She added that the Government has tried to relieve the poor from their worries by providing basic facilities including toilets, electricity, water and cooking gas. As a result, people of the country have got confidence that Government schemes and benefits actually reach the needy and 100 percent coverage or saturation is possible even in a vast country like India.

She said, during COVID pandemic, India was one of those countries which accorded top priority to save the lives of the poor and ensured that the poor were not deprived of food. She said, the Government has decided to implement the PM Garib Kalyan Anna Yojana in line with the changing circumstances. This is the hallmark of a sensitive and pro-poor Government. President said, the Government has worked for all classes of citizens without any discrimination in the last nine years. She said, the Government has awakened the aspirations of the Scheduled Castes, Scheduled Tribes and Other Backward Classes.

These classes were most deprived of the benefits of development. She said, now the basic facilities are reaching this section and these people are becoming capable of having newer dreams. She added that programmes including Dr. Ambedkar Utsav Dham, Amrit Jaldhara and Yuva Udyami Yojana are being run for the socio-economic empowerment of Scheduled Castes. She lauded the Beti Bachao, Beti Padhao campaign, Pradhan Mantri Surakshit Matritva Abhiyan and Pradhan Mantri Matru Vandana Yojana.

Highlighting that tribal, hilly, coastal and border areas of the country could only receive limited benefits of development in the past few decades, the President said, difficult terrain, along with unrest and terrorism, posed a major challenge to development of the North East and Jammu and Kashmir. She added that the Government has taken a number of successful steps for lasting peace and has confronted the geographical challenges.
