## Swachhotsav 2023- 1000 Cities are targeted to become 3-Star Garbage Free by October 2024: Minister

### Urban India has become Open Defecation Free (ODF)

New Delhi, March 30 (PIB)

1000 Cities targeted to become 3-Star Garbage Free by October 2024" said Shri Hardeep S. Puri, the Hon'ble Minister for Housing and Urban Affairs on the occasion of International Zero Waste Day 2023 in New Delhi. Highlighting the progress in the GFC-Star rating protocol, launched in January 2018 to encourage a competitive, mission-mode spirit among ULBs, he further said that the certification has increased exponentially since inception. While interacting with the 'Swachhta Doots' from across the nation, the Minister congratulated them for being change makers and leaders in their community and also turning challenges to livelihood opportunities.

Speaking about the achievements of the Mission,

the Minister informed that urban India has become Open Defecation Free (ODF), with all 4,715 Urban Local Bodies (ULBs) completely ODF, 3,547 ULBs are ODF+ with functional and hygienic community and public toilets and 1,191 ULBs are ODF++ with complete faecal sludge management. Further, waste

processing in India has gone up by over four times from 17% in 2014 to 75% today. This has been aided through 100% door-to-door waste collection in 97% wards and source segregation of waste being practiced by citizens across almost 90% wards in all ULBs in the country.

Shri Puri expressed

confidence that the resolve and determination shown in achieving the targets of SBM-U would be amplified manifold in the second phase of the mission (SBM-U 2.0) where India aims to become Garbage Free nation. He highlighted the importance of today's 'Garbage Free Cities' rally in raising awareness about waste management in the country, as changes in consumption patterns and rapid urbanisation drive up waste generation.

Swachhata is a Jan Andolan now, receiving tremendous support from citizens. The Mission has mobilized millions of citizens across the country towards the goal of making cities clean, green, and garbage free. The campaigns

## Opportunity to pursue existing & innovative research under Young Scientist Fellowship scheme

### Applications invited from young scientist for availing benefits under the scheme

Port Blair, March 30

The Govt. of India, Ministry of Science & Technology is implementing Young Scientist Fellowship Scheme for Young Scientist & Technologist (SYST) engaging Young Researchers towards Socio-Economic Development and Sustainable Development Goals. The Young Scientist Fellowship scheme provides opportunities to young scientists for pursuing existing and innovative research. The scheme is focused on

young scientist and technologists who have adequate background and training in the field of Science & Technology and encourage academic and institutions, national labs and other S&T institutions to avail the benefit under this scheme.

Presently, two schemes namely Technology Intervention for Disabled and Elderly and Abdul Kalam Technology Innovation National Fellowship are open for applying.

Young Scientists who wish to avail the benefit of the above mentioned schemes can access the details of these schemes on the website www.dst.gov.in and www.dstpcandamangov.in. For further information, they may contact the Department of Science & Technology, Dollygunj on Mob.No.9434277937 on all working days during working hours or they may email at dstandamans@gmail.com, a press release Deptt. of Science & Technology said.

## MP sanctions Rs. 40 lakh for Ranchi Association to undertake four important works

Port Blair, March 30

The Member of Parliament, Andaman and Nicobar Islands, Shri Kuldeep Rai Sharma today sanctioned Rs. 40,00,000 for four important works for Ranchi Association, Andaman and Nicobar Islands, Mohanpura. The name of the works are construction of RCC underground water tank of 25,000 ltrs storage capacity; construction of 4 Nos. Toilet Rooms; construction of a Kitchen Shed with tin roofing and construction of retaining wall (around 25 mtrs length) at the back side of Ranchi Association Hall, Mohanpura to protect soil erosion/land sliding.

The members of Ranchi Association, Andaman and Nicobar Islands had approached the Member of Parliament with the above mentioned demands for the smooth functioning of the Ranchi Association following which the Member of Parliament has sanctioned the amount for the required works, a press release from MP Office said.

## Govt. exempts basic customs duty on drugs, food specially imported to treat rare diseases

New Delhi, March 30

The Central Government has exempted all drugs and Food for Special Medical Purposes imported for personal use for treatment of all Rare Diseases from the basic customs duty. The exempted drugs and Food are listed under the National Policy for Rare Diseases 2021. Finance Ministry said, to avail this exemption,

the individual importer has to produce a certificate from Central or State Director Health Services or the Civil Surgeon of the district.

The Ministry said, Government has fully exempted Pembrolizumab (Keytruda) used in treatment of various cancers from basic customs duty. The medicines generally attract basic customs

duty of ten per cent, while some categories of lifesaving drugs and vaccines attract concessional rate of five per cent or Nil. The Ministry said, Government has been receiving many representations seeking customs duty relief for drugs and medicines used in treatment of rare diseases. (Source: india.gov.in)

## PMEGP- a platform for employment generation in Isles

### Implementing Agencies forwards 522 loan proposals directly to financing banks; 319 proposals sanctioned by Banks

#### 322 beneficiaries provided EDP training through 'Udyami Portal' under the scheme

Staff Reporter

Port Blair, March 30

Prime Minister's Employment Generation Programme (PMEGP) which seeks to facilitate generation of employment opportunities for youth by assisting them in setting up of micro enterprises in non-farm sectors has become a boon for the youth of these Islands. By availing PMEGP scheme, many unemployed/under employed youth have been benefited through setting up self-employment ventures at their respective places in A&N Islands.

With an objective to generate continuous and sustainable employment opportunities in rural and urban areas, the Prime Minister's Employment Generation Programme (PMEGP) since its inception in the year 2008 has served as an important tool for employment generation in the Islands. A lot of people from A&N Islands

Prime Minister's Employment Generation Programme

have embraced the scheme, making it the most viable option for earning livelihood. They have also established themselves as proud employers, thus paving way for employment generation.

In order to simplify the process under the scheme, the Ministry of MSME, GoI has discontinued the

system of selection of beneficiaries and recommendations of proposals/applications by the DLTF to streamline the process of selection and expedite the flow of applications under PMEGP scheme.

Accordingly, the Programme Implementing Agencies viz. ANIKVIB & DIC are forwarding applications directly to the financing banks for credit decision after preliminary scrutiny and examining the personal and factual details mentioned in the application including project report etc.

Apart from this, to mobilize more and more youth to become Atmanirbhar, the Khadi and Village Industries Board and District Industries Centre under the guidance of Secretary (Industries) are taking various steps including disseminating information on PMEGP and ventures available under the programme at PRI level. Awareness campaigns and People's Education

## Centre in consultation with RBI finalised its borrowing programme for 1<sup>st</sup> half of financial year 2023-24

New Delhi, March 30

The Centre in consultation with the Reserve Bank of India (RBI) has finalised its borrowing programme for the first half of the financial year 2023-24. Finance Ministry said, out of gross market borrowing of 15 lakh 43 thousand crore rupees

projected for next financial year in the Union budget, eight lakh 88 thousand crore rupees is planned to be borrowed in first half. The Ministry said the borrowing is scheduled to be completed in 26 weekly tranches of 31 thousand and 39 thousand crore rupees. (Source: india.gov.in)

## Education Deptt. extends last date for online submission of application for engagement of Teachers on short-term contract basis

Port Blair, March 30

Keeping in view the requests received from the Zonal Officers & other stakeholders and also to ensure more participation of candidates in the selection process, the Department of Education has extended the last date for submission of application form through online portal for engagement of teachers

on short-term contract basis under Department of Education from 30.03.2023 to 06.04.2023 by midnight. This is the final and last date for extension of date for submission of online application form. Under no circumstances, the last date for submission of application form will be extended, a press release from Deputy Director Education (Perl.) said.

## Observance of Healthy Child Campaign Prog. under ICDS Project Rangat

Rangat, March 30

The ICDS Project Rangat is organizing 'Swasth Balak Balika Spardha' (SBBS)/ Healthy Child Campaign Programme in a campaign mode from March 20 to April 3, 2023 in collaboration with the Health Department. The programme was inaugurated by Smt. Sapna Priya, Assistant Commissioner, Middle Andaman.

During the campaign, efforts are being made to mobilize all parents and care-givers of children from 0-6 years to measure the weight and height

of their children at Anganwadi Centers of the ICDS Project Rangat during Poshan Pakhawada.

All parents and other concerned community members have been requested to participate in this mobilization exercise to generate awareness and community action towards improving the nutritional status of children. Parents and the guardians can also register

through the Poshan tracker website which is poshantracker.in. Certificates were also issued to the participants by the Pramukh & Assistant Commissioner, Rangat, a press release from CDPO, Rangat said.

## DBRAIT - B.Tech exam results declared

Port Blair, March 30

Pondicherry University has hosted the result of 1<sup>st</sup> to 8<sup>th</sup> semester exam held in the month of May 2022 in the University's website. Students have been requested to check their results from the Pondicherry University website, a press release from DBRAIT said.

**India poised to achieve defence equipment exports target worth Rs 40,000 by 2026: Defence Minister**

New Delhi, March 30

Defence Minister, Shri Rajnath Singh has said that India is poised to achieve defence equipment exports target worth 40 thousand crore rupees by 2026. He said, defence exports have witnessed a quantum jump in the last few years and from 900 crore rupees in seven to eight years ago, defence exports have now reached to 14 thousand crore rupees. The Minister stated this while addressing the 'Rising India Conclave' in New Delhi today.

Shri Singh has credited the bold approach and unwavering resolve of the Government, which has ensured secured borders and battle-ready armed forces. Terming national security as the Government's top

priority, he asserted that relentless efforts are being made to attain self-reliance in the defence sector. Highlighting the progress made by the country in all sectors, Shri Singh said the country's stature at the global stage is rising and the Indian economy has now attained a new height by becoming 'fabulous five' from the status of 'fragile 5'. He lauded the Prime Minister's visionary leadership which has guided India to become the fifth largest economy.

The Defence Minister described India's diplomacy as another facet of Rising India. He said, the Presidency of G-20 and Shanghai Cooperation Organisation (SCO) are proof of India's growing stature.

He said, India has

led the world on issues like terrorism and has been successful in garnering support to eliminate the menace. He emphasised that countries, which use terrorism as a tool, are well aware of the fact that India never harms anyone unnecessarily, nor does it spare anyone who tries to hurt its unity, integrity and sovereignty. Lauding the surgical strikes, he said, the move broke the back of terrorists and sent a strong message to the world that India will eliminate terrorism.

He said, whether it was the stand-off with China or ill intentions from Pakistan, the country's armed forces have always given a befitting reply. (Source: india.gov.in)

(Contd. from page 1)

Lok Sabha on Wednesday. She said, the beneficiaries under the scheme are identified through door to door survey on Mobile App by the surveyors in the States and Union Territories. The Minister said, the non-literate can also avail the benefit of the scheme through direct registration from any place through mobile app. (Source: india.gov.in)

**Govt. is planning to develop Eastern Grid with 5,000 ...**

(Contd. from page 1)

Bhutan, India and Nepal.

The Minister said, it will also further amplify trade potential with countries like Myanmar, Thailand, Malaysia and Singapore. Shri Sonowal said, the Government wants to explore this immense potential of trade for the economic progress and development of the eastern part of India. He said Eastern Grid can unlock a multilateral trade potential of 49 billion dollars as the government remains committed to accelerating growth in eastern India. (Source: india.gov.in)

**PMEGP- a platform for employment generation in Isles...**

(Contd. from page 1)

programmes on PMEGP were organized at different Islands through which the first generation entrepreneurs were appraised about the benefits available under PMEGP scheme. Interested beneficiaries were guided for preparation of project report and online submission of loan proposals under the captioned scheme.

During the current financial year 2022-23, the Programme Implementing Agencies viz. ANIKVIB & DIC have forwarded 522 loan proposals directly to the financing banks out of which 319 cases/proposals have been sanctioned by Banks. Under this scheme, 322 beneficiaries were provided EDP training through 'Udyami Portal' too.

For more details about PMEGP scheme, one can contact the A & N Islands Khadi & Village Industries Board Udyog Parisar, Middle Point, Port Blair, Phone & Fax - 03192 - 233301, e-mail : anikivboard@rediffmail.com or District Industries Centre [Ph. - 03192 232601] or Extension office, Industries Department functioning at Diglipur, Bakultala, Hut Bay, Car Nicobar & Campbell Bay or Nearest branch of Public Sector Banks. One may also submit online application through KVIC website: www.kviconline.gov.in.

In women's singles, PV Sindhu defeated Indonesia's Putri Kusuma Wardani, 21-14, 21-16. She will now face Mia Blichfeldt of Denmark on Friday. Akarshi Kashyap

crashed out losing to Natsuki Nidaira of Japan, 13-21, 8-21.

In men's singles, Kidambi Srikanth registered a straight game win over compatriot B Sai Praneeth 21-15, 21-12. He will take on Kenta Nishimoto of Japan in quarterfinal on Friday. However, Kiran George and Priyanshu Rajawat crashed out of the men's singles.

**Swachhotsav 2023- 1000 Cities are targeted...**

(Contd. from page 1)

have seen massive mobilization of youth and women leaders who have taken a positive step towards urban Swachhata. The efforts towards transforming cities to become garbage free received a fresh impetus with the launch of Swachhotsav 2023 by Union Minister Shri Hardeep Singh Puri on 7<sup>th</sup> March, 2023. The campaign aimed to galvanize participation and leadership of women to realize the goal of 'Garbage Free Cities'. A series of events and activities have been organized across cities from 8<sup>th</sup> March, 2023 onwards to celebrate and bring together women from different walks of life to lead the way towards building 'Garbage Free Cities'. Swachhotsav campaign was a platform for over 400,000 women entrepreneurs taking up leadership role in urban sanitation.

Participating in unique Yatra and the Mashaal March women took the responsibility of urban sanitation and led from the front to transform the urban landscape.

**Country registers over 3000 new cases of COVID-19**

New Delhi, March 30

The country has registered over 3000 new cases of COVID-19 in the last 24 hours. The Union Health Ministry said, over 1300 people have recovered from Covid during the same period and over 13 thousand active Covid cases in the country.

Recovery rate currently stands at 98.78 percent. It said, over 15,700 vaccine doses of COVID were administered during the last 24 hours. Over 220 crore 65 lakh vaccine doses were administered across the country so far. (Source: india.gov.in)

**Last date for fresh admission & re-registration in IGNOU extended**

Port Blair, March 30

The last date for fresh admission and re-registration for January 2023 cycle for all Programmes (except certificate and Semester based Programmes) (both for Online and ODL mode) has been extended till 31<sup>st</sup>

March, 2023. For online admission and re-registration, students have been advised to log on to <http://ignouadmission.samarth.edu.in/> and <http://onlinerr.ignou.ac.in/>, a press release from IGNOU said.

OFFICE OF THE DEPUTY COMMISSIONER  
SOUTH ANDAMAN DISTRICT  
**NOTIFICATION****Port Blair, dated the 24<sup>th</sup> March-2023**

No:F.NO:15/ACS/Quarry/W-Moorum/LA/2021/TS-II/2021/- WHEREAS, in pursuance of Rule 15(1) of the Andaman and Nicobar Islands Minor Minerals Rules, 2012, A Committee was constituted vide Notification No.132/2015/F.No.34-738/2012-Rev(PF) dated 03rd August, 2015 for preparing Quarry Plan for the area(s) identified for quarrying under the provisions of the Rules.

AND, WHEREAS, the Committee after due examination, finalized a quarry plan of White Moorum Quarry at Rabindranagar village under Little Andaman Tehsil.

NOW, THEREFORE, in exercise of the power conferred under Rule 5 read with Rule 16 of the Andaman and Nicobar Islands Minor Minerals Rules, 2012, the Officer authorized by Lt.Governor to be competent to approve quarry plan i.e., the Deputy Commissioner (South Andaman), hereby approves the quarry plan containing the location, site plan, progressive and final closure plan, reclamation and restoration plan including specific guidelines for source-wise pollution control measures to be followed for quarry operations in South Andaman District as under:

**QUARRY PLAN****A. BACKGROUND**

The Andaman & Nicobar Islands Minor Mineral Rules, 2012 was notified on 20th September, 2012. In pursuance of Rule 6, contiguous areas for quarrying, having due regard to the restrictions mentioned in Rule 4, general topography and environmental aspects, was identified at Rabindranagar village in Little Andaman Tehsil.

An area of 0.3190 hectares was identified at Rabindranagar village under Little Andaman Tehsil for conduct of quarrying without use of explosives.

The Hon'ble Lt. Governor, A & N Islands, in pursuance of Rule 15 and Section 5(b) of the Andaman and Nicobar Islands Minor Minerals Rule, 2012 read with Administration's Order No.312 dated 30/01/2015 and in supersession of Administration's Notification No.4-2/19-R/Quarry/PF-I dated 09/10/2012 notified the following committee vide notification dated 03/08/2015 for South Andaman District for preparing quarry plan for the area(s) identified for quarrying under Rule 6 of the said rules:-

1	The Assistant Commissioner (HQ)	Chairman
2	Representatives of Health Department as nominated by Director, Health Service	Member
3	Representatives of APWD as nominated by Chief Engineer, APWD, Port Blair	Member
4	Representatives of Forest Department as nominated by PCCF	Member
5	The Assistant Commissioner (Settlement)	Convener

The above Committee has been assigned the task of preparing quarry plan(s) for South Andaman District, which shall include for each identified area outer boundary, potential for extraction or crushing, progressive and final closure plan of quarry, plans for reclamation and restoration of land, measures for pollution control, responsibility of the quarry lease holder and any other matter that the committee may decide. The plan shall also include the cost of preparation of such plan or plans to be apportioned amongst the lease holders of quarries established on such area in such a manner as the committee may decide.

The Deputy Conservator of Forest (Planning & Monitoring) was nominated as member of the Committee by PCCF, Deputy Director (Health) was nominated by Director of Health Services as member of the Committee and Junior Engineer, (Civil), APWD was nominated as member of the Committee by Chief Engineer, APWD.

The Committee held its meeting on 10.01.2022 at 3.30 PM, the Chairman informed about the urgency in preparing the quarry plan for the areas identified at Rabindranagar village for quarrying of white moorum and presented a draft quarry plan of the area before the committee for its perusal.

The Committee after perusal of the draft quarry plan and after deliberations and after making such modifications as deemed fit has prepared and finalized the quarry plan.

**B. LOCATION**

(i) An area of 0.3190 hectares was identified at Rabindranagar village for conduct of quarrying without use of explosives.

● An area measuring 0.3190 hectares has been identified in the land bearing Sy.No.345/7 situated at Rabindranagar village recorded in favour of Govt. Revenue Department. The coordinate of the site is 10°43'01.373 N, 92°34'02.501 E.

● The subject land is free from all encumbrances and the area includes the sites.  
● The selected area satisfies the restrictions mentioned in Rule 4 and is more than 500 meters from any Educational Institution, Health Institution or a residential area and is also more than 500 meters away from HTL.

**C. SITE PLAN**

i. The selected quarrying area at Rabindranagar village is a compact area.  
ii. The selected area has limited spatial extent, recognizable through topographic expressions, small hillocks, mounds, ridges over shorter intervals having narrow depressions etc.  
iii. The extraction from this area would be of minor minerals only i.e. white moorum. Inspection report of Tehsildar, Little Andaman & Executive Engineer, MID APWD, Little Andaman has revealed that there are sufficient deposits of these minor minerals at the site.  
iv. Quarrying in this area is not exactly mining but is more like digging and leveling. This would ultimately result in getting flat land bounded by hillocks having a gradient of 45 degree angle.

v. The selected quarry area was inspected by the Tehsildar, Little Andaman & Executive Engineer, MID APWD, Little Andaman and levels taken at different locations. Based on the levels taken, plots of size 0.3190 hectares have been carved.

**D. POTENTIAL FOR EXTRACTION OF MINOR MINERAL AND YEARLY EXTRACTION**

● Since the block have been carved out of small hillocks, at the end of quarrying the area will develop into a flat land, which can be used for other purposes.  
● As stated earlier the committee is satisfied that the quarry sites are having existence of minor mineral. However, committee feels that it is for the prospective bidder to do the estimate prior to bidding and satisfy themselves with regard to quantity of minor minerals.

● In order to stagger the quarry operations over a period of time, the Committee decided to allow extraction of upto 20,000 cbm Minor Minerals from the site per annum.

**E. PROGRESSIVE AND FINAL CLOSURE PLAN**

● Considering the small size of quarry site to be leased out Committee feels that progressive closure plan would not be feasible however avenue for plantation is to be undertaken as an interim measure for protection of the environment.  
● The Committee has decided to recommend guidelines for final closure of quarry. The following points are to be considered as a part of final closure of the quarry.

(a) Location of the Quarry.  
(b) Topography of the Quarry  
(c) Reason for Closure or Reserves of Minor Minerals available for future in the quarry, if any  
(d) The reclamation and rehabilitation of the mined quarries indicating the method of reclamation/restoration of land and quarries pits.  
(e) Water quality and hydrology of the area indicating water bodies, surface run-off, vulnerability to erosion, sedimentation/ siltation, diversion of water course, contamination, quantity and quality change of water in water bodies. The corrective and protective measures are to be considered.  
(f) Air quality indicating air quality status & corrective measure to prevent pollution.  
(g) Waste Management indicating status, type, quality and quantity of over burden, earth/ top soil removed and prevention measure & disposal methods of the overburden in case not utilized for stabilization & for filling the pits. The protective measures to be taken for prevention of siltation, erosion and dust generation from these waste materials should also be addressed.  
(h) Infrastructure- Emphasis on maintaining the existing roads, etc and creation of toe/ retaining walls, check dams etc.  
(i) Disposal or removal of Quarrying Machineries & construction like hutment/shed if any.  
(j) The Administration may include any activity as a part of closure of closure plan at any point of time.

(k) Statutory obligations like payment of wages/ Compensation for retrenchment of manpower/labours under ID Act, and handling any other kind of repercussions shall be the sole responsibility of quarry lease holder.

(l) Disaster Management & Risk Assessment-indicating the probable high risks like landslides, seismic activities, inundation of low areas in abandoned quarry and action plan to mitigate these risks.

(m) Monitoring and Evaluation of the activities of the closure plan.

● The above activities shall be undertaken jointly by the successful bidder under supervision of the Department of Revenue, Forest, Andaman Public Works Department and the Pollution Control Committee of the UT.

**F. RESPONSIBILITIES OF SUCCESSFUL BIDDER FOR RECLAMATION AND RESTORATION OF LAND**

The following activities for reclamation and restoration of the land have to be jointly undertaken by the successful bidder under supervision of concerned Departments such as Revenue, Forest, Andaman Public Works Department and the Pollution Control Committee of the Union Territory.

(a) Plantation activities to be taken up in strips (along the approach road) & Blocks (in the abandoned/closed quarries).  
(b) Coastal/Littoral species of trees/plants will be selected for Strip Plantation along road and Hardy and fast growing tree species will be selected for block plantation.  
(c) The Strip Plantation along the road will be taken up in 2-3 rows depending upon the availability of land along the road.  
(d) The Strip Plantation on the sea ward side of the road will be raised in staggered/quincial pattern with spacement of 3mts x 3mts. (row to row & plant to plant respectively).  
(e) Casualty/ mortality filling of the plantations will be carried out for minimum of three years starting from year of planting.  
(f) Maintenance of the plantation will be done continuously for minimum of five years or more till the establishment of the plantations and activities like mulching, weeding, climber cutting and cleaning including the repair and maintenance of tree guards /fences will be taken up in each year.  
(g) Cost estimation for each segment of Strip or Block plantation will be done by Forest

department based on the Schedule of rates/ standard norms of the department considering the site conditions/ locality factors specially the soil and biotic factors of the area.

**G. MEASURES FOR POLLUTION CONTROL**

● During quarrying operations, the water should be sprayed at least once in a day over the roads at the quarry sites and nearby areas by the lease holders.  
● Kachha road, used for transportation of moorum, from the quarry site shall be invariably sprayed by water during these operations. In order to minimize dust pollution, measures such as adoption of hoods at transfer points, vulcanizing of conveyor belt joints, under belt cleaning devices, and installation of dust suppressions and/or dust extraction system for conveyance shall be adopted.  
● The kachha road leading to the quarry shall have avenue plantation to arrest the dust pollution.

**SPECIFIC GUIDELINES FOR SOURCEWISE POLLUTION CONTROL MEASURES TO BE FOLLOWED FOR MOORUM QUARRY BY THE LEASE HOLDER****AIR POLLUTION****DRILLING :**

1) Drilling machine shall be fitted with dust suppression, collection and disposal arrangement.  
2) Deep wetting of drilling zones shall be done by water sprinkling before starting drilling.  
3) During the drilling operations the efforts shall be made to reduce dust generation by taking appropriate measures.

**Heavy Earth Moving Machinery (HEMM):**

1) The operator/ transporter shall carry out regular maintenance of the machinery and vehicles.  
2) The speed limit shall be adhered to.  
3) Operator's cabin of the HEMMs should preferably be air conditioned at least air tight.  
4) The smoke emission should conform to the standards notified in Motor Vehicle Act.  
5) The trucks carrying the mined products shall be covered with tarpaulin so that there are no fugitive emissions during transportation.  
6) The transportation should not be through the busy roads in the city/towns/villages if by pass roads are available.

**HAUL ROADS :**

1) All the haul and service roads shall be metalled and well maintained.  
2) Unmetalled haul roads shall be free of ruts and pot holes.  
3) All haul roads and surface roads shall be regularly sprayed with water.  
4) Plantation alongside haul roads (avenue plantation) shall be carried out done.

**OVERBURDEN :**

1) Plantation over and around over burden dumps shall be carried out to ensure stability of slopes, prevention of dust by wind action and soil erosion during the run off.  
2) Wetting of surface of Overburden dump shall be regularly practiced.

**NOISE POLLUTION****DRILLING:**

The workers shall be provided appropriate personal protective equipment viz. ear muffers/ ear plug or noise proof cabins.

**Heavy Earth moving Machinery (HEMM):**

1) The engine exhausts of HEMM to be fitted with mufflers and cabins shall be noise proof.  
2) HEMM shall be properly maintained.  
3) Operators shall be provided with ear muffers / ear plugs.  
4) Imposition of speed restriction of HEMM near residential area shall be enforced.  
5) The haulage path of the HEMM shall be re-routed so that it is away from the residential area.

**WATER POLLUTION SURFACE:**

The project components should comply with all the standards given in the Water (Prevention and Control of Pollution) Act, 1974.

**H. RESPONSIBILITY OF QUARRY LEASE HOLDER**

Besides the responsibilities of the quarry lease holder as stated in the A & N Islands Minor Minerals Rules, 2012, a quarry lease holder shall also be responsible for complying with the various aspects as suggested in the various headings of the instant quarry plan.

**I. DEIAA & DEAC FOR ENVIRONMENTAL CLEARANCE**

● Periodical Health check-up of the workers and their family members engaged in the quarry, a dust prone unit and to keep vigilance on development of Silicosis or other respiratory illness.  
● All quarry lease holder must keep necessary provision of "First Aid" at the work site.  
● Make provision of fund for aid to the workers and their family in case of any accidental injury/death take place.

**J. PERIOD OF OPERATION OF QUARRY PLAN**

● The instant quarry plan shall come into force immediately after notification by the Competent Authority.

● The plan shall remain in force till one year from the date of notification unless otherwise modified/recast on the basis of review conducted by the Committee after one year or on account of orders of a Competent Court/Administrator and in such event, the modified quarry plan shall have the same force and applicability for all concerned including the quarry lease holders.

● The instant quarry plan is within the ambit of provisions of Andaman and Nicobar Islands Minor Minerals Rules, 2012.

in the Parochila register of the Church.  
3. That known Salomi Tigga and Salmi Placiota  
Tigga are same and one identical person not  
different.  
4. This affidavit is made by me for correction of my  
name Salomi Tigga instead of Salmi Placiota Tigga in  
the abovementioned Parochila register of the  
Church.

That the above declaration is true and correct to  
the best of my knowledge and belief.  
Place: Rangat  
Date: 27.03.2023

### AFFIDAVIT

I, V. Subramanian, S/o Shri Vellai Samy,  
R/o Haddo under Port Blair Tehsil, South  
Andaman, do hereby solemnly affirm and  
declare as follow:  
1. That my father's actual & correct name is  
VELLAI SAMY.  
2. That by wrongly / erroneously my father's  
name has been mentioned as VELLASWAMY  
in my SERVICE RECORD.  
3. That VELLAI SAMY and VELLASWAMY is  
the name of one and same identical person.  
4. That this affidavit is sworn for the correction  
of my father's name in my SERVICE  
RECORD, hence this affidavit.

That all the contents of this affidavit are true  
to the best of my knowledge and belief.

### AFFIDAVIT

By this deed I, the undersigned Sanal  
Kumar, S/o M.K. Vijay Kumar Previously  
called Sanal Kumar, S/o M.K. Vijaya Kumar,  
doing student and resident of Austinabad  
village, under Port Blair Tehsil, South  
Andaman District solemnly declare:-

That for and on behalf of myself and remitter  
issue wholly renounce / relinquish and  
abandon the use of my father former name  
M.K. Vijaya Kumar and in place thereof I do  
hereby assume my father name from this date  
M.K. Vijay Kumar and so that I and remitter  
issue may hereafter be called, known and  
distinguished not by my father former name,  
but assumed name of M.K. Vijay Kumar.

That for the purpose of evidencing such my  
determination declare that I shall at all times  
hereafter in all records, deeds and writings  
and in all proceedings, dealings and  
transactions, private as well as upon all  
occasions whatsoever use and sign my father  
name M.K. Vijay Kumar, as my father name in  
place and in substitution of my father former  
name / surname.

That I expressly authorized and request all  
persons in general and relatives and friends in  
particular, at the times hereafter to designate  
and address my father name, remitter issue  
by such assumed name M.K. Vijay Kumar  
accordingly.

In witness whereof I have hereunto  
subscribed my father former and adopted  
name / surname M.K. Vijay Kumar affix my  
signature and seal, if any, this 22<sup>nd</sup> day of  
March, 2023.
