PM visits Vikram Sarabhai Space Center (VSSC) in Thiruvananthapuram

Inaugurates three important space infrastructure projects worth about Rs 1800 crores

Reviews progress of Ganganyaan and bestows 'astronaut wings' to the astronaut-designates

Thiruvananthapuram, Feb. 27 (PIB)

The Prime Minister, Shri Narendra Modi visited Vikram Sarabhai Space Center (VSSC) at Thiruvananthapuram, Kerala and inaugurated three important space infrastructure projects worth around Rs 1800 crores. The projects include the SLV Integration Facility (PIF) at the Satish Dhawan Space Centre, Sriharikota; the new 'Semi-cryogenics Integrated Engine and Stage Test facility' at ISRO Propulsion Complex at Mahendragiri; and 'Trisonic Wind Tunnel' at VSSC, Thiruvananthapuram. Shri Modi also reviewed the progress of the Ganganyaan Mission and bestowed 'astronaut wings' to the four astronaut-designates. The astronaut-designates are Group Captain Prashanth Balakrishnan Nair, Group Captain Ajit Krishnan, Group Captain Angad Pratap and Wing Commander Shubhanshu

Shukla.

Addressing the gathering, the Prime Minister started by calling for a standing ovation for the astronaut-designates as the hall reverberated with the chants of Bharat Mata ki Jai.

Underlining that every nation's development journey has its special moments that define not just the present but the future generations, the Prime Minister said that today is such an occasion for India when the present generation can take pride in the historic achievements of the nation in land, air, water and space. Recalling his statement about the beginning of a new 'kaal chakra' made from Ayodhya, Prime Minister Modi said that India is continuously expanding its space in the global order and its glimpses can be seen in the country's space program.

The Prime Minister recalled India's Chandrayaan success as India became the first

nation to land on the South Pole of the Moon.

"Today Shiv-Shakti Point is introducing the entire world to Indian prowess", he said. He called the introduction of the four Ganganyaan passengers, astronaut-designates, as a historic occasion. "They are not just four names or individuals, they are four 'Shakti' of carrying the aspirations of 140 crore Indians into space", the Prime Minister said. He further said "An Indian is going into space after 40 years. However, now, the time, the countdown as well as the rocket belong to us." Expressing delight in meeting and introducing the astronaut-designates to the nation, the Prime Minister wished them on

behalf of the entire nation.

Referring to the astronaut-designates, the Prime Minister said that their names have been conjoined with India's success and they symbolize the trust, courage, valor and discipline of today's India. He lauded their dedication and spirit towards training and said that they are the representatives of India's Amrit generation that never gives up and shows the strength to challenge all adversities. Highlighting the need for a healthy body and a healthy mind for this mission, the Prime Minister noted the role of Yoga as part of the

training module. "The country's wishes and blessings are upon you", PM Modi said. He also conveyed his best wishes to all the staff trainers from ISRO associated with the Gaganyaan project.

The Prime Minister also conveyed some concerns about the celebrity attention to the four astronaut-designates which can create disturbance in their training. He appealed for cooperation with the astronaut-designates and their families so that they continue their training without distraction.

The Prime Minister was briefed about Gaganyaan. He expressed happiness that most of the equipment in Gaganyaan is Made in India. He noted the happy coincidence of Gaganyaan's preparation with India's upcoming entry into the top 3 economies of the world. He said that projects that were dedicated today will lead to new jobs and will raise India's profile.

Praising the role of Nari Shakti in India's space programme, the Prime Minister said "Whether it is Chandrayaan or the Gaganyaan, no such project can be imagined without women scientists". He informed that more than 500 women are in leadership positions in ISRO.

Underlining that India's space sector's major contribution is sowing the seeds of scientific temperament among the young generations, the Prime Minister observed that the success achieved by ISRO plants the idea of growing up to become a scientist in the children of today. "The countdown of the rocket inspires lakhs of children in India, and those making paper planes today dream of becoming scientists like you", an elated Prime Minister said, directing his address to the scientists. He remarked that the will power of youth makes for the wealth of a nation. He said that the time of landing of Chandrayaan 2 was a learning experience for every child in the country, while the successful landing of Chandrayaan 3 on Aug 23 last year filled the youth with new energy. "This day is now celebrated as Space Day", he informed, highlighting the various records made by the country in the space sector. He mentioned the country's achievements of reaching Mars in the first attempt, launching more than 100 satellites in a single mission, and the successful insertion of Aditya L1 solar probe in its orbit 15 lakh kilometers from Earth, the Prime Minister said that very few nations have achieved such feats. He also mentioned the recent successes of EXPO-SAT and INSAT-3DS in the

first few weeks of 2024.

"All of you are opening new doors of future possibilities", PM Modi told the ISRO team. The Prime Minister said that as per estimates, India's space economy will grow five-fold and touch 44 billion dollars in next 10 years. He said that India is becoming a global commercial hub in the field of space. In the coming days, India will once again go to the Moon. He also informed about the new ambition of retrieving samples from the surface of the Moon. He said Venus is also on the radar. He also stated that by 2035 India will have its own space station. Furthermore, PM Modi said, " In this Amrit Kaal, an Indian astronaut will land on the Moon in an Indian rocket".

Drawing comparisons about India's recent achievements in the space sector in the last 10 years with the decade before 2014, the Prime Minister mentioned the nation launching around 400 satellites compared to only 33, and the growth in the number of youth-driven space startups to more than 200 from two or three. Acknowledging their presence today, the Prime Minister lauded their vision, talent and their entrepreneurship. PM Modi also touched upon space reforms providing impetus to the sector and mentioned the recently approved FDI policy of 100 percent foreign investment in the space sector. With this reform, the Prime Minister said, the world's biggest space institutes can now establish themselves in India and provide an opportunity for the youth to showcase their skills.

Referring to India's resolution to become Viksit, the Prime Minister highlighted the role of the space sector. PM Modi said, "Space science is not just rocket science, but it is also the biggest social science. Society benefits the most from space technology." He mentioned agricultural, weather-related, calamity warning, irrigation-related, navigation maps and other uses like the NAVIC system for fishermen. He continued and touched upon other uses of space science such as border safety, education, health and many more. "All of you (ISRO) and the entire space sector have a huge role in building a Viksit Bharat", the Prime Minister concluded.

Governor of Kerala, Shri Arif Mohammad Khan, Chief Minister of Kerala, Shri Pinrayi Vijayan, Union Minister of State, V. Muraleedharan and Secretary, Department of Space and Chairman ISRO, Shri S Somnath were present on the occasion among others.

ensuring a 100% response rate on the NCRP helpline, among other accomplishments, for the month of January 2024. Andaman & Nicobar Islands has consistently maintained its high ranking in CCTNS among all States/UTs including the first position for the 3rd time within eight months.

The CCTNS PRAGATI Dashboard serves as a crucial tool for tracking and managing crime data at a national level, providing valuable insights into the performance, dedication, progressive development, and effectiveness of States and Union Territories in implementing and overseeing crime prevention and detection measures. The remarkable achievement of securing top positions reflects the consistent and dedicated efforts of the Andaman and Nicobar Police.

Further, recently PC/1116 C. Alok Ram from the A&N Police was honored for his significant contributions to the implementation of the Crime and Criminal Tracking Network & Systems (CCTNS) & Interoperable Criminal Justice System (ICJS). He was recognized in the individual officer's category by the National Crime Records Bureau (NCRB). On December 22, 2023, he received the aforementioned award during the 5th Conference on Good Practices in CCTNS/ICJS held at NCRB, New Delhi.

Through the unwavering dedication of the CCTNS team, the Andaman and Nicobar Islands have reached this significant milestone. The Director General of Police, A&N Islands has expressed his heartfelt gratitude to the entire team for their efforts, a press release from SP (CID) said.
