against terrorism. The joint statement issued after the Prime Minister's meeting with US President, Mr Joe Biden is an indication of how India has changed the mind-set of the world on the issue of terrorism," the Raksha Mantri said. Shri Rajnath Singh added that the network of terrorism in Jammu & Kashmir has substantially weakened in the last few years as strict and consistent action is being taken. "Terror funding has been curbed. Supply of arms & drugs to terrorists has been stopped. Along with elimination of terrorists, work is being done to dismantle the network of Under Ground workers," he said.
On the abrogation of Article 370 in Jammu & Kashmir, the Raksha Mantri stated that the decision has connected the people of the Union Territory with the country's mainstream and helped them to usher in a new era of peace & progress. On PoK, Shri Rajnath Singh said, Pakistan does not have a locus standi there as it has illegally occupied the area. The Indian Parliament has unanimously passed at least three resolutions, which state that PoK is a part of India, he said.
The Raksha Mantri termed the border situation with China as a matter of perceptional difference, but there are agreements & protocols, based on which the armies of both the countries carry out the patrolling. Referring to the stand-off in East Ladakh in 2020, he said, the Chinese Army ignored the agreed protocols and unilaterally tried to change the status quo on the LAC. He lauded the valour and dedication of the Indian Army which prevented the attempts by PLA to change the status quo.
