## 'herSTART'- a platform to encourage women entrepreneurs

# India is fast becoming a breeding ground for innovations: Minister

## Govt. has launched a monthly allowance of Rs.20,000 for up to one year for women-led Startups

New Delhi, March 17 (PIB)

Union Minister of State (Independent Charge) Science & Technology; Minister of State (Independent Charge) Earth Sciences; MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr Jitendra Singh informed here today that a newly created 'herSTART' platform has been introduced to promote women StartUps and to encourage women entrepreneurs. The new platform was recently inaugurated by the President of India, he said.

Addressing the plenary session of the Bharat Startup Summit and Expo 2023 organised by PHD Chamber of Commerce and Industry, the Minister also informed that the Government headed by Prime Minister, Shri Narendra Modi has also introduced a monthly allowance of Rs.20,000 for up to one

year for women-led StartUps".

Dr Jitendra Singh said that entrepreneurship is embedded in India's economy and ethos. From the post-independence era with a handful of family controlled industries, until today when India gave more than 100 unicorns to the world,

the Indian StartUp ecosystem has gained significant attention, thus making it one of the most coveted global markets, he said.

The Minister said that future trends show opportunities for StartUps to disrupt and innovate with technologies like block chain, the Internet of Things

(IoT), Artificial Intelligence (AI), and machine learning, etc. With the kind of policy reforms that India is headed towards, Startups can play a big role, he added.

Highlighting the increasing presence of women as entrepreneurs, Dr Jitendra Singh said that women-led business enterprises are playing a noticeable role in society by generating
