Presently, DARPG ranks States/UTs across 4 categories, i.e. North Eastern States, Union Territories, with two other categories for States being bifurcated based on the number of receipt of grievances. This ranking is part of the endeavour of Government of India to assist the States/UTs to review and streamline their Grievance Redressal System, and have a comparative assessment with other

States/UTs. The Grievance Redressal Index includes 2 dimensions and 4 indicators. The initiation of rankings is part of the DARPG's effort to improve the grievance redressal and delivery amongst States/UTs, and in line with the recommendations of the 127th Parliamentary Standing Committee which recommended that DARPG should monitor the effective redressal of grievances in the North Eastern States.

The rankings are based on the performance of States/UTs across the two dimensions (quality and timely disposal of grievances) for the period of 01.01.2023 to 30.06.2023. The top 3 performers among States/UTs across 4 categories are as shown below:
