Ease of film making and upgradation of the existing studios has to be pursued rigorously: Dr. Jitendra Singh

Film production can have a lasting impact on travel destinations: Shri G. Kishan Reddy

New Delhi, May 23 (PIB)

Union Minister of State (Independent Charge) Science & Technology; MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr. Jitendra Singh, Union Minister of Culture, Tourism and the Development of the North Eastern Region, Shri G. Kishan Reddy today addressed the side event on the theme "Promoting Incredible India through Film Tourism" on the sidelines of 3rd Tourism Working Group Meeting.

The side event on Tourism was aimed at furthering the scope of the film tourism sector and highlighting all the aspects of Incredible India. During the event, Dr. Jitendra Singh said, India has no dearth of talent having the century old film legacy with leading names of Guru Dutt and Satyajit Ray who have been acknowledged for their art work despite no avenues

and facilities, Dr. Singh added. Dr. Singh hoped that the business community will help in scaling up the efforts already taken by the Ministry of Tourism and Ministry of I&B. Dr. Jitendra Singh said, ease of film making and up gradation of the existing studios has to be pursued rigorously to support the film industry. Liberalisation of State regulations has to be taken up by the Ministry of Information and

Broadcasting to encourage film making throughout India, Dr. Singh added.

During the event, Shri G. Kishan Reddy said, tourism has the greatest ability to generate overall employment especially among the vulnerable communities. Film production can have a lasting impact on travel destinations as the cinematic exposure to a destination transforms the place

into a tourist destination, Shri Reddy added. Shri Reddy impressed upon the States and UTs to have formal policies for the promotion of film tourism. Wherever there is an existing policy, the same may be strengthened to pave way for film production, Shri Reddy added.

Secretary, Ministry of Information and Broadcasting, Shri Apurva Chandra in his detailed session on 'Facilitating Film Tourism in India through Film Facilitation' said, India's film sector has very much to offer to the world having skilled manpower, visualisation and sound effects.

Various important sessions of the side event on Tourism deliberated upon how to leverage the power of Film Tourism to promote destinations. The sessions provided an opportunity to the States/ UTs to share their policies and best practices which helped them develop film tourism.
