a roadmap of taking forward Ayush and Ayurveda in totality can be created.

**FIFA World Cup: Semi-finals line up drawn; Croatia to take on Argentina and Morocco to lock horns with France**

Doha, Dec. 11

The Quarterfinals stage of FIFA World Cup 2022 is now completed and the tournament is reaching its climax. Defending champion France and South American giants Argentina sealed their progression into the last four of the tournament with nervy wins while Croatia and Morocco arguably defeated stronger opponents to earn their place in the semi-finals. Yesterday, France defeated England 2-1 while Morocco stunned Portugal 1-0 to become the first African country to enter the semi-finals of the World Cup. The four teams will now square off in the penultimate round of the competition. In the first semi-finals Argentina will take on Croatia on Wednesday, the 14<sup>th</sup> of December at 12:30 midnight Indian Standard Time. In the second semi-finals, Morocco will face

Defending Champion France on Thursday the 15<sup>th</sup> of December at 12:30 midnight Indian Standard Time. The final will be played on 18<sup>th</sup> of December. The tournament was a roller-coaster for many teams with several upsets and twists. Argentina bounced back after suffering a shocking defeat to Saudi Arabia in their opening match of the group stage. The Lionel Messi-led team is now all set to face off against Croatia in the semi-final. Runners-up of the 2018 edition, Croatia have lived up to their name and shown that their past performance wasn't a flash in the pan. They have remained unbeaten in the

tournament. In the quarter-final, Croatia knocked out star-studded Brazil with a 4-2 win on penalties. Defending Champions France seems to have continued their dream run since 2018. They faltered only against Tunisia in the group stage as they lost 0-1 to the African country. France knocked out England by winning 2-1 in the last eight and cruised into their second consecutive semi-final.

Morocco has been the dark horse of this edition of the World Cup. In a tiny African country, most football experts didn't expect them to make it even to the quarter-finals. (Source: india.gov.in)

MSME, GoI has discontinued the system of selection of beneficiaries and recommendations of proposals/applications by the DLTF to streamline the process of selection and expedite the flow of applications under PMEGP scheme. Accordingly, the Programme Implementing Agencies viz. ANIKVIB & DIC are forwarding applications directly to the financing banks for credit decision after preliminary scrutiny and examining the personal and factual details mentioned in the application including project report etc.

Apart from this, to mobilize more and more youth to become Atmanirbhar, the Industries Department under the guidance of Secretary (Industries) is taking various steps including disseminating information on PMEGP and subsidy structure available under the programme at PRI level. Awareness campaigns and People's Education programmes on PMEGP scheme are organized at different Islands through which the first generation entrepreneurs are being appraised about the benefits available under the captioned scheme. Interested beneficiaries are guided for preparation of project report and online submission of loan proposals through PMEGP online portal.

During the current financial year 2022-23, the Programme Implementing Agencies viz. ANIKVIB & DIC have sponsored 399 loan proposals to the financing banks out of which 233 cases/ proposals have already been sanctioned by Banks. ### PUBLIC NOTICE

Under the instructions from and on behalf of my client Shri N.V.P. Abdulla, S/o Haji N.V. Pichai, R/o Aberdeen Bazar village, Port Blair Tehsil, A & N Islands. It is brought to the notice of General Public at large in reply to the notice dated 04.12.2022 Published in Daily Telegrams that my client Shri N.V.P. Abdulla is ready and willing to purchase the land bearing Survey No. 100 measuring an area 0.2200 hec. and Survey No. 99 measuring an area 0.8400 hec. (total area 1.06 hec.) situated at Bimblitan village under Ferrargunj Tehsil and further to state that Shri Madan Halder appeared at S. No. 17 in sale agreement dated 5<sup>th</sup> May, 2022 is requested to come forward for fulfilling the clause of the sale.

P. Kannan  
(Advocate)

### NOTICE

This to inform the general members of public that my clients namely 1) Smti. Balkish Begum, 2) Smti. Suraiya Begum, 3) Smti. Ruksana Begum and 4) Smti. Sanas Begum, Residents of Junglighat Village, under Port Blair Tehsil, South Andaman District, are the lawful daughters and legal heirs of Shri Abdul Haleem, S/o Late Abdul Aziz who is one of the recorded owners of land bearing Survey No. 106, area 0.0262 Hects. and Survey No. 1154/2, area 0.0099 Hects., situated at Junglighat Village under Port Blair Tehsil, South Andaman District. The said properties are an ancestral property and Shri Abdul Haleem and 03 others inherited the same from their father Late Abdul Aziz i.e. the Grandfather of my clients. As per Law of the land, my clients being the legal heirs of Shri Abdul Haleem and descendants of Late Abdul Aziz is entitled for the share of their father Shri Abdul Haleem but inspite of knowing the fact that the property is an ancestral property, Shri Abdul Haleem intentionally trying to sell / transfer / gift his share in the above said properties to third parties for which he started to negotiate with intending purchasers. I, therefore, through this notice call upon the general members of public not to deal with the said properties in any manner as my clients have lawful claims of the said properties as per Law of the land and the same is presently encumbered. In spite of this publication, if any one deals with the same he / she may do it upon his / her risk and consequence and would subject himself / herself for legal actions.

#### NOTICE

**Andaman Tamizhar Sangam's General Body nods the continuation of incumbent committee for another three years**

A meeting of the General Body of the Andaman Tamizhar Sangam was convened at 10.00 am on 10<sup>th</sup> December, 2022 in the Tamizhar Sangam premises at Phoenix Bay, Port Blair. Altogether, 158 life members of the Andaman Tamizhar Sangam were in attendance. During the course of meeting, there were discussions on various activities undertaken by the existing committee during the last three years. The Managing Committee placed the Annual Report for the last three years before the General Body and all members present were handed with a copy of report.

The President, Vice President and Secretary of the Sangam dwelt in length on the hardships they faced by the committee in successfully renovating the Thiruvalluvar Hall amidst COVID19 and undertaking other measures.

As part of the agenda of the meeting, the matter of election for the new Managing Committee was discussed. During the course of discussion, the General Body Members present in hall proposed that, there is no need of election as the incumbent committee can continue for another tenure as per the provisions available in the bye-laws. Accordingly, members of General Body raised their hands and showed their concurrence for continuation of existing committee for another tenure. It is noteworthy to mention here that, all the 158 members present in the hall had raised their hands in favour of continuation of existing committee.

The Managing Committee thanked the General Body for the trust it reposed on it and also assured that, the next three years will have remarkable developments in all spheres of the Andaman Tamizhar Sangam.
