Union Minister of Education launches AI for India 2.0, a free AI skill training course in Indian languages on the occasion of World Youth Skills' Day

Technology should not be a prisoner of language and courses on technology should be there in more Indian languages: Minister

New Delhi, July 15 (PIB)

Union Minister of Education and Skill Development and Entrepreneurship, Shri Dharmendra Pradhan launched AI for India 2.0, a free online training programme on Artificial Intelligence, today on World Youth Skills' Day. A joint initiative of Skill India and GUVI, this NCVET and IIT Madras accredited online programme will equip youth with frontier skills.

Speaking on the occasion, Shri Pradhan said that technology should not be a

prisoner of language and called for technology courses in more Indian languages. He added that this is a good beginning towards dismantling language barrier in technology education and future-proofing our Yuva Shakti, particularly those in rural areas.

He added that India is a technology-savvy country and the success story in adoption of digital

payments in India is a case in point. He expressed satisfaction that GUVI has taken this initiative to educate the bottom of the pyramid population in cutting-edge technologies. Shri Pradhan warmly congratulated the novel initiative, envisioning easy accessibility of AI learning to every part of the nation.

GUVI, an IIT Madras incubated startup is a tech platform that enables tech learning in vernacular languages. This program has been curated in 9 Indian languages.

'Monsoon Tourism Festival' begins on a fun-filled note at Corbyn's Cove Vibrant rain dance & live musical performance enchant visitors

Staff Correspondent

Port Blair, July 15

The much awaited two-day 'Monsoon Tourism Festival' got underway at the sprawling Corbyn's Cove beach here today. This is the first in the series of the Tourism Festivals of this season planned by the Tourism Department. People of all ages converged at the venue to soak themselves in the festivity. The entire beach was decorated and illuminated to add colour to the Monsoon Festival. The Festival is being organised by the Tourism Department in association with all line Departments of A&N Administration and tourism stakeholders.

The main attraction of the festival was the Rain Dance. Participants performed individually, in pairs and groups on the tunes created by

DJs. A large number of people from all walks of life gathered to witness the Rain Dance Competition and encouraged the participants.

Apart from the Rain Dance, the live musical performance by the artistes of Kuan Panam

and Raag Musical Academy enthralled the crowd at the venue till late evening. The food stalls selling varieties of mouth-watering delicacies with different waft of aromas attracted large number of visitors.

For the convenience of the people visiting the

festival, the Transport Department has made special arrangements by providing buses for people to commute to the venue.

The aim of conducting this festival is to provide fun and entertainment to the tourists and the

Islanders. By organising this fest, the Tourism Department wish to convey that Andaman is the most preferred Tourist destination not only during monsoon but all through the year. Apart from fun and frolic at the venue, (Contd. on last page)

Accurate weather forecasting necessary in backdrop of day to day changes in weather patterns: Union Minister for Earth Sciences

Pune, July 15

Union Minister for Earth Sciences, Shri Kiren Rijiju has said that accurate weather forecasting is necessary in the backdrop of day to day changes in the weather patterns. He was speaking after visiting the Indian Institute of Tropical Meteorology (IITM) in Pune today. Informing that IITM currently has a four petaflop capacity supercomputer, Shri Rijiju said that soon a ten petaflop capacity supercomputer will be provided to IITM to help

in the accurate forecast of weather. Owing to the climate change and its different effects, Shri Rijiju suggested common citizens also should visit IMD website regularly to understand the weather forecast. Earlier, the

Minister interacted with the scientists of IITM and got to know the work in the institute's laboratories. He described IITM as a premier institute of Tropical Meteorology of international repute. (Source: india.gov.in)

Cricket: India wins first test against West Indies by an innings & 141 runs

Dominica, July 15

In Cricket, India defeated the West Indies by an innings and 141 runs in the opening test in Dominica. Indian Off-spinner Ravichandran Ashwin's 7 for 71 set up victory against an ill-equipped West Indies batting line-up. India declared their first innings at 421 for five and grabbed a massive lead of 271 runs before the West Indies came out to bat in their second innings in the afternoon session. The hosts were bundled out for 130 in 50 overs in their second

innings, and the match ended in just three days yesterday. Earlier, the hosts made 150 runs in their first innings.

Ashwin followed his 33rd five-wicket haul in the first innings with his best in an overseas Test - seven for 71 in 21.3 overs. India's big win was also set up by debutant Yashasvi Jaiswal who made a brilliant 171. Captain Rohit Sharma scored 103 while Virat Kohli contributed 76 for the visitors.

The second and final Test will begin on the 20th of July at Port of Spain in Trinidad.
