Union Health Minister reviews Public Health Preparedness for management of COVID-19 and COVID-19 Vaccination progress with States

Centre and States need to continue working in Collaborative Spirit as was done during the previous surges: Dr. Mansukh Mandaviya

"Five-Fold strategy of Test-Track-Treat-Vaccinate & Adherence to COVID Appropriate Behaviour continue to remain the policy for COVID management"

States asked to conduct mock drills across all health facilities on 10th and 11th April

New Delhi, April 7 (PIB)

"Centre and States need to continue working in collaborative spirit as was done during the previous surges for COVID-19 prevention and management". This was stated by Dr. Mansukh Mandaviya, Union Minister of Health and Family Welfare as he virtually interacted with State Health Ministers and Principal Secretaries/Additional Chief Secretaries, here today. The virtual meeting was held in the presence of Dr. Bharati Pravin Pawar, Union Minister of State for Health to review the public health preparedness for containment and management of COVID-19 and progress of national COVID-19 vaccination campaign in view of the recent upsurge in cases in some States.

Union Health Minister advised States to be on the alert and keep all preparedness for COVID-19 management. He urged the State

Health Ministers to conduct mock drills of all hospital infrastructure on 10th and 11th April, 2023 and review the health preparedness with District Administrations and health officials on 8th and 9th April, 2023. He

also requested States/UTs to identify emerging hotspots by monitoring trends of ILI/SARI cases and sending sufficient samples for testing of COVID-19 and Influenza; and ramping up whole genome sequencing of positive samples.

It was observed that 23 States/UTs had average tests per million below the national average. Dr. Mandaviya said that irrespective of the new COVID variants, the five-fold strategy of 'Test-Track-Treat-Vaccinate & Adherence to COVID Appropriate Behaviour' continue to remain the tested strategy for COVID management. This would facilitate undertaking of appropriate public health measures, he said. States/UTs were

Union Finance Ministry forms committee to review National Pension System for Government Employees

New Delhi, April 7

The Finance Ministry has notified the formation of a committee to review the pension system for Government Employees under National Pension System (NPS). In a notification yesterday, the Finance Ministry directed the committee to evolve an approach which addresses the needs of the employees while maintaining fiscal prudence to protect the common citizens. The four-member committee will be led by Finance Secretary, Shri T.V. Somanathan. Finance Minister, Ms. Nirmala Sitharaman told the Lok Sabha on 24th of last month that the approach developed by the committee would apply to the Centre as well as the States. (Source: india.gov.in)

General public urged to use water supplied through PBMC judiciously

Port Blair, April 7

Port Blair city is facing unprecedented water crisis this summer and PBMC is taking all efforts to supply drinking water in the Municipal areas by judiciously distributing the water supplied by PHED of APWD.

General public have been requested to make use of 281 PBMC maintained wells in their areas for bathing and washing purposes. It is requested that Municipal water supply may be used only for drinking purposes in the summer months. Meanwhile, due to bursting of pumping line of APWD at Dairy Farm Junction, PBMC is compelled to

Precaution to beat the heat in Summer Directorate of Disaster Management issues safety tips

Port Blair, April 7

From last few weeks temperature has risen drastically due to summer season which can be dangerous, especially for vulnerable populations such as the elderly, young children, and people with certain health conditions. Dr. Nitin Shakya, Director (Disaster Management), A&N Administration requested the residents of ANI to follow do's and don'ts on Hot Weather

Condition. Here are some do's and don'ts to help you stay safe during Hot Weather Condition:

Do's:

- Drink plenty of water: Stay hydrated by drinking plenty of water and other non-alcoholic beverages throughout the day.

➤ Stay in a cool place: Stay in an air-conditioned environment, or if that's not possible, find a cool, shaded area, such as a tree-covered park or a building with air conditioning.

➤ Wear appropriate

Excavation/Digging Agencies in A&N Islands advised to mandatorily use mobile app 'Call Before u Dig (CBuD)' before undertaking any type of excavation in public roads & places

Non compliance will attract huge penalty/Cancellation of Registration of Excavators/digging machinery used

Port Blair, April 7

Very often various agencies constructing infrastructure projects require digging/cutting of roads and excavating at public places. Such digging/cutting and excavating at public places often damage the existing underground infra like Optical Fiber Cables, water pipelines, electric cables, sewerage pipelines,

etc. of other utilities asset owners causing them huge economic losses, inconvenience to citizen and associated business losses to other stakeholders.

To address these issues, Department of Telecommunications, Ministry of Communications, Government of India has come out with a Mobile App "Call Before u Dig (CBuD)"

which provides an interface for excavator agencies / contractors to send alert / inform owners of existing utility assets about their upcoming excavation route. This will enable the utility owners to assist the excavating agencies to identify the route of the existing infrastructure so that damage to the existing infrastructure could be avoided. The

mobile app 'Call Before u Dig (CBuD)' was launched by Hon'ble Prime Minister of India on 22.03.2023.

All the Excavation/Digging Agencies in A&N Islands have been advised to mandatorily use the mobile app "Call Before u Dig (CBuD)" before undertaking any type of digging on and along the public roads, public places.

All Excavating / Digging Agencies have been notified that not using the mobile app "Call Before u Dig (CBuD)" before undertaking any type of digging work will invite imposition of huge penalty besides cancellation of Registration of Excavators / digging machinery used, a press release from Secretary (IT) said.

Electricity Department appeals to electricity consumers of Port Blair and adjoining areas of South Andaman to use power judiciously

Port Blair, April 7

It is brought to the kind notice of general public that due to increase in ambient temperature, there has been a substantial increase in power demand which has created a shortage of power during evening peak hours from 05.30 PM to 10.30 PM in Port Blair and adjoining areas of South Andaman. All the consumers of Electricity Department have been advised to use the available energy judiciously in view of shortage of power particularly during the evening peak hours.

Further, it is also requested that usage of major power guzzlers like ACs, Motors, OTGs, Geysers, Garden lighting may kindly be avoided during evening peak hours from 05.30 PM to 10.30 PM. This would help the Department to maintain power supply in Port Blair and adjoining areas of South Andaman without curtailment. The Electricity Department will be closely monitoring for the compliance of above by conducting surprise checks to ensure effective Demand Side Management by all consumers, a press release from SE, Electricity Department said.

India is emerging as the world's major Bioeconomy with fast growing Biotech StartUps: Minister

New Delhi, April 7 (PIB)

Union Minister of State (Independent Charge) Science & Technology; Minister of State (Independent Charge) Earth Sciences; MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr Jitendra Singh said here today that under Prime Minister, Shri Narendra Modi, India is emerging as the world's major bioeconomy with fast growing Biotech StartUps.

Delivering the inaugural address at the 20th Anniversary celebrations of Association of Biotechnology Led Enterprises (ABLE) today at India Habitat Centre here, Dr Jitendra Singh said that India has developed four indigenous Vaccines in just two years under "Mission COVID Suraksha" and augmented the manufacturing of Covaxin, and created necessary infrastructure for smooth development of future vaccines, so that our country is pandemic ready.

The Minister said that in the Global Innovation Index 2022, India has moved to 40th rank from 81st position. We must now aspire to be in the top 25 in the near term and in the top five by India @ 100. Prime Minister, Shri Narendra Modi has provided a huge impetus to innovation by adding Jai Anusandhan to the country's evergreen slogan of Jai Jawan, Jai Kisan, Jai Vigyan, he added.

Legal Awareness Camp organized by DLSA at Car Nicobar...

(Contd. from page 1)

In his address, he spoke about issues related to Child Rights, POCSO Act, Juvenile Justice Act, etc. Shri. Debarghya Biswas, Ld. Chief Judicial Magistrate, South Andaman-cum-Secretary, DLSA, A&N Islands and Shri. Md. Mohibulla, Ld. Chief Judicial Magistrate Car Nicobar and other dignitaries also participated, a press release from DLSA said.

DPIIT invites applications for National Startup Awards 2023

New Delhi, April 7

The Department for Promotion of Industry and Internal Trade (DPIIT) is inviting applications for National Startup Awards 2023 latest by 31st of May this year. In this edition, the startups will be awarded across 20 categories. Winners from each of the categories will be awarded with 10 lakh rupees. The winners and finalists will also be provided with exclusive handholding support, including investor and Government connect, mentorship, international market access, corporate and unicorn connect.

The awards were launched in 2020 to reward and recognise outstanding startups and enablers in the startup ecosystem that are building innovative products and demonstrating measurable social impact. In three years, it has seen participation from over 6,400 startups and has recognized over 450 startups as winners and finalists. (Source: india.gov.in)

Opportunity to pursue innovative research under Young...

(Contd. from page 1)

pursuing existing and innovative research. The scheme is focused on young scientist and technologists who have adequate background and training in the field of Science & Technology and encourage academic institutions, national labs and other S&T institutions to avail the benefit under this scheme.

Presently two schemes namely Technology Intervention for Disabled and Elderly and Abdul Kalam Technology Innovation National Fellowship are open for applying. Young Scientists who wish to avail the benefit of the above mentioned schemes can access the details of these schemes on the website www.dst.gov.in and www.dstpcc.andaman.gov.in. For any help in this regard, one may contact the Department of Science & Technology, Dollygunj at Mob.No.9434277937 on all working days during working hours or they may email at dstandamans@gmail.com, a press release Deptt. of Science & Technology said.

Precaution to beat the heat in Summer ... (Contd. from page 1)

clothing: Wear lightweight, loose-fitting, and light-colored clothing to help your body stay cool.

➤ Use sunscreen: Protect your skin from the sun's harmful rays by applying sunscreen with an SPF of 30 or higher.

➤ Check on others: Keep an eye on friends, family, and neighbours who may be more vulnerable to heat-related illnesses.

Don'ts:

➤ Never leave children or pets in hot cars: Never leave children or pets in a parked car, even for a few minutes.

➤ Never Exercise outdoors during peak heat hours: Avoid outdoor exercise during the hottest parts of the day, typically from 10 a.m. to 4 p.m.

➤ Avoid Drinking alcohol: Avoid drinking alcoholic beverages as they can dehydrate your body and make it harder to regulate your body temperature.

➤ Never overexert yourself: Avoid overexertion, especially during the hottest parts of the day. Take frequent breaks and rest as needed.

➤ Never ignore warning signs: Pay attention to your body and take action if you experience symptoms of heat exhaustion or heatstroke, such as dizziness, nausea, headache, or confusion. Seek medical attention immediately if necessary. (Source: Directorate of Disaster Management)

Transport Deptt. initiates process to register firms ... (Contd. from page 1)

vehicles.

Accordingly, the Ministry has amended the CMVR 1989 by inserting Rule 125H that confirms to AIS-140 Standard and the Commercial Vehicles (except 2 & 3 wheelers) are required to be fitted with VLT Device (GPS) and emergency button.

In order to implement this initiative, the Transport Department, A & N Administration is in the process of registering firms for fitment of GPS based

VLTD with panic button in the Public Service vehicles (except two & three wheeler) plying in this UT.

All the Public Service Vehicle owners (except two & three wheelers) shall comply with the Rule and get their vehicles fitted with Vehicle Location Tracking Device alongwith Panic button through any of the registered firms before the timeline as notified vide Andaman & Nicobar Gazette Notification No.17 dated 20.02.2023 which is detailed as under:-

SNo.	Category of Vehicle	Date for completion of fitment
1.	Educational Institution Buses	30.04.2023
2.	Stage Carriage	30.04.2023
3.	Contract Carriage	31.05.2023
4.	Goods Vehicle	31.05.2023

No annual fitness of the vehicle shall be granted without fitment of VLTDs after the timeline, a press release from Transport Department said.

Union Health Minister reviews Public...

(Contd. from page 1)

to 3.02% in the week ending 07th April, 2023. However, 88,503 daily average cases have been reported globally in the same time, with the top five countries contributing 62.6% of global cases in the last one week.

States/UTs were further informed that currently WHO is closely tracking one variant of interest (VOI), XBB.1.5 and six other variants are under monitoring (BQ.1, BA.2.75, CH.1.1, XBB, XBF and XBB.1.16). It was highlighted that while Omicron and its sub-lineages continue to be the predominant variant, most of the assigned variants have little or no significant transmissibility, disease severity or immune escape. The prevalence of XBB.1.16 increased from 21.6% in Feb to 35.8% in March, 2023. However, no evidence of an increase in hospitalization or mortality has been reported.

It was also informed that while India has achieved over 90% coverage of primary vaccination, the coverage of precaution dose is very low. Union Health Minister advised States/UTs to ramp up vaccination of all eligible population, especially of the elderly and vulnerable population group.

It was also observed that eight States are reporting high number of Covid cases in India with 10 or more districts reporting more than 10% positivity in Kerala, Maharashtra and Delhi and over 5 districts reporting more than 5% positivity in the States of Karnataka, Kerala, Maharashtra, Delhi, Himachal Pradesh, Tamil Nadu and Haryana. Dr Mandaviya stressed on the importance of enhancing public awareness campaigns regarding adherence to Covid Appropriate Behaviour. He requested all the State Health Ministers to personally monitor and review the preparedness of all logistics and infrastructure including availability of sufficient designated hospital beds and ensure that there is adequate stock of essential medicines. States were also asked to regularly update their COVID data on the COVID India Portal.

States/UTs were briefed on the global COVID-19 situation and the domestic scenario. They were reminded of the joint advisory issued by the Union Health Ministry and ICMR to all States on 25th March, 2023 which calls for a reinvigorated public health response to contain the surge of seasonal Influenza and Covid-19 cases through early detection, isolation, testing and timely management of suspected and confirmed cases to detect and contain outbreaks of new SARS-CoV-2 variants. Union Health Minister requested States/UTs to ensure effective implementation of the same. There was comprehensive and detailed discussion on various aspects of COVID management including ramping up of hospital infrastructure; increased testing.

Dr Bharati Pravin Pawar stressed on the importance of timely preparedness and management of COVID-19. She urged States to implement their share of ECRP-II for revamping health infrastructure on priority. She also asked States to strengthen their monitoring mechanism and be on alert in view of the rise in tourism.

States appreciated the timely review meetings chaired by the Union Health Minister and advisories from the Union Health Ministry. They assured that they will work with the Centre for effective prevention and management of COVID-19. They informed that they are maintaining vigil and are reviewing the present situation. States also assured they will hold mock drill for readiness of hospital infrastructure across both public and private health facilities on 10th and 11th April, 2023.

General public urged to use water...

(Contd. from page 1)

reschedule the supply timing to PBMC areas i.e. Ward No. 4,5,6 (part), 10,11,12,13,21, 20 (part). The details of schedule are available at PBMC website.

For any emergency drinking water supply needs, general public have been requested to contact BMC Control Room 03192-231179/245798 for water tanker. Water tanker will be supplied on payment basis as per bookings made, a press release from PBMC said.
