Port Blair, March 23

For the first time in the history of A&N Islands, the functioning of Common Service Centres (CSCs) - a citizen centric initiative towards ease of doing business has now been made available through Primary Agricultural Credit Societies (PACS). This initiative of A&N Administration will further aid in providing Govt. related services at the doorsteps of the citizens. The Chief Secretary, A&N Administration, Shri Keshav Chandra, IAS, launched this service through PACS at a function held in the Community Hall of Gram Panchayat, Wimberlygunj here this morning. The Chief Secretary inaugurated the CSC of Bapuji Service Co-operative Society Ltd. Wimberlygunj by cutting the ribbon and 11 other CSCs covering South as well as North & Middle Andaman Districts through video conference in the presence of the Deputy Commissioner, South Andaman, Ms Veditha Reddy, IAS, Secretary (Co-operation), Shri Raajesh Goyal, PRIs and residents of the area. The Chairman/ Members of the respective PACS also joined the inaugural ceremony through virtual mode.

Addressing the gathering, the Chief

Secretary stated that it's a matter of great pride that for the first time in the Islands, PACS will also be operating the CSCs which were till now operated by private entities. He said, this is a great beginning towards diversification of works and activities of the PACS. The Chief Secretary further stated that by operating CSCs, the income of PACS will increase and the common people will have access to 93 services of the A&N Administration at their vicinity. Apart from the State Services, the common people can also avail the 48 services being provided by the GoI. These include e-stamp, Passport, PAN Card, e-Wahan-Sarathi Pariwahan, PMKISAN Credit Card etc. This will immensely help people to get all these services in their area

itself and help in cost cutting incurred in travelling and also save time.

Stating that Cooperatives have the potential to uplift the socio economic status of the people of the Islands, the Chief Secretary urged Cooperative Societies and PACS to register one member from each family of their respective Panchayats in PACS, so as to increase its membership and capital. This move, he said, will help in strengthening the PACS and enable them to further diversify their activities.

While informing

about the steps taken for the development and expansion of the Coop Societies by the A&N Administration, the Chief Secretary remarked that the circular restricting the diversification by Coop Societies have been withdrawn and now the Coop. Societies can take up different activities. He further stated that the Coop. Department has doubled the financial assistance (60lakh) provided to Coop. Societies for different schemes as compared to last year. The proposal for increasing it further is in final stages of consideration, the Chief Secretary said.

The Chief Secretary mentioned that the process for digitization of PACS has already begun and will be completed by next year. He further informed that an online module for amendment in registration and by-laws of Cooperative Societies has been initiated and will be made available in the website of the Cooperative Department soon. MESSAGE

I am extremely glad to know that World TB Day is being observed in a befitting manner on 24th March, 2023 in the Islands along with the rest of the country with the theme "Yes! We Can End TB".

Each year World TB Day is commemorated on March 24th to raise public awareness about the devastating health, social and economic consequences of TB and to step up efforts to end the Global TB.

India has the world's highest TB burden, with an estimated 26 lakh people contracting the disease and approximately 4 lakh people dying from the disease every year. Although, the National TB Elimination Programme implemented by GOI is yielding significant results in the fight against TB, the community and the institutions in the society can play a critical role in filling gaps and addressing social determinants, thereby contributing to the national goal of TB elimination.

For effective engagement of the community, the GoI has launched community support to TB patients under Pradhan Mantri TB Mukth Abhiyan, wherein individuals, NGOs, Public Representatives and Institutions can register as Nikshay Mitras and provide support to TB patients.

I call upon institutions and individuals from all sections of the society to come forward in support of TB patients and join hands to eliminate TB from the Islands.

Monsoon preparedness tips for Cyclone, Heavy Rain, Water Logging & Flash Flood

Port Blair, March 23

The Andaman and Nicobar Islands are vulnerable to hydro-meteorological disasters which fall in cyclogenesis zone and cyclones form in the Andaman Sea each year. Heavy monsoon rains cause localized flooding, which occurs regularly in low-lying locations. As the monsoon season is approaching in the coming months, Dr. Nitin Shukla, Director, Disaster Management, A & N Administration has requested the general public to prepare themselves. Monsoon season can cause substantial damage to buildings, property, and infrastructure, but a few essential precautions can help reduce the impact.

Some important tips to help prepare for the monsoon season:

➤ **Clear gutters and**

drains: Clogged gutters and drains can lead to water damage, so make sure to clear any debris from these areas before the monsoon season begins.

➤ **Inspect Roof:** Check roof for any damage or leaks, and make any necessary repairs before the monsoon season arrives.

➤ **Secure outdoor items:** High winds can turn outdoor furniture, grills, and other items into dangerous projectiles. Store these items in a safe, secure location or tie them down to prevent them from being blown away.

➤ **Have emergency supplies in hand:**

Make sure to have plenty of water, non-perishable food, flashlights, batteries, and other emergency supplies in hand in case of power outages or flooding.

➤ **Stay informed:** Monitor local news and weather reports for updates on potential monsoon activity, and be prepared to evacuate, if necessary.

By taking these precautions, the general public will help ensure that everyone is ready for the monsoon season and limit the danger of damage and harm, a press release from Directorate of Disaster Management said.
