PM inaugurates first-ever National Training Conclave

It is the responsibility of all Government Servants to increase faith of people in the Government system: PM

Training should nurture potential of officials as well as inculcate whole of Government approach and spirit of 'Jan Bhagidari'

New Delhi, June 11 (PIB) Prime Minister, Shri Narendra Modi inaugurated the first-ever National Training Conclave at the International Exhibition and Convention Centre, Pragati Maidan, New Delhi today. Prime Minister's address was replete with many anecdotes and stories emanating from his rich political and administrative experience. By giving such examples in his address, he emphasised the importance of aspects like service orientation of Government work, ownership in realising the aspirations of common man, need to break hierarchy and using experience of

every person in organisation, importance of Jan Bhagidari, the zeal to improve and innovate the system, among other things. He added that the training modules should be oriented and developed such that these aspects are inculcated in the Government officials. Discussing his experience of earlier serving as CM and later as PM, Prime Minister underlined that the Government has never lacked talented, dedicated and committed officials. He said that just like the institution of the Army has built impeccable credibility in the eyes of public, it is the

responsibility of all Government Servants to further increase the faith of people in the Government System. Prime Minister said that training should also inculcate a whole of Government approach, adding that all efforts must be made to nurture the potential of the officials. He also emphasised that the old approach where posting in the training institutions was seen as punishment posting is changing. He said that training institutes are one of the most important places as they nurture the personnel who work in Government

Rehabilitation of orphan, abandoned & destitute children through CARINGS

Parents willing to adopt children can register themselves by logging as Prospective Adoptive Parents through CARINGS 3.2 version

Port Blair, June 11 Growing up in an atmosphere with love and care is the right of every child. In this regard, the adoption process is an appropriate program that helps in rehabilitation of the orphan, abandoned and destitute children. State Adoption Resource Agency (SARA) under Directorate of Social Welfare is functioning in these Islands as a unit to coordinate, monitor and develop the work of adoption program, disseminating information and awareness on adoption process. The adoption

registration is done through 'Child Adoption Resource Information and Guidance System' (CARINGS) which is a centralized software containing database of children and registration of parents. Parents can also adopt through relative adoption or

children of spouse from earlier marriage as step-parents adoption. The adoption program thus helps to provide a permanent family arrangement to these children by providing biological caregivers. The parents

willing to adopt can register themselves by logging as PAPs (Prospective Adoptive Parents) through <https://carings.nic.in> on CARINGS 3.2 version. Documents such as family photographs, birth certificate, income, (Contd. on last page)

for many decades. Prime Minister also discussed the vertical and horizontal silos and the shackles of hierarchy, exhorting officials to overcome them to seek out those with experience, regardless of hierarchy. Prime Minister emphasised that training should inculcate the importance of Jan Bhagidari in every Government Servant. Explaining this to the audience, he credited the success of Swachh Bharat Mission, Aspirational Districts Programme, Amrit Sarovar and the substantial share of India in digital payments in the world, to Jan Bhagidari. Prime Minister said that training is for every level and for everyone, and in this sense, the iGOT Karmayogi platform has brought about a level playing field as it provides opportunities to everyone for training. He said that iGOT Karmayogi registration crossing the 10 Lakh user base mark shows that people in the system are keen to learn. He added that Karmayogi Mission seeks to improve the orientation, mindset and approach of the Government personnel so that they feel content and happy, and as a by-product of this improvement, the governance system improves organically.

India's long jumper Murali Sreeshankar finishes third at prestigious Diamond League Meet in Paris

Paris, June 11

Ace Indian long jumper Murali Sreeshankar secured a creditable third place in the Paris Diamond League with a jump of 8.09 m, in his maiden podium finish in the prestigious one-day meeting series in Paris. Commonwealth Games silver medallist Sreeshankar achieved his best jump of the day in his third attempt. Sreeshankar also became the only third Indian to finish in the top three of a Diamond League after Olympic champion javelin thrower Neeraj Chopra and former discus thrower Vikas Gowda. Olympic Champion Miltiadis Tentoglou of Greece and Simon Ehammer of Switzerland finished ahead of Sreeshankar with jumps of 8.13m and 8.11m respectively.

Australia defeats India by 209 runs in World Test Championship Final at Oval in England

London, June 11

Australia defeated India by 209 runs in the World Test Championship Cricket final at Oval, in England today. Chasing a target of 444 runs, Indian batting folded up at a modest total of 234 runs after resuming their innings on Day-5 of the match at 164 for 3. India started the final day with 280 runs to win and seven wickets in hand. However, Virat Kohli fell early on 49, adding just five runs to his overnight score before Australia ran through the middle and lower-order within the first session. Nathan Lyon took 4 wickets for 41 runs to wind up the Indian innings. This was India's second defeat in successive WTC finals after losing to New Zealand in 2021 in the inaugural edition.

MALARIA मलेरिया

Malaria is a communicable disease caused by a parasite. Malaria may cause anemia and jaundice. In certain cases, it is not treated promptly, it may cause kidney failure, coma and death.

Life Cycle of Malaria Parasite मलेरिया परजीवी का जीवन चक्र

1. An infected female anopheles mosquito bites a human. The parasite enters the human body through the bite.

2. The parasite enters the human body through the bite.

3. The parasite enters the human body through the bite.

4. They pass into the blood stream.

5. The parasite enters the blood stream and multiplies.

6. Some parasites become gametocytes and are ingested into another female anopheles mosquito when it bites the infected human. This mosquito then becomes the carrier of malarial parasite.

7. The parasite enters the blood stream and multiplies.

8. The parasite enters the blood stream and multiplies.

9. The parasite enters the blood stream and multiplies.
