Union Minister of Science & Technology presents National Technology Awards

A mechanism is sought to be developed soon to oversee the nurturing and progress of the Startups: S&T Minister

New Delhi, May 14 (PIB)

Dr. Jitendra Singh, MoS (I/C) Science & Technology, Earth Sciences, MoS PMO, D/o Space, Atomic Energy and DoPT has proposed the setting up of a mechanism to oversee the nurturing and progress of Startups as their numbers have risen to more than a lakh.

"Such a mechanism is sought to be developed that will closely follow up the growth of these Startups, see how to sustain them so that they do not lose out, especially Startups that have received technical and financial support from the Government," he said, addressing the valedictory function and Awards Ceremony of the National Technology Week Exposition at Pragati Maidan, New

Delhi today." The Science & Technology Minister said, as the Third Generation since Independence takes over, times have witnessed a shift from IT to Biotech and Earth Sciences as new opportunities have opened in Oceanography.

"This 3rd Generation is the most fortunate as they are no longer 'Prisoners of their Aspirations,'" said Dr Jitendra Singh, adding, "These are one of the best times with India in the forefront, witnessing innovation under the dynamic leadership of Prime Minister, Shri Narendra Modi."

Dr Jitendra Singh said we should step aside of myths around the Startups. "One is Age factor, I have seen a scientist setting up a Startup after retirement; second is higher Qualification, you just need to be an Innovator, having an inherent quest for creativity," he said.

The Minister also proposed Cluster projects which are theme based projects, and said this exercise will be initiated next week. Dr Jitendra Singh said the National Technology Week Exposition is an example of "Whole of Government" approach as laid out by PM Modi, with more than 12 Central

Ministries & Departments converging to mount a grand show. The Union Minister of Science & Technology also presented the National Technology Awards on the occasion.
