**Change in Pre-Matric Scholarship...** *(Contd. from page 1)*

Central share for 2022-23 under pre-matric scholarship for SC will be released only after receiving the verified data from the respective State Govt./UTs. Pre-Matric OBC Scheme is being implemented through the respective State Governments/ UTs. Every financial year, funds are allocated to all States/UTs from the overall annual outlay of the Scheme.

The enrolment of class I to VIII in Government schools has increased in the last 3 years by about 1 crore. Further, to incentivize children from these communities to attend school, the Government is providing free education, free uniform, free meal etc. under different programmes/ schemes like Samagra Shiksha Abhiyan, PM Poshan, etc.

Earlier, the students from Economically Weaker Sections were not provided Pre-Matric scholarship but in the revised scheme they are also being considered for Pre-Matric scholarship for classes IX and X.

Under the Right to Education (RTE) Act, 2009, the Government is committed to provide free and compulsory elementary education (Classes I to VIII) to each and every child. Under the centrally sponsored scheme- Samagra Shiksha, financial assistance is provided to States and UTs for undertaking various activities for universalization of education, including opening/strengthening of new schools upto senior secondary level, construction of school buildings & additional classrooms, setting up and running of Netaji Subhash Chandra Bose Avasiya Vidyalyayas, provision of free uniforms, free text books to the eligible students at elementary level, transport allowance and undertaking enrolment & retention drives. Further, special training for age appropriate admission of out of school children and residential as well as non-residential training for older children, seasonal hostels/residential camps, special training centers at worksites, are also supported to bring out of school children to the formal schooling system. There is also increase in the enrolment of students in class I to VIII in the last 3 years by about 1 crore.

From the year 2022-23, pre-matric scholarship scheme is available for students only in Class 9 and 10. This information was given by Minister of State for Social Justice and Empowerment, Dr. Virendra Kumar in a written reply in the Lok Sabha today.

**CIARI conducts hands on training & distribution of inputs to augment production & management of livestock in Little Andaman**

Port Blair, Dec. 20

A three-days training programme titled 'Training-cum-Field Day on Scientific Livestock Management' was organized by ICAR-Central Island Agricultural Research Institute at Harminder Bay village, Little Andaman recently. The training was organized by the Scientists of Division of Animal Science of ICAR-CIARI viz. Dr. K. Muniswamy, Dr. P. Perumal, Dr. Arun Kumar De and Dr. P.A. Bala along with Dr. Ashish Kumar, Senior Veterinary Officer, Department of Animal Husbandry & Veterinary Services, Hut Bay.

A total of 80 tribal farmers rearing different livestock species participated in the training. Captain, Shri Andrew Mosses

and the Secretary, Shri Festus of Harminder Bay graced the occasion. They translated the gist of the programme in their native language and encouraged the participants to interact with the Scientists. Dr. A. K. De and Dr. P. Perumal explained about scientific management of pigs and bovines while Dr. K. Muniswamy explained about the scientific rearing of backyard chicken farming. A visit to the farmer's field and collection of biological samples was held later in the day. Dr. P.A. Bala

strategies to feed different livestock with local feed ingredients while Dr. P. Perumal explained about sustainable goat farming. A demonstration on deworming procedure for various livestock species with anthelmintics was also done. The training programme concluded with distribution of inputs like pig feed (concentrate mixture), feed supplements and health tonics after explaining them about the use of these inputs, a press release from CIARI said.

the area and a large number of general public were present.

Addressing the gathering, the Member of Parliament, Shri Kuldeep Rai Sharma said that there was a demand for making availability of safe drinking water for the commuters in these locations. Now, with the installation of these Water ATMs, these will be of great use to the people visiting these areas. He also requested the Secretary, PBMC and Executive Engineer (Water) PBMC present in the functions that PBMC need to ensure proper upkeep and maintenance of these assets created out of public fund, so that the basic objective for providing safe drinking water to the general public would be fulfilled.

Both the works were carried out by the Port Blair Municipal Council, the Executing Agency of MPLADS work. With this, the long pending demand of the general public for having safe drinking water facilities at both the locations have been fulfilled, a press release from MP Office said.

for collection of premium from farmers.

- Yield data harvest within 20 days from final harvest.
- Cutoff date for Processing, Approval and Payment of Final Claims based on yield data is three weeks from receipt of yield data.
- Normal sowing & harvesting period of crops under Rabi- 2022-23 season is Sowing from 1<sup>st</sup> October- 15<sup>th</sup> January and Harvesting from 15<sup>th</sup> January - 15<sup>th</sup> April.

All farmers (loanee or non-loanee) enrolled under PMFBY will have to pay maximum 1.5% of sum insured or actuarial premium rate whichever is lower for Pulses and also 5% of sum insured or actuarial premium rate whichever is lower for horticulture crops for all vegetables under Rabi- 2022-23 season. The difference between actuarial premium rate and the rate of insurance charges payable by farmer shall be treated as rate of normal premium subsidy, which shall be shared equally by the State Government and Central Government in the ratio of 50:50. (As per revised operational guidelines of PMFBY, farmer's premium share will be 1.5 % & 5% for Rabi- 2022-23 seasons. As decided by SLCCCI of A&N Islands in its meeting held on 11.04.2022, the farmers will pay the premium rates only @ 0.5% of the Sum insured for all the notified crops for their enrollment under PMFBY which will be collected by the Nodal banks of these Islands and the remaining premium share amount out of 1.5 % & 5% (i.e. 1.0 % & 4.5% of Farmer's premium) will be borne by this UT. Similarly, as the maximum farmers premium by default is 1.5% out of premium rate 5% of SI for Pulses and the farmers' premium to be borne by the farmers is 0.5%, so the U.T A & N Administration have to bear the balance 1%. Hence, the Central shares of the subsidy will be 1.75% ((5-1.5)/2), State shares of subsidy will be 2.75% (1.75+1) and also 5% out of premium rate 15% of SI for all vegetables and the farmers' premium to be borne by the farmers is 0.5%, so the U.T A & N Administration have to bear the balance 4.5%. Therefore, the Central shares of the subsidy will be 5% ((15-5)/2), State shares of subsidy will be 9.5% (5+4.5), a press release from Nodal Officer (PMFBY), Directorate of Agriculture said.
