MESSAGE

Fourth of December is celebrated every year as the Navy Day. This Day has great significance in the history of the Indian Navy as it marks the decisive victory in Operation Trident, wherein ships of the Indian Navy played a pivotal role towards India winning the 1971 Indo-Pak war.

In the year gone by, ships and aircraft of the Naval Component of Andaman and Nicobar Command have maintained sustained presence across areas of interest through Mission Based Deployments along with precise delivery of ordnance on target. Maintenance and logistics infrastructure has also kept pace, to sustain the enhanced tempo of deployments. I am pleased to note that naval assets continue to maintain uninterrupted vigil in ANC AOR including vital choke points, straits and Islands.

The Indian Navy has always responded swiftly and effectively towards safeguarding the nation's maritime frontiers besides providing humanitarian assistance as and when required. On the special occasion of Navy Day 2022, I extend my sincere greetings to all Naval personnel, veterans, non-combatants, DSC personnel, defence civilians, their families and wish them continued success in future endeavours.
