## Gandhian ideals of peace and harmony reverberate globally and give strength to millions: PM

Hiroshima, May 20

"The Gandhian ideals of peace and harmony reverberate globally and give strength to millions," Prime Minister, Shri Narendra Modi said. As a mark of solidarity for peace and non-violence, Prime Minister, Shri Narendra Modi today unveiled a bust of Mahatma Gandhi in Japan's Hiroshima, a city severely damaged by the atomic bomb during World War II. Gifted as a symbol of friendship and goodwill between India and Japan, the 42-inch-tall bronze bust close to the iconic Atomic Bomb Dome is said to be India's befitting tribute to a city that symbolises humanity's yearning for peace.

Further, in a separate interaction with the reporters on the unveiling of the first sculpture of Mahatma Gandhi in Hiroshima, PM said, "Even today, the world gets frightened

when they listen to the word 'Hiroshima'. I got the opportunity to unveil a bust of Mahatma Gandhi during my visit to Japan for the G7 Summit. The bust will take forward the idea of non-violence."

Pertinently, the 42-inch-tall bronze bust

has been sculpted by Padma Bhushan awardee Ram Vanji Sutar, also the man behind the sculpting of the marvellous Statue of Liberty.

Detailing more on the newly unveiled bust, the Ministry of External Affairs said,

"The location has been chosen as a mark of solidarity for peace and non-violence. Mahatma Gandhi dedicated his life to peace and non-violence. The location truly resonates with the principles and life of Gandhiji, which continue to inspire the world and its leaders."

It is pertinent to note that PM is currently on a three-day visit to Japan at the invitation of Japanese PM, Mr. Fumio Kishida to participate in the G7 Summit.

On the sidelines of the G7 Summit in Hiroshima, earlier in the day, Prime Minister, Shri Narendra Modi held bilateral meetings with his counterparts from Japan and Vietnam, where the talks reflected the broader convergence of interests on the bilateral, regional, and global fronts.
