under Hazard Analysis and Critical Control Points (HACCP) protocol. Street food has been an integral part of the Indian food culture and has played an immense role in sustaining and shaping the Indian food economy. It is not only a source of affordable and delicious food for millions of Indians but also a major contributor to the country's economic growth. With rapid urbanization, street food hubs have led to an easy access to food but food safety and hygiene at these hubs remain a matter of concern.

The Ministry of Health and Family Welfare has taken various steps to improve the hygiene and food safety standards protocols for food street hubs. These initiatives include training of food handlers, independent third-party audits, and certification under Clean Street Food Hub initiative of the Eat Right India movement. One Healthy & Hygienic Food Street will also be developed in A&N Islands too.

On April 19, 2023, contractor of Smart City Project while drilling for laying CCTV cable had damaged 1 No. 33 KV UG Cable & 1 No. 11KV UG Cable at Foreshore road, resulting in power interruption. Again on May 3, 2023, the PBMC Contractor while excavating the road side at Dudh Line had punctured 11 KV-Nayagaon feeder cable at two places which resulted in power interruption in that area for long duration of about 10 hours.

The Electricity Department is already overburdened with power shortage and is carrying out load shedding to manage the demand and supply gap. The long duration of power interruption due to such cable faults further creates unrest among the public.

The A&N Administration has viewed this issue very seriously and has directed Electricity Department to take strict action against such erring Contractors/ Agencies, who are causing damage to the public property.

All Agencies/Contractor before carrying out such excavation work shall intimate the Junior Engineer/Site Office Staff of the area well in advance to avoid such incident of power cable damage in future, a press release from Electricity Department said.

Providing localized information about natural phenomena through mobile applications
Residents of A&N Islands urged to download MAUSAM App & Damini Lightning App to get timely information

Port Blair, May 4

Andaman & Nicobar Islands are prone to Geological and Hydro-meteorological disasters. These Islands also falls in cyclogenesis zone and significant number of cyclones gets generated every year in the Andaman Sea. Heavy rainfall due to monsoon leads to localized flooding also occurs frequently in low lying areas. To provide localised information about such natural phenomena various mobile applications have been developed.

MAUSAM App

DAMINI LIGHTNING App

MAUSAM, a Mobile App of the India Meteorological Department (IMD) is providing seamless and user-friendly access to weather products available on https://mausam.imd.gov.in/. Users can access

observed weather forecasts, radar images and be proactively warned of impending weather events.

Damini Lightning Apps has also been developed by IITM- Pune and ESSO where monitoring of all

lightning activity happening specifically in India and alert is generated, if lightning happens nearby through GPS notification under 20KM and 40KM.

All residents of A&N Islands have been requested to download the MAUSAM App and Damini Lightning App from the Google Play Store or IOS and install the same in mobiles to get timely information, a press release from Directorate of Disaster Management said.

India surpasses Australia to become No. one Test team in ICC rankings

New Delhi, May 4

Rohit Sharma-led India surpasses Australia to become the number one Test team in the latest rankings released by the International Cricket Council (ICC) yesterday.

Australia's reign at the top of the men's Test rankings comes to an end after 15 months with India going past the Aussies ahead of next month's ICC World Test

Championship (WTC) final.

India currently sits at the top of the ladder with 121 points, with Australia in the second spot with 116 points. Earlier this year, India posted a 2-1 series win against Australia to retain the Border-Gavaskar trophy for the fourth consecutive time.

England (116 points), South Africa (104) and reigning champion New

Zealand (100) occupy third, fourth and fifth spots respectively.

India will face Australia in the WTC final on June 7 at the Oval in London.

Secretary, BCCI, Shri Jay Shah has congratulated to Team India for becoming the No. 1 Test team in the world. The top spot reflects India's commitment to Test cricket and the consistent performances both home and away.
