## PM Celebrates Diwali with Armed Forces in Kargil India propagates global peace and views war as the last resort: PM

New Delhi, Oct. 24

Prime Minister, Shri Narendra Modi today emphasized vision new India is not just a country, it is a mixture of sacrifice, love, compassion, enormous talent, courage, valour, and wisdom. Interacting with members of the Armed Forces in Kargil Shri Modi said, various civilizations developed throughout the world and came to an end, but India's civilization has always revived from every possible challenge. He said, a nation becomes immortal when the brave soldiers of that country have immense faith in itself.

Saying Desh-bhakti is just equal to Dev-bhakti, Prime Minister hailed Armed Forces of the country. Prime Minister said, he is wishing countrymen and the world a very happy Diwali from this victorious land of Kargil. Shri Modi highlighted that there has not been a single war with Pakistan where Kargil has not hoisted the flag of victory.

He said, Diwali means the festival of end of terror and Kargil made it possible. Shri Modi said forces had crushed the fountainhead of terror on Diwali in

Kargil. Prime Minister praised unparalleled bravery of Army saying a country is actually proud when its soldier's heads are as high as the Himalayas.

Shri Modi said today, the whole nation is looking forward to the growing strength and power of India.

Prime Minister said, another step towards moving away from imperialism is the new ensign of the Navy. He said, the naval ensign now is a symbol of Chhatrapati Shivaji's bravery. Shri Modi underlined the nation is breaking the

shackles of colonialism and the renaming of Rajpath to Kartavyapath is a symbol of this resolve.

Saying India has always viewed war as the last resort and propagated global peace, Shri Modi asserted if anyone dares look at India with evil eyes, country's three Armed Forces will give a befitting reply.

Prime Minister said, the Brahmos supersonic missiles to Tejas fighter jets are a few examples of India's new confident power. Saying indigenous technology is protecting the country, Shri

Modi highlighted INS Vikrant in the seas, Arihant to protect underwater, Tejas to protect skies. He said, on one side New India is reducing imports, while on the other hand Vocal For Local is at its peak. Prime Minister said, this is a new rise in the spirits of Indians in the true sense.

He complimented the Armed Forces for taking the Sankalp of being Aatmanirbhar. He said, when jawans fight with made-in-India weapons they will not only feel proud but also have an element of surprise to defeat the enemy. Shri Modi said the key scope for the development of New India is the induction of Women Officers into 'Permanent Commission', which has been a boon to the Armed Forces of the country.

Prime Minister said to facilitate the soldiers in realizing their responsibilities, hi-tech infrastructure in the border areas with seamless connectivity is being developed. Shri Modi said over the last 8 years, the Government worked with a focus on implementing reforms within the Armed Forces.

He said, with Janbhagidari

COVID SOP issued by the MHA from time to time. Besides the compoundable nature of cases pending in different courts, disputes at the pre-litigation stage will also be entertained by the National Lok Adalat for disposal upon consensual settlement between the parties. Pre-litigation

**3,96,041 consumers makes payment of electricity bills through the 'Urjapay Portal' in Isles**

**19459 users have been registered in the portal so far**

**Staff Reporter**

Port Blair, Oct. 24

The digital payment facility of electricity bill through [urjapay.andaman.gov.in](http://urjapay.andaman.gov.in) anytime anywhere is being availed by islanders residing in South Andaman as well as in North & Middle Andaman. The launch of this facility has facilitated more number of users to register themselves for paying their bill without queuing up at the billing centers.

Since the launch this facility, the number of users registered has increased manifold. As on Oct. 10, 2022, a total of 19459 users have been registered under the portal while a total of 3,96,041 consumers had carried out online payment of bills. A total transaction

amount of Rs. 41,27,12,065/- has been made through this facility in South Andaman & North & Middle Andaman Districts.

Consumers have been encouraged to make use of this facility by visiting the website

<http://urjapay.andaman.gov.in> details of previous transactions of all accounts including the due amount and make payment and by using the quick pay option-the registered user can add multiple accounts besides they will be provided with a

dashboard to view the details of previous transactions of all accounts including the due amount and make payment and by using the quick pay option-the consumers can now make the payment by entering the consumer number.

**PMEGP scheme - generating employment opportunities in rural & urban areas**  
**Financial assistance available for activities like dairy, poultry, aquaculture, sericulture including bees**

Port Blair, Oct. 24

**Pradhan Mantri Kisan Samman Nidhi Scheme effectively being implemented in A & N Islands**  
**eKYC of 10545 farmers completed till date**

**Staff Reporter**

Port Blair, Oct.24

The Department of Agriculture is implementing Pradhan Mantri Kisan Samman Nidhi Scheme in A & N Islands. The Department in coordination with the PRIs are working together in all the Zones of A&N Islands continuously from the day of launch of the scheme for its

better reach to the farmers. To make integrated platform available in the country to assist in benefit transfer, a platform named PM-KISAN Portal was launched for uploading the farmers' details at a single web portal in a uniform structure. Accordingly, a facility is provided in PM-KISAN portal in which any grievances

related to PM-KISAN scheme can be submitted. The Department of Agriculture is requesting the farmers to submit their grievances in PM-KISAN Portal/Mobile App and can also contact the respective Agriculture Extension staff/Agriculture Office.

Various factors are there, due to which, the farmer does not

receive the benefit of PMKISAN. The main reason being mismatch in the spelling of the name in the bank account and the name entered on the Aadhaar Card due to which farmers fail to get the money. To facilitate farmers, the Govt. of India has decided to undertake e-KYC verification of all the eligible registered farmer-beneficiaries of PM-

KISAN Scheme for smooth transfer of benefits.

The e-KYC authentication of the beneficiaries can be done by both e-KYC OTP mode as well as e-KYC biometric mode. The e-KYC authentication of the beneficiaries through OTP mode can be done on PM-KISAN portal, free of cost by the beneficiaries or

## India included in 12 top chess-playing nations for Men's 2022 World Team Chess Championship

New Delhi, Oct. 14

In Chess, teams from 12 top chess-playing nations including India, China, United States, and the Netherlands have been included in the lineup for the 2022 Men's World Team Chess Championship in Jerusalem, Israel next month. The list for the competition, which begins on November 20, was completed after South Africa confirmed over the weekend that they would participate, the Israel Chess Federation (ICF) said. The other participating

countries are China, the United States, Uzbekistan, Azerbaijan, India, Spain, France, Ukraine, the Netherlands, Poland, and the host Israel. Ahead of the competition, organized by the International Chess Federation (FIDE), the 12 teams will be divided into two pools of about the same strength, sorted by the average ratings of their players. After five rounds, the first four teams in each pool will advance to the quarterfinals. The final match will be played on November 25.

## Aman Sehrawat becomes first Indian wrestler to win Gold medal at U-23 World Wrestling Championships in Spain

Pontevedra, Oct. 24

In wrestling, teenager Aman Sehrawat made history as he became the first Indian wrestler to win a gold medal at the U-23 World Wrestling Championships in Pontevedra, Spain. The 16-year-old Aman Sehrawat beat junior European silver-medallist Ahmet Duman of Turkey 12-4 in the final to win the gold. Olympic medallists Bajrang Punia and Ravi Kumar Dahiya had made the final in their categories in previous

editions but could only win the silver medal. Aman Sehrawat won gold at the U23 Asian championship and silver at the U20 Asian championship earlier this year. India finished with six medals - one gold, one silver, and four bronze at the U-23 World Wrestling Championships 2022. Sajjan Bhanwala became the first Greco-Roman wrestler from India to win a medal bronze at the U23 world wrestling championships before Vikas and Nitesh followed suit.

## India administers over 219.56 crore vaccine doses under nationwide vaccination drive

New Delhi, Oct. 24

More than 219 crore 56 lakh vaccine doses have been administered in the country so far under the nationwide C O V I D - 1 9 vaccination drive. The Union Health and Family Welfare Ministry said, over 42 thousand vaccine doses were administered in the

last 24 hours.

During the same period, one thousand 334 new COVID cases were reported in the country. The Country's active caseload currently stands at over 23 thousand 193 and it is at 0.05 percent. The recovery rate is currently at 98.76 percent. A total of one thousand 557 people

have recovered in the last 24 hours and with this, the total recoveries touched over four crore 40 lakh and 91 thousand.

A total of more than 90 crore COVID tests have been conducted in the country so far. In the last 24 hours, around 88 thousand tests were conducted. (Source:india.gov.in)

### 'One Nation One Ration Card' facilitating ...

(Contd. from page 1)

economically weaker migrant labourers to meet both ends of their livelihoods. This UT Administration has taken relentless efforts, leaving no stone unturned to implement this scheme within the established time frame by the Central Government and made functional with effect from February 2021.

For effective implementation of this scheme, the Department of Civil Supplies & Consumer Affairs has launched Toll Free Number 18003454445, 230337 (via Mobile) & number 14445 (via Landline) to address all the queries/grievances and to provide information related to entitlement of foodgrains under NFSA during working hours from 8.45 am to 5 pm.

In addition to this, the Government of India has launched a mobile App namely 'Mera Ration' to facilitate the ONORC related services among beneficiaries of the NFSA, particularly migrant beneficiaries, Fair Price Shops and other stakeholders. The App can be downloaded through Play Store App for the registration of migrant beneficiaries, checking of foodgrains entitlement as well as previous six months transactions along with status of Aadhaar seeding, a press release from Directorate of CS&CA said.

### Post harvest marketing support to farmers...

(Contd. from page 1)

the scheme. The subsidy under the scheme is 50% limited to Rs 2.50 lakhs per truck.

To avail the benefit of the scheme, eligible Farmers/ Farm Women/ ST Farmers, registered FPG/SHG/FPO /NGO/CPC or CPS can contact the Zonal Officer of their area and apply in the prescribed format along with requisite documents, a press release from Directorate of Agriculture said.

### Pradhan Mantri Kisan Samman Nidhi Scheme... (Contd. from page 1)

State functionaries. For e-KYC biometric authentication facility, the beneficiary may visit the nearest CSC. The CSC will charge for biometric authentication from each beneficiary. For any query/doubt related to e-KYC, the beneficiaries can also contact the concerned Zonal Agriculture Office/ Field functionaries of Agriculture Department.

The farmers have been advised to use only the official website of PM-KISAN portal and not to download any other App for e-KYC authentication. As on date, eKYC of 10545 farmers have been completed.

As per the guidelines of the scheme, the following categories of beneficiaries of higher economic status are not eligible for benefit under the scheme:

- All Institutional Land holders
- Farmer families in which one or more of its members belong to following categories:

- Former and present holders of constitutional posts

OFFICE OF THE DEPUTY COMMISSIONER  
SOUTH ANDAMAN DISTRICT  
NOTIFICATION

Port Blair, dated the 21st October, 2022  
File No. 14/ACS/Quarry/LA/2021-22/TS-II/2021WHEREAS, in pursuance of Rule 15(1) of the Andaman and Nicobar Islands Minor Minerals Rules, 2012, A Committee was constituted vide Notification No.132/2015/F.No.34-738/2012-Rev(PF) dated 03rd August, 2015 for preparing Quarry Plan for the area(s)identified for quarrying under the provisions of the Rules.

AND, WHEREAS, the Committee after due examination, finalized a quarry plan at Hut Bay village, Little Andaman.

NOW, THEREFORE, in exercise of the power conferred under Rule 5 read with Rule 16 of the Andaman and Nicobar Islands Minor Minerals Rules, 2012, the Officer authorized by Lt. Governor to be competent to approve quarry plan i.e., the Deputy Commissioner (South Andaman), hereby approves the quarry plan containing the location, site plan, progressive and final closure plan, reclamation and restoration plan including specific guidelines for source-wise pollution control measures to be followed for quarry operations in South Andaman District as under:

QUARRY PLAN

A. BACKGROUND

The Andaman & Nicobar Islands Minor Mineral Rules, 2012 was notified on 20th September, 2012. In pursuance of Rule 6, contiguous areas for quarrying, having due regard to the restrictions mentioned in Rule 4, general topography and environmental aspects, was identified at Hut Bay village in Little Andaman Tehsil.

An area of 0.25 hectares out of Survey No.942 total area 21.04 hectares situated at Hut Bay village was identified for conduct of quarrying by without use of explosives.

The Hon'ble Lt. Governor, A & N Islands, in pursuance of Rule 15 and Section 5(b) of the Andaman and Nicobar Islands Minor Minerals Rule, 2012 read with Administration's Order No.312 dated 30/01/2015 and in supersession of Administration's Notification No.4-2/19-R/Quarry/PF-I dated 09/10/2012 notified the following committee vide notification dated 03/08/2015 for South Andaman District for preparing quarry plan for the area(s) identified for quarrying under Rule 6 of the said rules:-

1	The Assistant Commissioner (HQ)	Chairman
2	Representatives of Health Department as nominated by Director, Health Service	Member
3	Representatives of APWD as nominated by Chief Engineer, APWD, Port Blair	Member
4	Representatives of Forest Department as nominated by PCCF	Member
5	The Assistant Commissioner (Settlement)	Convener

The above Committee has been assigned the task of preparing quarry plan(s) for South Andaman District, which shall include for each identified area outer boundary, potential for extraction or crushing, progressive and final closure plan of quarry, plans for reclamation and restoration of land, measures for pollution control, responsibility of the quarry lease holder and any other matter that the committee may decide. The plan shall also include the cost of preparation of such plan or plans to be apportioned amongst the lease holders of quarries established on such area in such a manner as the committee may decide.

The Assistant Conservator of Forest (T) was nominated as member of the Committee by PCCF, Chief Medical Officer(NFSG) was nominated by Director of Health Services as member of the Committee and Junior Engineer, APWD was nominated as member of the Committee by Chief Engineer, APWD.

The Committee held its meeting on 15/03/2022 at 11.30AM, the Chairman informed about the urgency in preparing the quarry plan for the areas identified at Hut Bay village for quarrying and presented a draft quarry plan of the area before the committee for its perusal.

The Committee after perusal of the draft quarry plan and after deliberations and after making such modifications as deemed fit has prepared and finalized the quarry plan.

B. LOCATION

An area of 0.25 hectares was identified at Hut Bay village under Little Andaman Tehsil for conduct of stone quarrying without use of explosives.

- An area measuring 0.25 hectares has been identified out of the land bearing Sy. No. 942 area 21.04 hectares situated at Hut Bay village recorded in favour of Govt. Revenue Department (the area is shown in the map at page 9 of the plan).
- The details of area identified are as under:-

SI. NO.	Name of Block	Sy. No.	Area in Hect.
1.	942/1	942	0.25

- The subject land is free from all encumbrances and the area includes the sites from where quarrying operations were being undertaken earlier.
- The selected area satisfies the restrictions mentioned in Rule 4 and is more than 500 meters from any Educational Institution, Health Institution and more than 1 Kilometre from residential area and from HTL.
- The outer boundary of the identified quarry area is as shown in the map at page 09 of the plan.

C. SITE PLAN

- The selected area has limited spatial extent, recognizable through topographic expressions, small hillocks, mounds, ridges over shorter intervals having narrow depressions etc.
- The extraction from this area would be of minor minerals only i.e. earth and stone boulders. Physical inspection has revealed that there are sufficient deposits of these minor minerals at the site.
- Quarrying in this area is not exactly mining but is more like digging and levelling. This would ultimately result in getting flat land bounded by hillocks having a gradient of 45 degree angle.
- It is a labour intensive activity. The committee has also been apprised that due to closure of the quarries, the workers have become unemployed and facing hardships.
- The Committee after considering all the above points, the occurrence of Minor mineral, geographical condition and likely difficulties to be faced by the Regulatory Authorities in monitoring the environmental impact and implementation of necessary mitigation measures, is of the opinion to adopt cluster approach in the area and lease out mines having an area of 0.25 hectares .
- The detail layout plan may be seen at page 09 of the plan.

D. POTENTIAL FOR EXTRACTION OF MINOR MINERAL AND YEARLY EXTRACTION

- After taking levels and fixing benches within the blocks, the slope to be maintained at each plot has been arrived at in such a manner that at the end of quarrying from the area we have a gradient of 45 degree angle or a flat land which can be used for any other purposes.
- As stated earlier the committee is satisfied that the quarry sites are having existence of minor mineral. However, committee feels that it is for the prospective bidder to do the estimate prior to bidding and satisfy themselves with regard to quantity of minor minerals.
- In order to stagger the quarry operations over a period of time, the Committee decided to allow extraction of upto 12,000 cbm Minor Minerals per annum.

E. PROGRESSIVE AND FINAL CLOSURE PLAN

- Considering the small size of quarry sites to be leased out, the Committee feels that progressive closure plan would not be feasible however avenue plantation is to be undertaken as an interim measure for protection of the environment.
- The Committee has decided to recommend guidelines for final closure of quarry. The following points are to be considered as a part of final closure of the quarry.

- Location of the Quarry.
  - Topography of the Quarry
  - Reason for Closure or Reserves of Minor Minerals available for future in the quarry, if any
  - The reclamation and rehabilitation of the mined quarries indicating the method of reclamation/ restoration of land and quarries pits.
  - Water quality and hydrology of the area indicating water bodies, surface run-off, vulnerability to erosion, sedimentation/ siltation, diversion of water course, contamination, quantity and quality change of water in water bodies. The corrective and protective measures are to be considered.
  - Air quality indicating air quality status & corrective measure to prevent pollution.
  - Waste Management indicating status, type, quality and quantity of over burden, earth/ top soil removed and prevention measure & disposal methods of the overburden in case not utilized for stabilization & for filling the pits. The protective measures to be taken for prevention of siltation, erosion and dust generation from these waste materials should also be addressed.
  - Infrastructure- Emphasis on maintaining the existing roads, etc and creation of toe/ retaining walls, check dams etc.
  - Disposal or removal of Quarrying Machineries & construction like hutment/shed if any.
  - The Administration may include any activity as a part of closure of closure plan at any point of time.
  - Statutory obligations like payment of wages/ Compensation for retrenchment of manpower/ labours under ID Act, and handling any other kind of repercussions shall be the sole responsibility of quarry lease holder.
  - Disaster Management & Risk Assessment-indicating the probable high risks like landslides, seismic activities, inundation of low areas in abandoned quarry and action plan to mitigate these risks.
  - Monitoring and Evaluation of the activities of the closure plan.
- The above activities shall be undertaken jointly by the lease holder successful bidder under the supervision of Department of Revenue, Forest, Andaman Public Works Department and the Pollution Control Committee of the UT.

F. PLANS FOR RECLAMATION AND RESTORATION OF LAND

The following activities for reclamation and restoration of the land have to be jointly undertaken by the lease holder/successful bidder under the supervision of concerned Departments such as Revenue, Forest, Andaman Public Works Department and the Pollution Control Committee of the Union Territory.

- Plantation activities to be taken up in strips (along the approach road) & Blocks (in the abandoned/closed quarries).
- Coastal/Littoral species of trees/plants will be selected for Strip Plantation along road and Hardy and fast growing tree species will be selected for block plantation.
- The Strip Plantation along the road will be taken up in 2-3 rows depending upon the availability of land along the road.
- The Strip Plantation on the sea ward side of the road will be raised in staggered/ quincial pattern with spacemnt of 3mts x 3mts. (row to row & plant to plant respectively).
- Casualty/ mortality filling of the plantations will be carried out for minimum of three years starting from year of planting.
- Maintenance of the plantation will be done continuously for minimum of five years or more till the establishment of the plantations and activities like mulching, weeding, climber cutting and cleaning including the repair and maintenance of tree guards / fences will be taken up in each year.
- Cost estimation for each segment of Strip or Block plantation will be done by Forest department based on the Schedule of rates/ standard norms of the department considering the site conditions/ locality factors specially the soil and biotic factors of the area.

G. MEASURES FOR POLLUTION CONTROL

- During quarrying operations, the water should be sprayed at least once in a day over the roads at the quarry sites and nearby areas by the lease holders.
- Kachha road, used for transportation of stone boulders, from the quarry site shall be invariably sprayed by water during these operations. In order to minimize dust pollution, measures such as adoption of hoods at transfer points, vulcanizing of conveyer belt joints, under belt cleaning devices, and installation of dust suppressions and/or dust extraction system for conveyance shall be adopted.
- The kachha road leading to the quarry shall have avenue plantation to arrest the dust pollution.

SPECIFIC GUIDELINES FOR SOURCEWISE POLLUTION  
CONTROL MEASURES TO BE FOLLOWED FOR STONE  
QUARRIES BY THE LEASE HOLDER

AIR POLLUTION

DRILLING :

- Drilling machine shall be fitted with dust suppression, collection and disposal arrangement.
- Deep wetting of drilling zones shall be done by water sprinkling before starting drilling.
- During the drilling operations the efforts shall be made to reduce dust generation by taking appropriate measures

Heavy Earth Moving Machinery (HEMM):

- The operator/ transporter shall carry out regular maintenance of the machinery and vehicles.
- The speed limit shall be adhered to.
- Operator's cabin of the HEMMs should preferably be air conditioned at least air tight.
- The smoke emission should conform to the standards notified in Motor Vehicle Act.
- The trucks carrying the mined products shall be covered with tarpaulin so that there are no fugitive emissions during transportation.
- The transportation should not be through the busy roads in the city/towns/villages if by pass roads are available.

HAUL ROADS :

- All the haul and service roads shall be metalled and well maintained.
- Un-metalled haul roads shall be free of ruts and pot holes.
- All haul roads and surface roads shall be regularly sprayed with water.
- Plantation alongside haul roads (avenue plantation) shall be carried out done.

OVERBURDEN :

- Plantation over and around over burden dumps shall be carried out to ensure stability of slopes, prevention of dust by wind action and soil erosion during the run off.
- Wetting of surface of Overburden dump shall be regularly practiced.

NOISE POLLUTION

DRILLING:

The workers shall be provided appropriate personal protective equipment viz. ear mufflers/ ear plug or noise proof cabins.

Heavy Earth moving Machinery (HEMM):

- The engine exhausts of HEMM to be fitted with mufflers and cabins shall be noise proof.
- HEMM shall be properly maintained.
- Operators shall be provided with ear mufflers / ear plugs.
- Imposition of speed restriction of HEMM near residential area shall be enforced.
- The haulage path of the HEMM shall be re-routed so that it is away from the residential area.

WATER POLLUTION SURFACE:

The project components should comply with all the standards given in the Water

(Prevention and Control of Pollution) Act, 1974.

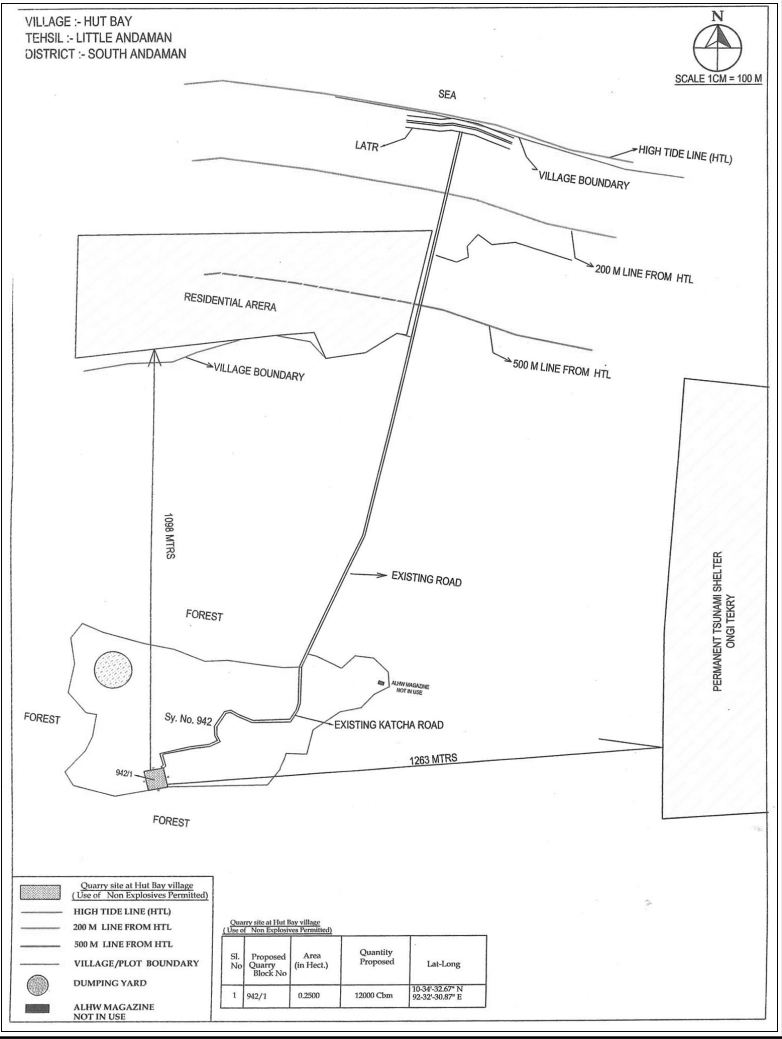

H. RESPONSIBILITY OF QUARRY LEASE HOLDER

Besides the responsibilities of the quarry lease holder as stated in the A & N Islands Minor Minerals Rules, 2012, the quarry lease holder shall also be responsible for complying with the various aspects as suggested in the various headings of the instant quarry plan and any further compliance required to be ensured (if any), conveyed by the Administration from time to time.

I. DEIAA & DEAC FOR ENVIRONMENTAL CLEARANCE

- Periodical Health check-up of the workers and their family members engaged in the quarry, a dust prone unit and to keep vigilance on development of Silicosis or other respiratory illness.
  - All quarry lease holders must keep necessary provision of "First Aid" at the work site.
  - Make provision of fund for aid to the workers and their family in case of any accidental injury/death take place.
- J. PERIOD OF OPERATION OF QUARRY PLAN**
- The instant quarry plan shall come into force immediately after notification by the Deputy Commissioner(South Andaman).
  - The plan shall remain in force till three years from the date of notification unless otherwise modified/recast on the basis of review conducted by the Committee after one year or on account of orders of a Competent Court/Administrator and in such event, the modified quarry plan shall have the same force and applicability for all concerned including the quarry lease holders.
  - The instant quarry plan is within the ambit of provisions of Andaman and Nicobar Islands Minor Minerals Rules, 2012.
