## Budget Session of Parliament begins with President's address to joint sittings of both Houses

### President lauds work done by Modi Govt in last ten years

New Delhi, Jan. 31  
President Smti Droupadi Murmu has asserted that the grand edifice of a developed India will stand on four strong pillars of youth power, women power, farmers and the poor. She said their situation and dreams are similar in every part and every section of society in the country and her government has spent a significant portion of the tax revenues to empower these pillars. Addressing the joint sitting of both the Houses of Parliament today, she said, India has seen completion of many such works in national interest in the last ten years for which

people were waiting for decades. The President highlighted the construction of Ram Temple in Ayodhya saying people were hopeful for it for centuries and that dream has been fulfilled now. She also listed the abrogation of Article 370 from Jammu

and Kashmir, banning triple talaq and other measures taken by the government in the last ten years. President Smti Murmu said the achievements that people are seeing today are the extension of the practices of the last ten years. She added that

slogan of 'Garibi Hatao' for a long time and today, for the first time the country is witnessing that poverty is being alleviated on a large scale. She informed that in the last one decade about 25 crore countrymen have been lifted out of poverty which is

something that instills great confidence among the poor.

The President also observed that the last year was full of accomplishments for India as the country became the fastest-growing economy as well as the first nation to reach the south pole of the Moon. She added that the successful G20 Summit hosted by India strengthened the role of the country in the world. The President said, India got its first Nammo Bharat train and the first Amrit Bharat train last

## MESSAGE

On the 48th Raising Day of the Indian Coast Guard, I am delighted to extend heartfelt greetings and congratulations to all members and families within the Coast Guard community.

Over the years, the Indian Coast Guard has transformed into a formidable maritime entity, serving as a reliable ally for the local communities in these pristine Islands.

The Indian Coast Guard plays a crucial role in enhancing the safety and security of the Andaman and Nicobar Islands, contributing significantly to anti-poaching and surveillance efforts on remote islands. Collaborative efforts between the Indian Coast Guard, Police and Forest personnel have been undertaken through Joint Coastal Patrol Sorties. Additionally, the numerous community interaction programme undertaken by Indian Coast Guard have positively impacted fishermen's perception regarding safety of life at sea.

I extend my sincere greetings and congratulations to all the dedicated Officers and personnel of the Indian Coast Guard, wishing them success in all their future endeavors.

## Indian Coast Guard celebrating its 48<sup>th</sup> Raising Day today

Port Blair, Jan. 31  
The Indian Coast Guard (ICG) is celebrating its 48th 'Raising Day' tomorrow (Feb.1). From a modest beginning with just 7 surface platforms in 1978, ICG has grown into a formidable force with 152 ships and 78 aircraft in its inventory. ICG is now considered to be one of renowned Coast Guards in the world due to its achievements and for the efficiency with

which it operates its assets in a challenging environment, thereby ensuring round the clock safety and security. True to its motto "Vayam Rakshamah" meaning "We Protect", the service has to its credit, saving over 11,554 lives since its inception in 1977 and 200 lives in the year 2023, which translates into saving one precious life every second day. Taking forward the

## GREETINGS

I extend warm greetings to all Coast Guard personnel on the occasion of 48th Raising Day of the Indian Coast Guard. The Indian Coast Guard, established on February 1, 1977, has been a beacon of professionalism, safeguarding our coasts and ensuring maritime security.

Over the years, the Coast Guard has played a crucial role in maintaining the safety of fishermen, mariners, and our extensive coastline. The dedication and valour exhibited by the Coast Guard personnel in facing maritime challenges have been commendable.

As the Member of Parliament representing Andaman and Nicobar Islands, where the sea surrounds us, I want to express my heartfelt appreciation for the indispensable contribution of the Indian Coast Guard Officers, Jawans and all Civilian Staff. Your commitment to excellence and remarkable dedication in discharging duties is truly commendable.

Best wishes to the Indian Coast Guard for their continued success in future endeavours.

year and it became the country with the fastest 5G rollout in the world.

Highlighting legislative achievements of the government, the President lauded enactment of the Nari Shakti Vandan Adhiniyam after a wait of three decades which has paved the way for ensuring greater participation of women in the Lok Sabha and the state legislative assemblies. She said the nation has got a new Nyaya Sanhita based on the principle of Justice First while the Digital Personal Data Protection Act will make the digital space more secure. Touching upon the agriculture sector, the President said the government is laying stress on making farming more profitable and the aim is to reduce the cost of farming while increasing profits. She added for the first time, the government has given priority to over ten crore small farmers in the country's agricultural policy and schemes.

Talking about the Indian economy, the President said India has transformed from a fragile five to a top five economy of the world. She said the world witnessed two major conflicts and COVID-19 pandemic in the past years and despite such global crises, the government has kept inflation under control. She said, Make in India and Aatmanirbhar Bharat have become the strengths of the country. She added that India's exports have increased from about 450 billion dollars to more than 775 billion dollars and the number of people filing Income Tax Return has increased from around 3.25 crores to about 8.25 crores. She also said, Capex has increased five times to ten lakh crore rupees in ten years and the fiscal deficit is also under control. The President also said the country's banking system, which was in a very bad shape earlier, has today become one of the strongest banking systems in the world and NPAs are today around only four percent.

The President said, in 2014-15, nearly two thousand EVs were sold in the country and by December 2023, nearly 15 lakhs have been sold. She said, in the last 10 years, the government has made good governance and transparency the basis of every system and this is the reason why the nation has seen several economic developments. She said, Digital India has made life easier for people and the MSME sector has benefited due to reforms. President Smti Murmu said, India is very close to full electrification of Railways. She elaborated that around 3.75 lakh kilometers of new roads have been built in the villages while the length of National Highways has increased from 90 thousand kilometers to one lakh 46 thousand kilometres in the last ten years. The President also lauded defence production crossing the one lakh crore rupees mark.

The President said, Government is building modern infrastructure on the borders. She said, Indian Armed Forces are giving befitting reply to terrorism. President Smti Murmu said, the meaningful results of the government's efforts for internal peace are in front of the people. She said, there is an atmosphere of security and safety in Jammu and Kashmir and there has been a huge drop in incidents of naxal violence in the country.

She added that government has implemented One Rank One Pension, which was awaited for four decades. After implementation of OROP, the ex-servicemen have by now received around one lakh crore rupees.

Underlining that the government is focussed on human-centric development, President Smti Murmu asserted that the dignity of every citizen is paramount for the Centre. This is the idea of social justice and the spirit of every article of the Constitution of India. The President said, her Government has also taken care of those who were far away from development, so far. She said, in the last 10 years, electricity and road connectivity reached for the first time in thousands of tribal

villages. President Smti Murmu said, lakhs of tribal families have started getting clean water through pipelines. She said, under a special drive, the government is taking 4G internet connectivity to thousands of tribal-dominated villages. The President said, in tribal families, several generations have suffered from sickle cell anaemia and for the first time, a national mission has been started for this. She said, around 1.40 crore have had checkups under this, so far.

Reiterating the mantra of "Sabka Saath, Sabka Vikas, Sabka Vishwas and Sabka Prayas", she said the government is committed to provide fair opportunities to every section of the society. She said for the first time, the benefit of reservation has been extended to persons belonging to economically weaker sections of the general category and the Constitutional status has been granted to the National Commission for Backward Classes. She added that 5 places associated with Baba Saheb Ambedkar have been developed as Panchteerth while ten museums dedicated to tribal freedom fighters are being built across the country.

Saying that the government is continuously taking new initiatives for the education and skill development of India's youth, she added that a new National Education Policy was framed and is being implemented rapidly. The President also said that the centre is working on more than 14 thousand 'PM Shri Vidyalayas' to provide quality education to school students.

President Smti Murmu also said there were seven AIIMS and less than 390 medical colleges in the country upto 2014, while, in the last decade 16 AIIMS and 315 medical colleges have been established.

Talking about India's foreign policy, the President said even in this era of global disputes and conflicts, her government has firmly placed India's interests before the world. She added that the scope of India's foreign policy today has gone far beyond the constraints of the past. She also said today India is a respected member of many global organizations and it is a leading voice in the world against terrorism.

The President said, this is her first address in the new Parliament building. She said, the grand building has been built at the beginning of the Amrit Kaal and it has the fragrance of Ek Bharat, Shreshth Bharat. She expressed confidence that there will be meaningful conversation on policies in this new building. A copy of the President's address to the joint sitting of both the Houses of Parliament has been tabled in the Lok Sabha and Rajya Sabha. Later the two houses were adjourned for the day.

Earlier, in the Rajya Sabha nominated member Shri Satnam Singh Sandhu and Ms Swati Maliwal and Shri Narain Das Gupta of Aam Aadmi Party took oath. Rajya Sabha Chairman Shri Jagdeep Dhankhar announced the revocation of the suspension of 11 opposition members who were suspended in the winter session for their unruly behaviour. However, the Privileges Committee of the Upper House had found these MPs guilty of breach of privilege and contempt of the Council of States, but the Chairman revoked their suspension treating their suspension period as punishment. Explosive materials seized in connection with PS CCS case successfully disposed off

Port Blair, Jan. 31  
On Jan. 27, 2024, a significant milestone was achieved in the disposal of explosive materials related to the cases of PS CCS. A total of around 3000 electric detonators, 2000 Gelatine sticks, and one bundle of connecting lining wire were successfully disposed off at the Brookshabad dumping area. This operation was conducted in the presence of Deputy Controller of Explosives, Kolkata, following the necessary disposal order from the Hon'ble Court.

This disposal marks the conclusion of explosive material seized in six different cases handled by PS CCS. The entire operation was executed with utmost precision and adherence to legal procedures, ensuring public safety and compliance with regulatory standards.

The disposal event signifies the dedication and collaborative efforts of law enforcement agencies, the Hon'ble Court, and the Deputy Controller of Explosives in ensuring the safe and lawful disposal of seized explosive materials, a press release from SP (CID) said.

Online Waste tyre EPR Portal developed by CPCB for registration of Producers, Recyclers and Retreaders of Waste Tyre

Port Blair, Jan. 31  
Ministry of Environment, Forest and Climate Change (MoEF&CC) vide notification no G.S.R.593(E) dated July 21, 2022 has notified the Hazardous and Other Wastes (Management & Trans boundary Movement) Amendment Rules, 2022 for effective utilization and management of Waste tyres through the Extended Producer Responsibility (EPR) regime as per guideline given at Schedule-IX of the Amended Rules.

An online Waste tyre EPR Portal has been developed by Central Pollution Control Board for registration of Producers, Recyclers and Retreaders as defined under the said rules.

> Producer: 'Producer' means any person or entity who, - (i) manufactures and sells new tyre domestically; or (ii) sells domestically under its own brand, new tyre manufactured by other manufacturers or suppliers; or (iii) sells imported new tyre; or (iv) imports vehicles fitted with new tyres; or (v) automobile manufacturers importing new tyre for use in new vehicles sold domestically; or (vi) imports waste tyre; > Recycler: '-Recycler' means any person or entity engaged in the process of recycling;

> Retreading: - 'Retreading' means process of renewal of tread and side wall rubber of a worn out tyre having a good structural quality; These entities are not allowed to carry out Business without EPR registration and the portal is presently registering Producers and Recyclers of Waste Tyre.

The Registration in EPR portal is made on the basis of valid Consent to Operate (CTO) issued under the Water & Air Act by the State Pollution Control Board/ Pollution Control Committee. Hence, Tyre waste Producer/Recycler/Retreading units in Andaman and Nicobar Islands have been requested to apply for the following statutory requirements from Andaman Pollution Control Committee as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 within 20 days for getting themselves registered in centralized EPR portal:

> Consent to Establish/ Operate under Section 25 and 26 of the Water (Prevention & Control of

Pollution) Act, 1974 as amended from time to time.

> Consent to Establish/ Operate under Section 21 of the Air (Prevention & Control of Pollution) Act 1981 as amended from time to time.

> Authorisation under Hazardous Waste Management Rules 2016.

Application for Consent may be filed through Online Consent Management and Monitoring System (OCMMS) developed by ANPCC. (Link- www.anocmms.nic.in).

Hazardous and Other Wastes (Management & Trans boundary Movement) Amendment Rules, 2022 is available in the following link: https://cpcb.nic.in/uploads/hwmd/HOWM-Sixth-Amendment-Rules-2022.pdf
