we must renew our pledge to eliminate TB in India. He said, even though NTEP has recorded significant progress made in A&N Islands and the country regarding TB, much more needs to be done to achieve the goal of TB elimination positively by 2025. He said, advance molecular test for diagnosis of TB as well as the latest anti TB drugs are available in all the Districts throughout A&N Islands and congratulated the team of Health Deptt. and NTEP for achieving the target set by the Ministry of Health and Family Welfare for detection and notification of TB cases as well as for the treatment success rate. He also acknowledged the contributions of private health sector and institution in combating TB and remarked that a robust and healthy public private partnership in the health sector is absolutely essential in combating the threat like TB in our community. He further added that the Health Deptt. has been working in close coordination with all the line Departments particularly the Social Welfare, Education, RD, Civil Supplies to address the cases of malnutrition. He also urged the health team to conduct regular awareness, TB screening camps, especially among vulnerable groups and those living in far flung so that early detection and treatment can be carried out and prevent its transmission. "All health care workers need to deal with TB patients with an attitude of compassion and they need to address all the queries of the patients and their family to cope with the trauma of being a TB patient and also make them aware of the various treatment protocols they need to follow", the Commissioner said.

Highlighting about Pradhan Mantri TB Mukta Bharat Abhiyaan and Ni-kshay Mitra, the Commissioner said that A&N Administration and the Health Deptt. remains fully committed to effectively implement the Ni-kshay Mitra scheme. He also mentioned that the exemplary step taken by Hon'ble Lt Governor in registering himself as Ni-kshay Mitra and adopting two TB patients is truly an inspiration for all to emulate and give TB patients the care and support they require in combating the disease. He urged all to come forward and register as Ni-kshay Mitras and collectively shoulder the responsibility towards eliminating TB and called upon the medical students to create awareness among the masses.

The Commissioner-cum-Secretary (Health) also administered the TB Free India Pledge to the gathering on the occasion. The chief guest along with other dignitaries felicitated 31 Ni-kshay Mitras from South Andaman for their efforts towards ending TB by 2025. They also released the annual report of NTEP, A&N Islands -2023. Certificates were also presented to volunteers of South Andaman District for NTEP Sub National Certification Survey.

Earlier, Dr. P Lal, Joint Secretary, National TB Elimination Programme welcomed the gathering and through a power point presentation elaborated on genesis of TB, significance of World TB Day observance, protocol for TB treatment, current status of TB in A&N Islands, global and Indian scenario of TB, risk factors associated with TB, tests for TB Diagnosis, Ni-kshay Mitra and Ni-kshay Poshan Yojana, steps taken by A&N Administration and Health Deptt. in combating TB in Isles etc. and urged all to join hands in eliminating TB by 2025.

The students of School of Nursing presented a welcome song. A skit on Tuberculosis was presented by youth of NYK on the occasion. The programme concluded with the vote of thanks proposed by Dr. Keerthivasan, Microbiologist, IRL.

the obstacle, Kashi has always proved that new ways are created with 'Sabka Prayas' (everyone's effort)", he remarked. He expressed confidence that Kashi will usher new energy towards global resolutions in the fight against a disease like TB.

The Prime Minister highlighted that as a country, the reflection of India's ideology can be seen in the spirit of Vasudev Kutumbakam i.e the whole world is one family. This ancient ideology, the Prime Minister said, is giving an integrated vision and integrated solutions to the advanced world of today. He noted that as the G20 President, India chose the theme of 'One Family, One World, One Future' based on such beliefs. "The theme of G20 is a resolution for the shared future of the entire world", the Prime Minister said. The Prime Minister noted that India is forwarding the vision of 'One Earth, One Health' in the world and underlined that it is realizing the resolutions of global good with the One World TB Summit.

The Prime Minister said that the commitment and determination with which India dedicated itself to tackling TB after 2014 is unprecedented. India's efforts are important, the Prime Minister said, as this is a new model for the global war on TB. He elaborated on a multi-pronged approach against TB in the last 9 years. He listed people's participation, enhancing nutrition, treatment innovation, tech integration and wellness and prevention such as Fit India, Yoga, and Khelo India type of interventions.

Concluding the address, the Prime Minister underlined that India is engaged in the campaign to eradicate TB by making use of the nation's experience, expertise and willpower. He also noted that India is constantly ready to help every country in need. "Our campaign against TB will be successful only with Sabka Prayas (everyone's efforts). I believe, our efforts today will strengthen the foundation of our secure future, and we will be in a position to hand over a better world to our future generations", the Prime Minister concluded.
