Secretary (CS&CA): The UT of Andaman & Nicobar Islands is a food deficit area in terms of production of foodgrains. As such, to ensure food security to all the islanders, A&N Administration has introduced Universal Public Distribution System in the UT and every Islander is covered under the ambit of Public Distribution System, making them eligible for obtaining foodgrains through rationing system at a highly subsidized rate.

Despite the challenges, the Department has been able to ensure food security to all the islanders throughout the year by maintaining three months buffer stock of PDS items in every nook and corner of A&N Islands. Till date, no case of death due to hunger has been reported/noticed in this UT, even in adverse situation like Tsunami.

However, in the tribal belt of Car Nicobar and Nancowrie, 35 kg rice per household is given to the members of the AAY households. The number of ration card holders under AAY is 3562 and the number of beneficiaries is 12,362. Out of these, 404 FPS are having internet connectivity which facilitate in distributing PDS foodgrains through Aadhaar Authentication with real time data while 11 FPS are functioning at very remote locations without net connectivity. The foodgrains are issued through PIN based ePOS machine. However, the Department is continuously making persistent efforts to make these 11 FPS also online.

Greatly loved, deeply missed...

Late HAR GOVIND SINGH
Marine Hill, Port Blair
[1950 - 2022]

"Grief, is really just love. It's all the love you want to give, but cannot. All that unspent love gathers up in the corners of your eyes, the lump in your throat, and in that hollow part of your chest. Grief is just love with no place to go...."

We miss you.....
