PM addresses 108th Indian Science

Congress via video conferencing

Efforts of science can turn into great achievements only when they come out of the lab and reach the land and their impact reaches from global to grassroots: PM

India's scientific community will ensure a deserving place for our country

New Delhi, Jan. 3 (PIB)

The Prime Minister, Shri Narendra Modi addressed the 108th Indian Science Congress (ISC) via video conferencing today. The focal theme of this year's ISC is "Science and Technology for Sustainable Development with Women Empowerment" which will witness discussions on issues of sustainable development, women empowerment and the role of science & technology in achieving this.

Addressing the gathering, the Prime Minister highlighted the role of India's scientific strength in India's story of development over the next 25 years. "When the spirit of national service gets infused in Science along with passion, results are unprecedented. I am sure,

India's scientific community will ensure a place for our country of which it was always deserving", he said. Pointing out that observation is the root of science, and it is by such observation that scientists follow patterns and arrive at required results, the Prime Minister mentioned the importance of gathering data

and analysing results. He highlighted the abundant availability of data and technology in 21st-century India and said that it has the potential to take Indian Science to new heights. He also informed that the field of data analysis is moving forward at a meteoric pace which is of great help in converting information into

insight and analysis into actionable knowledge. "Be it traditional knowledge or modern technology, each one plays a crucial role in scientific discovery", the Prime Minister remarked. He also emphasised the need to strengthen the scientific processes by applying various techniques of research-led development.

Speaking about the result of India's tryst with the scientific approach, the Prime Minister said that India is being counted among the top countries of the world as India moved to 40th place in the Global Innovation Index in 2022 from 81st place in 2015. India is among the top three nations in the world in terms of the number of PhDs and startup ecosystems.

Agnipath is a game changer scheme for the Armed forces: Raksha Mantri

'Agniveers' are not only 'Surakshaveers' of Nation, but also 'Samriddhiveers' contributing to the Nation's prosperity

New Delhi, Jan. 3 (PIB)

Agnipath is a game changer scheme for the Armed Forces which is going to act as force multiplier in making Indian military as one of the best in the

world with youthful, high-tech and ultra-modern outlook. This was stated by Raksha Mantri, Shri Rajnath Singh during his virtual address at the MoU Exchange Ceremony 'Outreach Programme with Ministry of Education (MoE) and Ministry of Skill Development and Entrepreneurship (MoSDE) in New Delhi today. He elaborated on the paradigm shifting changes the Agnipath scheme is going to make in transforming the Armed Forces into a tech-savvy, well-equipped and combat ready unit to face

future challenges.

During the event, Ministry of Defence (MoD), Ministry of Education (MoE), Ministry of Skill Development and Entrepreneurship (MoSDE) and all the three Services signed/ exchanged MoUs/ Agreements with various stakeholders to facilitate continued education of Agniveers while serving in the Armed Forces and award of appropriate skill certificates in accordance with their expertise/experience. Under these MoUs with National Institute of Open School

(NIOS) and Indira Gandhi National Open University (IGNOU), suitable 12th Class certificates and Bachelor's degree will be awarded to the Agniveers respectively.

The Job Roles/Skill Sets of

Agniveers, while being trained and deployed with the Armed Forces, have been mapped with National Occupational Standards (NOS), in coordination with National Skill Development Corporation (NSDC) and Sector Skill Councils (SSCs). Based on these qualifications, market-ready and industry-accepted, 'Kaushal Praman Patra' will be issued to Agniveers at the time of their exit from the Armed Forces.

To seamlessly facilitate the process, various Departments

UIDAI enables 'Head of Family' based online address update in Aadhaar

New Delhi, Jan. 3

The Unique Identification Authority of India (UIDAI) has put in place a resident friendly facility to help people update their address online in Aadhaar with the consent of the Head of Family (HoF). This HoF based online address update in Aadhaar will be of great help to the relatives of a resident who don't have supporting documents in their own name to update address in their

Aadhaar. It can be done by submitting Proof of Relationship document like Ration Card, Marksheets, Marriage Certificate, Passport mentioning the names and relationship of both the applicant and HoF.

In case, even Proof of Relationship document is not available, UIDAI provides the resident to submit a self-declaration by the HoF in the UIDAI prescribed format. With people

moving cities and towns due to various reasons within the country, such a facility will be beneficial for millions of people. This choice would be in addition to the existing address update facility using any valid Proof of Address document prescribed by UIDAI. Any resident above the age of 18 can be an HoF for this purpose and can share his or her address with his or her relatives through this process. (Source: india.gov.in)

'Pradhan Mantri Jan-Dhan Yojana'- providing platform for channeling all social security schemes

60,692 accounts opened under PMJDY in Isles so far

Staff Reporter

Port Blair, Jan. 3

PMJDY has provided a platform for channeling all the social security schemes such as Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY), Pradhan Mantri Suraksha Bima Yojana (PMSBY), Atal Pension Yojana (APY), Pradhan Mantri Mudra Yojana (PMMY), Micro Units Development & Refinance Agency Bank (MUDRA) scheme and pushing the Direct Benefit Transfer (DBT)

scheme of the Central Government. In A&N Islands, a total of 60,692 accounts have been opened under 'Pradhan Mantri Jan-Dhan Yojana' (PMJDY) so far. The scheme ensures access to financial services, namely savings and deposit accounts, remittance, credit, insurance and pension in an affordable manner to the country's poor and marginalized section of the society.

PMJDY also provides an overdraft facility- a financial facility or instrument

that enables an account holder to withdraw money from his/her bank account (savings or current), even if they do not have any account balance. Like any other credit facility, the bank levies an interest rate when an account holder avails the overdraft facility. Overdraft facility is usually offered for withdrawal of limited amount of

money. The Centre's scheme allows the Jan Dhan account holders to withdraw money upto Rs.10,000 in the form of a short-term loan. This limit which was earlier Rs. 5,000 has been doubled last year. The owner of a PMJDY account, who wants to avail the overdraft facility, must have been satisfactorily

operating it for at least six months. Also, only one member of a particular family can avail the overdraft facility. Usually female members are favoured for this.

For overdraft of upto Rs. 2,000, no guarantee is needed under PMJDY. The Government has also increased the upper age limit for overdraft from 60 to 65 years.

Global economy to face tougher year in 2023: IMF Chief

Washington, Jan. 3 International Monetary Fund (IMF) Managing Director, Ms Kristalina Georgieva said the three big economies the United States, Europe and China are all slowing down simultaneously. For much of the global economy, 2023 is going to be a tough year as the main engines of global growth. In October, the IMF cut its outlook for global economic growth in 2023, and reflecting the continuing drag from the war in Ukraine as well as inflation pressures and the high interest rates engineered by central banks like the US Federal Reserve aimed at bringing those price pressures to heel. Since then, China has scrapped its zero-Covid policy and embarked on a chaotic reopening of its economy, though consumers there remain wary as coronavirus cases surge. (Source:india.gov.in)

Efforts of science can turn into great achievements ... (Contd. from page 1)

Expressing happiness about the theme of the Science Congress this year which combines sustainable development with women empowerment, the Prime Minister emphasised the complementarity between the two areas. However, he stressed, "Our thinking is not just that we should empower women via science but also empowering science by the contribution of women."

Informing that India has been enshrined the opportunity to preside over G-20, the Prime Minister pointed out that women-led development is one of the high-priority subjects taken up by the chair. He informed that in the last 8 years, India has taken up extraordinary tasks ranging from governance to society to economy which is being discussed all over the world today. Highlighting the women who showcase their strength to the world, be it in a partnership in small industries and businesses or leadership in the start-up world, the Prime Minister gave the example of Mudra Yojana which has been instrumental in empowering women of India. He also pointed out the doubling of women's participation in the field of extramural research and development. "The increasing participation of women is proof that women and science are both progressing in the nation", Shri Modi said.

Talking about the scientists' challenge of turning knowledge into actionable and helpful products, the Prime Minister said, "Efforts of science can turn into great achievements only when they come out of the lab and reach the land, and their impact reaches from global to grassroots, when its ambit is from journal to jameen (land, everyday life) and when change is visible from research to real life." He said when science's achievements complete the distance between experiments to people's experiences, it gives an important message and impresses the young generation who get convinced of the role of science. In order to help such youth, the Prime Minister emphasised the need for an institutional framework. He called upon the gathering to work on developing such an enabling institutional framework. He gave examples of Talent Hunt and Hackathons through which children with scientific temper could be discovered. The Prime Minister talked about India's stride in the field of sports and attributed the success to the emerging robust institutional mechanism and guru-shishya parampara. The Prime Minister suggested that this tradition can be the mantra of success in the field of science.

of MoSDE have extensively collaborated in the Armed Forces and awarded Dual Category recognition as the Awarding Body (AB) and Assessment Agency (AA) by the National Council of Vocational Education and Training (NCVET). In addition, Directorate General of Training (DGT) under MoSDE would also facilitate award of National Trade Certificate (NTC) to Agniveers.

Shri Rajnath Singh stated that with the signing of these MoUs, Agniveers will be able to complete their education in a timely manner and develop additional qualities and skills. When Agniveers return to the society after being equipped with all these qualities, they will contribute to nation building, he said.

The Raksha Mantri added that helping 'Agniveers' would be a win-win situation for all as they will not only become 'Surakshaveers' for the nation by rendering their services in the Armed Forces, but also become 'Samriddhiveers' by contributing to the nation's prosperity. They will be beneficial for the whole society contributing to the nation building through their education, skill, discipline and other qualities. In additon to it, they would inspire the youth to become Agniveer, he said.

Complimenting the Ministry of Defence, Ministry of Home Affairs, Ministry of Railways, State Governments and the private sector for extending support to Agniveers in various services, the Raksha Mantri called upon the rest of the Ministries, State Governments and the corporate sector to come forward with more enthusiasm and provide new opportunities to the Agniveers as far as possible. He termed it as the responsibility of the system to provide newer opportunities to the Agniveers who dedicate their life in the service of the nation."

In a video message, Education Minister, Shri Dharmendra Pradhan said, this MoUs/Agreements would empower the serving Agniveers to get maximum benefit from their academic education and skill development.
