PM addresses National Panchayati Raj Day celebrations in Rewa

Panchayati Raj Institutions fulfill the development aspirations of the citizens while promoting the spirit of democracy: PM

Inaugurates integrated eGramSwaraj and GeM portal for public procurement at Panchayat level

Rewa, April 24 (PIB)

The Prime Minister, Shri Narendra Modi addressed the National Panchayati Raj Day in Rewa, Madhya Pradesh today. He also laid the foundation stone and dedicated to the nation, projects worth around Rs. 17,000 crores. Addressing the gathering, the Prime Minister started his speech by bowing to Maa Vidhyawasini and to the land of bravery. He recalled his visits earlier and the affection of the people here. The Prime Minister noted the virtual presence of more than 30 lakh Panchayat representatives from all over the country and said that it presents a bold picture of Indian democracy. He pointed out that the scope of work for each one present here might be different but everyone works for the

common goal of serving the citizens through serving the country. The Prime Minister expressed happiness that the Panchayats are implementing the Government's schemes for Gaoon aur Gareeb - villages and the poor, with full dedication.

Referring to eGramSwaraj and GeM portal for public procurement at the Panchayat level, the Prime Minister said that it will ease the working of the Panchayats. He also mentioned the distribution of 35 lakh SVAMITVA Property Cards and projects worth Rs. 17000 crores regarding railways, housing, water and employment for the development of Madhya Pradesh.

In the Amrit Kaal of Independence, the Prime Minister said, every citizen is working towards

fulfilling the dream of a developed India with utmost dedication. He highlighted the importance of developing the social system, economy and Panchayati Raj system in the villages of India in order to create a developed nation and pointed out that the present Government is working tirelessly to create a robust system in place and expanding its scope. The present Government constructed more than 30,000 Panchayat Bhawans in the last 8 years, he said. He also informed that less than 70 Gram Panchayats were connected with optical fiber compared to more than 2 lakh Gram Panchayats that got optical fiber connectivity after the present Government came to power.

Recalling the words of Mahatma Gandhi that 'India lives in its villages', the

Prime Minister said that today, Panchayats are coming up as the life force of India's development. "Gram Panchayat Vikas Yojana is helping Panchayats to work effectively", Shri Modi added.

The Prime Minister said that the Government is working ceaselessly to bridge the gap between villages and cities. Panchayats are being made smart in this age of the digital revolution. Technology is being harnessed in the projects being undertaken by the Panchayats. The Prime Minister gave the example of Amrit Sarovar where issues like the selection of sites and completion of the project are being done with the help of technology. He said the GeM portal for public procurement at the Panchayat level will make procurement by the Panchayats easy and transparent. Local cottage industry will find a strong avenue for their sales, the Prime Minister said.

The Prime Minister talked about the benefit of technology in the PM Svamitva scheme. He informed that the scheme is changing the scene of property rights in villages and reducing disputes and litigation. The use of drone technology is ensuring property documents for the people without any discrimination. He informed that work of Property Card is completed in 75 thousand villages of the country. He praised the Madhya Pradesh Government for good work in this direction.

Highlighting that the cost of every house constructed under PM Awas Yojana is more than 1 lakh, the Prime Minister said that the Government has transformed the lives of crores of women from the country by making them 'Lakshpati Didi' (millionaires). He informed that more than 4 lakh families have performed Grih Pravesh in pucca houses today and congratulated the sisters who have now become homeowners.

The Prime Minister also touched upon the PM Saubhagya Yojana and informed that out of the 2.5 crore houses that received electricity, most of the houses belonged to the rural areas and the Har Ghar Jal Yojana that resulted in tapped water connections to more than 9 crore rural households. He pointed out that approximately 60 lakh houses in Madhya Pradesh now have tapped water connections compared to 13 lakhs previously.

Throwing light on the Jan Dhan Yojana, the Prime Minister informed that bank accounts were opened for more than 40 crore residents from villages, and the reach of banks was widened through India Post Payments Bank via India Post Office. He also gave the example of Bank Mitras and trained Bank Sakhis that are helping the people of the villages in everything, be it farming or business.

conference hall of DC Office, South Andaman. The programme was also attended by Shri Aditya Kumar Asthana, Director (RD/Panchayat).

During the function, the Secretary presented the Appreciation Letter received from Shri Sunil Kumar, IAS, Secretary, Ministry of Panchayati Raj, GoI, New Delhi to the Pradhans of top 3 State/UT Level Awardee, Gram Panchayats of South Andaman District. The Appreciation Letters were received by the Pradhans of Awardee Gram Panchayats.

Speaking on the occasion, the Secretary (RD/Panchayat) congratulated all the Elected Representatives of PRIs on the auspicious occasion of National Panchayati Raj Day and also commended the works taken up by the awardee Gram Panchayats. She expressed her gratitude towards GP Laxmi Nagar for making the Islands shine at the National level by securing 2nd position competing with other Gram Panchayats across the country. She further added that despite facing so much challenges and being so far away from the mainland, the GP being awarded for Self-Sufficient Infrastructure is really commendable. She also motivated other Gram Panchayats so that they could also compete and get awarded in the coming years.

In the earlier part of the programme, Shri Mohammed Yunus M, State Nodal Officer (Panchayat Awards) welcomed the gathering and briefly outlined the importance of observance of National Panchayati Raj Diwas. He informed that all the 70 Gram Panchayats in the UT filed 100 percent online nominations and participated actively in the selection process. He informed that GP-Laxminagar has been selected one amongst the top 27 Gram Panchayats across the country and is also awarded an award money of Rs. 75 Lakhs. A video documentation of GP-Laxminagar was also showcased during the event. Similar felicitation function is also scheduled in the North & Middle Andaman and Nicobar District, a press release from DC(SA) said.

PBMC appeals to consumers of Port Blair to
conserve & restrict wastage of water

Port Blair, April 24

PBMC supplies drinking water to municipal areas. Due to poor monsoon and excessive heat, there is acute shortage of water supply from PWD to PBMC. Rains are not expected any time soon. Water is a precious natural resource and cannot be wasted. The public have been advised to use water carefully and avoid any type of wastage of water.

Overflow of storage tanks should be avoided at all costs. Consumers have been asked to fix leaking pipes and install float valves in water tanks to avoid overflow. Govt. Offices, public establishments and other major consumers of water have been asked to take precautionary measures to preserve water.

PBMC is closely monitoring all tap connections and storage facilities and in case of wastage of water, strict action is being taken such as disconnection of water tap connection. Teams constituted by PBMC are constantly monitoring and keeping vigil on water wastage. PBMC Control Room 03192-231179/03192-245798, a press release from PBMC said.

Painting competition organized by Fisheries
Deptt. as part of 'World Earth Day' observance

Port Blair, April 24

The Department of Fisheries organized a painting competition on the occasion of World Earth Day at the Fisheries Museum -cum- Aquarium on April 22, 2023. The students did painting inside the Fisheries Museum -cum- Aquarium where they were surrounded by live marine fishes. The students enjoyed painting inside the aquarium as they were also painting on themes related to fishes and their surroundings.

The competition was conducted for the school students of Class I to VIII. The aim of this initiative was to create awareness among the students to protect the planet, environment, and resources and to adopt a sustainable way of living. The Director of Fisheries, Shri Vikram Singh

briefed the students about the importance of the day and also encouraged everyone to commit to environmental protection and be a part of the global movement dedicated to saving the planet.

The special painting drive was organized for fishermen's children wherein 46 such children participated. Around 366 enthusiastic students from different Schools of South Andaman District also participated in the event. The event was conducted in two categories - junior category and senior category. The theme for the junior category

was 'Fish around me' and for the senior category 'Life Underwater'.

The students from various schools expressed their creativity through their diverse drawings and paintings based on the themes. The children of the fishermen community who actively participated in this competition, stood out with their innovative ideas on the themes with respect to their day to day life. The best 5 paintings from each category were given certificates and prizes, a press release from Directorate of Fisheries said.

APRIL 27th & 28th

OBSERVANCE OF WORLD MALARIA DAY ON 25TH APRIL 2023.

"TIME TO DELIVER ZERO MALARIA: INVEST, INNOVATE, IMPLEMENT"

MALARIA मलेरिया

Malaria is a communicable disease caused by a parasite. Malaria may cause anemia and jaundice. In certain cases, if not treated promptly, it may cause kidney failure, coma and death.

मलेरिया एक संचारी रोग है जो पारजीवी के संक्रमण से होता है। मलेरिया के कारण अल्पकाल में पीलिया भी हो सकता है। यदि इसका नुस्खे इलाज न किया जाये तो गुर्दे विकल, संयुधों व मृत्यु भी हो सकती है।

Parasite परजीवी

Plasmodium प्लाज्मोडियम

The Carrier वाहक

Female Anopheles Mosquito मादा एनोफेलीज़ मच्छर

Life Cycle of Malaria Parasite मलेरिया परजीवी का जीवन चक्र

1. An infected female anopheles mosquito bites a human. 1. मादा मच्छर एनोफेलीज़ मच्छर व्यक्ति को काटता है।
2. The parasites enter liver cell. 2. परजीवी क्लब कोशिका में प्रवेश करते हैं।
3. The parasites multiply. 3. परजीवी बढ़ने लगते हैं।
4. They pass into the bloodstream. 4. परजीवी रक्त प्रवाह में प्रवेश करते हैं।
5. The parasites enter red blood cell and multiply until the blood cell explodes. The parasites then infect other RBCs. 5. परजीवी लाल रक्त कोशिका में प्रवेश करते हैं जहाँ तक संभव हो सके तो वे जल्द ही उस रक्त कोशिका को फट न जाते और नए परजीवी दूसरी लाल रक्त कोशिकाओं को संक्रमित करते हैं।
6. Some parasites become gametocytes and are injected into another female anopheles mosquito when it bites the infected human. This mosquito then becomes the carrier of malarial parasite. 6. कुछ परजीवी गैमेटोसाइट बन जाते हैं और नए मादा एनोफेलीज़ मच्छर को संक्रमित करते हैं जो नए परजीवी को वाहक बन जाता है।

Symptoms लक्षण

Nausea & vomiting भूख न होना व उल्टियाँ
Sweating & high fever पसीना व तेज बुखार
Fatigue & body ache थकान व शरीर दर्द
Shivering chills कंपकंपी व ठंडक लगना

Diagnosis & Treatment रोग निदान व उपचार

Blood test रक्त जाँच
Take medicines on time समय पर दवाइयों का सेवन करें
Blood transfusion (in severe cases) गंभीर मामलों में खून चढ़ाना

Prevention रोकथाम

Sleep under mosquito nets मच्छरदानी लगाकर सोयें।
Spray insecticides and use mosquito repellents कीटनाशक छिड़कें और मच्छरनाशक का उपयोग करें तथा मच्छर भगाने वाले परजों का प्रयोग करें।
Do not allow water to stagnate and keep the surroundings clean. Keep the water tanks covered. अपने अलग-थलग जगहों पर जल जमाव न होने दें। पानी की टैंकों को ढक्कन ढक कर रखें।
