Profile of Hon'ble President

Smt. Droupadi Murmu was sworn in as the 15th President of India on 25 July, 2022. Previously, she was the Governor of Jharkhand from 2015 to 2021. She has devoted her life to empowering the downtrodden and the marginalised sections and deepening the democratic values.

Early Life and Education

Born in a Santhali tribal family on 20 June, 1958 at Uparbada village, Mayurbhanj, Odisha, Smt. Murmu's early life was marked by hardships and struggle. On completion of primary education from the village school, she went to Bhubaneswar on her own initiative to continue her studies. She earned the degree of Bachelor of Arts from Ramadevi Women's College, Bhubaneswar and became the first woman from her village to receive college education.

Professional Career

From 1979 to 1983, Smt. Murmu served as a Junior Assistant in the Irrigation and Power Department, Government of Odisha. Later, she served as an honorary teacher at Sri Aurobindo Integral Education Centre, Rairangpur, from 1994 to 1997.

Public Life

In 2000, Smt. Murmu was elected from the Rairangpur constituency as a Member of the Legislative Assembly of Odisha and continued to hold the post till 2009, serving two terms. During this period, she served as Minister of State (Independent Charge), Department of Commerce and Transport in the Government of Odisha from March 6, 2000 to August 6, 2002 and as Minister of State (Independent Charge), Department of Fisheries and Animal Resources Development, Government of Odisha from August 6, 2002 to May 16, 2004. In both assignments, she introduced innovative initiatives and people-oriented measures.

She was also appointed a Member of various Committees including House Committees and Standing Committees of the Odisha Legislative Assembly. She also chaired some of the Committees.

With her rich administrative experience and thanks to her efforts to spread education in tribal societies, she carved a special identity for herself. For her services as a legislator, she was awarded the Pandit Nilkanth Das - Best Legislator Award in 2007 by the Odisha Legislative Assembly.

Governorship of Jharkhand

Smt. Murmu was appointed the Governor of Jharkhand on 18 May, 2015. She was the first woman tribal Governor of a tribal-majority State, and she received wide appreciation for upholding the values of the Constitution and supporting the rights of the tribal communities. She introduced reforms in examination and recruitment processes of the State Universities. She earned respect from leaders of all political parties for her statesmanship and adherence to democratic ethos.

Other Interests

Smt. Murmu was associated with several tribal socio-educational and cultural organisations of Odisha. She is an avid reader and has keen interest in spirituality.

Personal Life

In 1981, Smt. Murmu married (late) Shyam Charan Murmu, who was an officer in a bank. She has a daughter, Smt. Itishree Murmu, and son-in-law, Shri Ganesh Hembram (who is a rugby player).

Tours and State Visits

As President of India, Smt. Droupadi Murmu has travelled widely across the country. She has also travelled abroad to enhance India's global outreach and footprint. She visited United Kingdom in 2022, and went on State Visits to Suriname and Serbia in 2023. President Droupadi Murmu became the first Indian to receive Suriname's highest distinction, "Grand Order of the Chain of the Yellow Star" and she dedicated this honor to the successive generations of the Indian-Surinamese community.

voters. The service voter registration process is a bit different from the general electors. The responsibility of enrollment of a service voter is given to the Record Officer of that service voter. The Record Office ensures the filling of forms and uploads the XML in the required format on the Service Voter portal.

In the case of service voters, the registration form can be marked as incomplete by EROs in case any mandatory field is missing. The EROs can mark the applied forms as incomplete only with relevant remarks. After the successful processing of the form, the name of the service voter gets enrolled in the last part of the Parliamentary for which he/she has applied. The spouse of a service voter who ordinarily resides with him/her is also given the same facility of Postal Ballot as to the service voters. The purpose of the online system is to create a convenient and easy-to-use online system for Defence Personnel to become Service Voters. The system is used for registration and acceptance of forms for Service Voters.

Forms for a service voter:

- > Form 2: Statement as to place of Ordinary Residence by member of the Armed Forces.
 - > Form 2A: Statement as to place of Ordinary Residence by a member of the Armed Police Force of a State, who is serving outside that State.
 - > Form 3: Statement as to place of Ordinary Residence by a Person employed under the Government of India in a post outside India.
- Features of the Service voter portal are as follows:**
- > Processing of electoral forms.
 - > Maintaining an up-to-date record of transfers and present Record and Unit Mapping.
 - > Simultaneous addition and deletion process.
 - > Single source of online forms acceptance, provides real-time monitoring of the progress of the form processing.
 - > Communication between EROs across ACs and States and Record Officers. Link to access the portal: <https://svp.eci.gov.in>.

The Chief Electoral Officer, Andaman & Nicobar Islands, Shri B S Jaglan, IAS, has requested Service Personnel posted in A&N Islands to verify their names in Electoral Rolls and if not registered go through the above portal to registered themselves in view of the upcoming General Elections to Lok Sabha - 2024, a press release from CEO, A&N Islands said.

Imparting basic knowledge on space...

(Contd. from page 1)

Space Technology and Space Applications to the younger students in emerging trends in space science and technology. ISRO has chalked out this programme to "Catch them young". As we all are aware that the youngsters can involve and excel in space science and technology if they get an opportunity because they are the future building blocks of our nation.

YUVIKA programme is also expected to encourage more students to pursue in Science, Technology, Engineering and Mathematics (STEM) based research and aligned career.

Young Scientist Programme - YUVIKA was conceived to impart basic knowledge on Space Science, Space Technology and Space Applications to the younger students with a preference to rural areas of the country. The programme is thus aimed at creating awareness about the emerging trends in science and technology amongst the school going students. The programme envisages two weeks' class room training, practical demonstration of experiments, hands on CANSAT, Robotic kit, Model rocketry interactions with ISRO scientists and field visits.

The programme was conducted successfully in 2019, 2022 and 2023 with the participation of 111, 153 and 337 students respectively, representing each and every State and Union Territory of India. The students were divided into five batches based on the geographical locations and imparted training at VSSC, URSC, SAC, NRSC, NESAC, SDSC SHAR & IIRS.

ISRO received an overwhelming response for YUVIKA - 2023, as more than 1.25 lakhs students had registered for YUVIKA - 2023 from all corners of India. The students are selected from all States and Union Territories based on marks scored in their last examination, co-curricular and extra-curricular activities.

The course covers class room lectures, hands on activity like robotics challenge, DIY assembly of rocket/satellite, sky gazing, etc., technical facility visits, and interaction with space scientists. The registration process for YUVIKA-2024 will be held from February 20 to March 20, 2024.

Students studying in Class 9 as on January 1, 2024, within India are eligible to apply for the ISRO Young Scientist Programme (YUVIKA). Applicants are advised to review carefully all the details entered in the application form, uploaded documents and certificates before submitting the application form. Applications once submitted cannot be edited or modified later. For more information, applicant students can visit the website of ISRO Antariksha Jigyasa: <https://jigyasa.iirs.gov.in/yuvika>.
