VP addresses National Conclave on Mann Ki Baat @100 Describes Prime Minister, Shri Narendra Modi's monthly radio prog. 'Mann Ki Baat' as beacon of positivity to nation which touches the heart of every citizen

New Delhi, April 26 Vice President, Shri Jagdeep Dhankhar has described Prime Minister, Shri Narendra Modi's monthly radio programme Mann Ki Baat as the beacon of positivity to the nation which touches the heart of every citizen of the country. The Vice President said, as the 'Mann Ki Baat' programme completes its 100th episode, it will be the foundation to 'India @ 100'. He said, India will be at the top of the world when it will celebrate its Centenary Celebrations in 2047. Shri Dhankhar stated this while addressing the National Conclave on Mann Ki Baat @100 in New Delhi today.

Terming the programme as the bouquet of diversity, he added that at a time one is involved in politics round the clock, this programme on All India Radio is non-political. He also credited the program for giving recognition and brand value to local art and artisans, and for generating a market space for them. Vice President, Shri Dhankhar said the monthly programme in its journey has covered a range of issues. He said, the programme is the reflection of civilizational ethos. The Vice President also said it reaches every corner of the country and has given new life to radio. Shri Dhankhar highlighted how the Prime Minister covers different issues from several parts of the country in this programme.

Listing a series of measures taken by the Government for the welfare of the people, Shri Dhankhar said, India has become the fifth largest economy, surpassing the UK which had ruled the country for 200 years. He expressed confidence that the country will soon

6th Edition of One Earth One Health - Advantage Healthcare India 2023 inaugurated

India's vision for health was universal even when there were no global pandemics: PM

India's goal is physical, mental and social well-being

New Delhi, April 26 (PIB)

The Prime Minister, Shri Narendra Modi inaugurated and addressed One Earth One Health - Advantage Healthcare India - 2023 at Pragati Maidan in New Delhi via video conferencing today. Addressing the gathering, the Prime Minister extended a warm welcome to the Health Ministers from across the world, and delegates from West Asia, SAARC, ASEAN and the African regions. Quoting an Indian scripture that translates to 'May everyone be happy, may everyone be free of diseases, may good things happen to everyone, and may no one suffer from sadness', the Prime Minister highlighted the nation's inclusive vision and mentioned that India's vision for health was universal even when there

there were no global pandemics thousands of years ago. He underlined that One Earth One Health follows the same set of beliefs and is an example of the same thought in action. "Our vision is not restricted to just humans. It extends to our whole ecosystem. From plants to animals, from soil to rivers, when everything around us is

healthy, we can be healthy", the Prime Minister said.

Referring to the popular notion that lack of illness is the same as good health, the Prime Minister emphasized that India's view of health does not stop just at lack of illness and the goal focuses on wellness and welfare for everyone. "Our goal is physical, mental and social well-being", he added.

Throwing light on India's journey of the G20 Presidency with the theme 'One Earth, One Family, One Future', the Prime Minister realized the importance of resilient global healthcare systems in fulfilling this vision. He said that medical value travel and health workforce mobility are important factors for a healthy planet and 'One Earth, One Health -

Earthquake Safety Tips

Andaman and Nicobar Islands are located in a seismically active part of the world (Zone -V) and earthquakes occurs in this regions regularly. Therefore, it is essential to strengthen the preparedness level of A&N Islands to cope with earthquakes.

In this regard, Dr. Nitin Shakya, Director (Disaster Management), A&N Administration has urged the residents of this UT to follow necessary precautionary measures to minimize the impact of earthquake, if it occurs and follow the Do's & Don'ts on Earthquake to save precious lives and property.

BEFORE EARTHQUAKE

- Consult a structural engineer to make your house earthquake resilient.
- Preserve the design and layout drawings of your house for future reference.
- Fasten shelves securely to walls; place heavy/ large objects on lower shelves.
- Provide strong support to power and gas appliances.
- Prepare an emergency kit with essential items for safety and survival.
- Develop an emergency communication and evacuation plan for your family and community.
- Learn the technique of 'Duck-Cover-Hold'.
- Educate yourself and family members about earthquake risk by participating in earthquake safety programmes.

DURING EARTHQUAKE

- Stay calm Do Not Panic. If you're indoor, stay inside. If you're outdoor, stay outside.
- Don't use matches, candles or any flame. Don't mix broken gas lines and fire.
- If you're in a car, stop the car and stay inside until the earthquake stops.
- Duck under a table; cover your head with one hand and hold the table till the tremors last.
- Stay away from mirrors and windows. Do not exit the building while the earth is still shaking.
- Move outside as soon as the tremors stop. Do not use a lift.
- When outside, move away from buildings, trees, walls and poles/electric lines.
- When inside a vehicle, pull over in an open place and remain inside, avoid bridges.
- When in a structurally safe building, stay inside until the shaking stops.
- Protect yourself by staying in the corner/ under a strong table or bed/ be away from mirrors and windows.
- If near an exit, leave the building as soon as possible.
- If inside an old and weak structure, take the fastest and safest way out.

AFTER EARTHQUAKE

- Do not enter damaged buildings.
- If trapped in rubble:
 - Do not light a matchstick
 - Cover your mouth with a cloth.
 - Tap on a pipe or a wall.
 - Sound a whistle.
- Shout only as a last resort. This will help you conserve energy.
- Use stairs and not lifts or elevators.
- Move cautiously and check for unstable objects and other hazards above and around you. Check yourself for injuries.
- Anticipate aftershocks, especially after a major earthquake.
- Stay away from beaches. Tsunamis and beaches sometimes hit after the ground has stopped shaking.
- Do not spread and/ or believe in rumours.
- Leave a message stating where you are going if you must evacuate your house.
- Do not drive around the damaged areas as rescue and relief operations need roads for mobility.
- Do not attempt to cross bridges/flyovers, which may have been damaged.

"Be aware, Be Prepared, Be Safe"

India's vision for health was universal ... (Contd. from page 1)

Advantage Healthcare India 2023' is a significant effort in this direction. The Prime Minister underlined that today's occasion resonates with India's G20 presidency theme which is witnessing participation from numerous countries. Highlighting the Indian philosophy of 'Vasudhaiva Kutumbakam' which means the world is one family, the Prime Minister expressed delight at the presence of stakeholders from public and private sectors as well as professional and academic domains.

Underlining India's strength when it comes to holistic healthcare, the Prime Minister acknowledged India's talent, technology, track record and tradition. He further elaborated that the world has witnessed the impact of Indian doctors, nurses and caregivers and they are widely respected for their competence and commitment and talent. He stated that many healthcare systems across the world have benefited from the talent of Indian professionals. "India has tremendous diversity in culture, climate and social dynamics", the Prime Minister remarked as he noted the training and diverse experiences of healthcare professionals in India. He further added that Indian healthcare talent has won the world's trust due to their exceptional skills that can meet the needs of different situations.

Shedding light on the once-in-a-century pandemic that reminded the world of a number of truths, the Prime Minister said that borders cannot stop health threats in a deeply connected world. He also pointed out that the countries in the Global South faced various difficulties and hardships including the denial of resources. "True progress is people-centric. No matter how many advances are made in medical science, access must be assured to the last person at the last mile", Shri Modi underlined as he observed the need of many nations for a trusted partner in the healthcare domain. The Prime Minister said that India is proud to have been a partner to many nations in the noble mission of saving lives through vaccines and medicines gave examples of Made-In-India vaccines, the world's largest and fastest Covid-19 vaccination drive, and shipping 300 million doses of COVID-19 vaccines to over 100 countries. Shri Modi reiterated that it showed a glimpse of India's capability and commitment and the nation will continue to be a trusted friend to every nation that seeks good health for its citizens.
