# An overview of initiatives taken and future projects under Health Sector in Isles

## Phase-I construction work of Garacharma District Hospital likely to be completed by February 2024

Port Blair, Oct. 14

The Directorate of Health Services is providing preventive, promotive, curative and quality health services at free of costs to the people of A&N Islands through primary health care approach. Various initiatives have been initiated by the Health Department to cater to the needs of the Islanders. The Secretary (Health) in an interview has outlined the achievements, initiatives and future projects in pipeline to further augment the health facility in the Islands including strengthening its manpower, so as to provide seamless health related services. Excerpts of the interview are as given below.

**Interviewer: Elaborate on the number of referral Hospitals, CHC etc. functioning under Directorate of Health Services in A&N Islands ?**

**Secretary (Health):** The Health Department has three District Hospitals, one in each district i.e. G.B. Pant Hospital in South Andaman District, Dr. Rajendra Prasad Hospital in North & Middle Andaman and Bishop John Richardson Hospital in Nicobar District. G. B. Pant Hospital, Port Blair is the lone referral Hospital in A&N Islands. To support these three District Hospitals, the Department is having 4 Community Health Centres, 22 Primary Health Centres and 124 Sub Centres. Health and Wellness Centre (HWC) is a very important step by the Ministry of Health & Family Welfare, GoI, under which all the Sub Centres, PHCs have been upgraded as HWCs. The basic health facilities which should be available in a Primary Health Care Institution have been made available in HWCs. All the HWCs are manned by a Community Health Officer or ANM and they are supported by ASHA workers besides other supporting staff. The recruitment process is underway in Health Department and the staff strength will further improve.

**Interviewer: Steps taken to fill up the**

Upcoming Garacharma District Hospital

**vacancies in Health Department?**

**Secretary (Health):** There are different categories of posts in Health Department viz. Group A, B & C posts. Doctors and Specialists comes under Group A post, Nursing Officers come under Group B posts and in Group C, other supporting staff viz. ANMs, Para Medical Worker etc. Recruitment for Doctors and Specialists on contract is under process. Further, stage 1 recruitment for Group B & C will be completed in next two months in which all the vacant posts will be filled and the required manpower will be available in all the Islands.

**Interviewer: How many Dialysis Units are there in entire Islands?**

**Secretary (Health):** There are 7 Dialysis Units in A&N Islands, one each at G. B. Pant Hospital, Dr. Rajendra Prasad Hospital, Mayabunder and Bishop John Richardson Hospital at Nicobar District. Dialysis Unit is also available in three CHCs i.e. Bambooflat, Rangat and Diglipur. Recently, the Chief Secretary, A&N Administration inaugurated a Dialysis Unit at PHC Swaraj Dweep and it has the distinction of being the first PHC in the country to have a Dialysis Unit. It's a matter of great pride for A&N Islands that in a small Health Unit like PHC, the facility of dialysis is available for the benefit of the residents of that area.

**Interviewer: Brief about the availability of Blood Bank and other such facilities in A&N Islands.**

**Secretary (Health):** The facility of Blood Bank is available in three places in Port Blair as of now i.e. G.B Pant Hospital, INHS Dhanvantri and in private hospital Pillar Health Centre. The Department has devised a plan to set up a Blood Storage Centre facility in all District Hospitals, Community Health Centres and Primary Health Centres. The Department urges blood donors

4D Colored Echo Machine at GBPH

having different blood groups to come forward to donate blood, so that it can be made available to needy people through Blood Bank to save lives.

**Interviewer: How many Ambulance and Advance Life Support Ambulances are available with the Department?**

**Secretary (Health):** The Health Department presently has 69 Ambulances spread over different facilities in A & N Islands. As of now, there is no Advance Life Support Ambulance in the Department. However, the tendering for the purchase of an Advance Life Support Ambulance is underway.

The Department is having Mortuary facility in almost all the PHCs, where dead bodies are stored and if required, Post Mortems are also done. Mortuary vans are not provided by the Health Department. Normally, it is provided by the local bodies like PBMC.

**Interviewer: Kindly elaborate on Intensive Care Units and Radiological Units across the Islands?**

**Secretary (Health):** The Health Department has four ICUs in G.B. Pant Hospital viz. Medical ICU (11 beds), Surgical ICU (10 beds), Paediatric ICU (2 beds) for Children and for new-born Neo-Natal ICU (20 beds). In the Radiology Department, the Health Department is having MRI facility and a good CT Scan Machine. The proposal for procurement of a new CT Scan Machine is under process. Apart from this, the Department has Ultrasound Machines, Digital X-Ray, Portable X-Ray and Mammography Machine. Similarly, a basic facility of Radiology is available in all the PHCs and CHCs viz. X-Ray and Ultrasound. At present, there is no facility for CT Scans in Inter-Islands. CT Scan Machine is a highly technical & complex machine and it has its eco-system which requires the services of a Radiologist. The Administration is in the course of discussion about the necessity/requirements available at this stage for starting this facility in inter-island as Radiologist is a special position and getting a Radiologist in A&N Islands is

not an easy task. However, if the need arises, the facility of CT scan will be made available in Inter-Island too.

**Interviewer: Comment on the availability of Laboratory facilities?**

**Secretary (Health):** The laboratory facility is available in all the PHCs, CHCs and Health Sub Centres. Complete Blood Count (CBC) Machine, Semi-automated analyser for all the Biochemistry Investigations, Haematology, X-Ray and Ultra Sound is available in all places like Diglipur, Mayabunder, Rangat, Nancowry, Car Nicobar and Campbell Bay besides Port Blair.

**Interviewer: What are the different specializations available here?**

**Secretary (Health):** There are 21 Medical Departments in G B Pant Hospital and these Departments have Professors and Associate Professors rendering their specialised services to the patients. Some Posts of Specialists could not be filled and the Health Department advertises the posts of Specialists from time to time. Some Specialists join the Department but due to some issues, the Department has not been able to retain them for a longer time. However, efforts are continuing to fill all the posts of Specialists in A&N Islands to provide better health care to the general public.

**Interviewer: How many Operation Theatres are there across the Islands?**

**Secretary (Health):** There are eight Operation Theatres in GB Pant Hospital, out of which, three are Modular OTs and three of the existing OTs are being upgraded

(Contd. on last page)

## Zero tolerance towards encroachment on Govt. revenue land

### Eviction drive carried out in Mayabunder Tehsil

Mayabunder, Oct. 14

In continuation with its Zero Tolerance Policy towards encroachment on Govt. revenue land, the District Administration of North and Middle Andaman has taken another significant step towards protection of Government land in the District of North and Middle Andaman.

Accordingly, eviction drive was conducted in Mayabunder Tehsil today at Pahalgao village, where the encroachment in the shape of temporary structure made over Government land at Pahalgao village and well fenced area to an

extent of 300 Sq. Mtrs. out of Govt. Revenue land bearing Sy.No.256/1, have been cleared from encroachment and the land has been restored to the Government.

**Maintenance activity of A & N State Data Centre successfully completed**

Port Blair, Oct. 14

The maintenance activity of A & N State Data Centre today has been successfully completed and all the applications are accessible now, a press release from A & N State Data Centre said.

## Govt. declares August 23 as National Space Day

New Delhi, Oct. 14

Government has declared 23<sup>rd</sup> of August of every year as National Space Day to commemorate the success of Chandrayaan-3 Mission, with the landing of Vikram lander and deployment of Pragyaan Rover on lunar surface.

In a Gazette notification issued today, Department of Space said the outcome of this historic mission will benefit mankind in the years to come. It said 23<sup>rd</sup> August marks an important milestone in the country's advancements in Space Missions and inspires younger generations towards enhanced interest in pursuing STEM. ## Hon'ble MoS for RD, Consumer Affairs, Food and Public Distribution chairs Meeting of Hindi Consultative Committee at Swaraj Dweep

Port Blair, Oct. 14

A meeting of Hindi Consultative Committee was held at Swaraj Dweep yesterday under the chairmanship of Hon'ble Minister of State for Rural Development, Consumer Affairs, Food and Public Distribution, GoI, Sadhvi Niranjana Jyoti. During the meeting, the Hon'ble Members of the Committee gave their valuable suggestions on progress and use of Official Language (Hindi). The work performance of the Ministry in implementation of Hindi was also reviewed.

The Hon'ble Minister directed all concerned

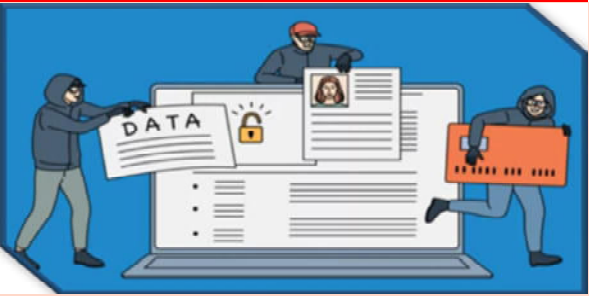

Departments/ Public Sector Undertakings to maximize their work in Official Language (Hindi). She also assured the Members of the Committee to take appropriate action on the valuable suggestions provided by them, a press release from Department of Food & Public Distribution, GoI said.

## Andaman and Nicobar Police issues public advisory on infostealers via fake keygens and cracks

Port Blair, Oct. 14

Information stealer or infostealer is a malware that is designed to gather information from a system, such as data relating to passwords, browser auto fill information, browser cookies, crypto wallets, and credit cards, which is sent to attackers system. A

surge in number of cybercrimes involving malware is often noticed. The Infostealer has been

(Contd. on last page)

# Cricket World Cup 2023: India beat Pakistan by 7 wickets

Ahmedabad, Oct. 14

In the ICC Men's Cricket World Cup, India have thrashed Pakistan by 7 wickets at Ahmedabad. Chasing a paltry score of 192, India achieved it in just 30.3 overs losing only 3 wickets. For India, the top scorers were Skipper Rohit Sharma with 86 runs and Shreyas Iyer with 53 runs.

Earlier, put to bat first, Pakistan were bundled out for 191 in just 42.5 overs. Captain Babar Azam with 50 runs and Mohammad Rizwan with 49 runs were top scorers for Pakistan.

Jasprit Bumrah, Mohammed Siraj, Hardik Pandya, Kuldeep Yadav and Ravindra Jadeja took two wickets each for the hosts. Jasprit Bumrah was declared man of the match.

## A&N State Sub Junior U- 15 Chess Championship gets underway

**Secretary (Education / Sports) felicitates young chess players who have recently won FIDE Titles and opened International Chess Rating**

Port Blair, Oct. 14

The A&N State Sub Junior (Under 15) Chess Championship 2023 organised by Andaman Nicobar Chess Association (ANCA) began today at Hotel TSG Emerald View, Phoenix Bay. Smti. Pallavi Sarkar, IAS, Secretary, Education & Sports, A & N Administration graced the opening ceremony as the chief guest and made the ceremonial first move on the top board against AFM

Yashwant V to kick start the event in the presence of office bearers and the organisers of ANCA. Speaking on the occasion, the chief guest said that life is like a game of chess. As in chess, different pieces have different strengths and weaknesses and each piece is capable of giving check mate. In real life too people are unique with different strengths and weaknesses and everybody possess

some quality that help us in facing the challenges of life to come out as winners. The chief guest also felicitated the young chess players who have recently won FIDE Titles and opened International Chess Rating with trophies and certificates.

Around 130 players are participating enthusiastically in the two-day State Level Chess Championship that will conclude on 15<sup>th</sup> October, 2023 and

will serve as selection tournament for the upcoming National Sub Junior (U-15) Chess Championship-2023 scheduled to be held in Maharashtra in the month of December 2023.

Earlier, Shri C.S. Ashok, President ANCA, while welcoming the gathering and highlighted the recent achievements and vision of ANCA, a press release from ANCA said.

## Andaman and Nicobar Police issues public... (Contd. from page 1)

distributed in disguise as cracks and keygens of various unofficially downloaded programs which are used by cybercriminals to spread malware. Infostealers usually operate as malware-as-a-service (Maas), a business model in which the developers of malicious software lease their malware to others for a fee.

➤ Cybercriminals bundle malware with key generators and software cracks and make it available at various dubious sources, such as freeware download websites, free file hosting websites, peer-to-peer (P2P) networks, etc. In some cases, these tools are proliferated together with chosen software installation setups.

➤ Victims download these malicious software cracks and fake keygens to activate licenses for third-party software.

➤ Once the infostealer is executed by victims on their systems, sensitive information saved on the systems is collected and sent to a C2 server controlled by attackers.

➤ Infostealer attacks are typically financially motivated. The stolen data is analyzed and valuable information is organized into a database, which can then be sold on the dark web or through private social media channels.

➤ The information is then used to commit various types of fraud, such as applying for bank loans or credit cards, purchasing items online or making fraudulent health insurance claims, etc.

In this regard, Andaman and Nicobar Police has issued the following advisory to safeguard the citizens against Infostealers.

➤ Avoid downloading pirated software (and software cracks) from unverified sites and activating the software using any third-party key generators.

➤ Do not trust sources that promise free installation of software with premium features.

➤ Download software from official sources only, check legitimacy of the website before downloading.

➤ Keep your devices secured using a reputed antivirus and/or anti-malware solutions.

➤ Regularly update your browser, operating system, and other applications.

Report any such incidents on the cybercrime.gov.in portal and follow @CyberDost on Twitter, YouTube, Facebook, Instagram, Public, Koo and LinkedIn to know more about safety tips. For any assistance, information or enquiries, contact Cyber Cell, Port Blair over Cyber Helpline No. 1930, 9531856083 or visit cybercrime.gov.in, a press release from SP (CID) said.

## DDK to telecast interview of Secretary (PBMCI) on Oct. 16

Port Blair, Oct. 14

In the next episode of 'Dweep Vikas Aur Prashasan', DDK will telecast an interview with Secretary (PBMCI), Shri Dilkush

Meena, IAS on Oct. 16, 2023 at 6 pm on v a r i o u s d e v e l o p m e n t a l activities of PBMCI, a press release from DDK said.

## List of eligible candidates for skill test for post of Technicians in DBRAIT uploaded

Port Blair, Oct. 14

All the candidates who have appeared in the CBT held on Sept. 30 for the post of Lab Technician (Computer Science) and Lab Technician (Hotel Management) on contract basis in the establishment of Dr. B.R.Ambedkar Institute of Technology have been informed that the

list of eligible candidates for the skill test (who have scored 40% and above marks) has been uploaded in the Common Recruitment e-portal https://erecruitment.andaman.gov.in/crap. The skill test is scheduled on Nov. 1 from 9.30 am to 5 pm, a press release from DBRAIT said.

## List of candidates eligible for trade test for post of Dealing Assistant (HC) in PMT, A&N Police uploaded

Port Blair, Oct. 14

The list of candidates qualified for Trade Test for the post of Dealing Assistant (HC) in Police Motor Transport, A&N Police Department has been uploaded on A&N Police Website (https://police.andaman.gov.in). The candidates have been advised to report at Tagore Government College of Education (TGCE), Middle Point to appear for Trade Test (Typing Test on

Computer and Computer Formatting Test) on 17/10/2023 at 0830 hrs.

In case of any queries, candidates have been advised to contact Recruitment Cell, Police Headquarters, Port Blair, A&N Islands on email ID: recruitment.phq@and.nic.in & on Phone No. 03192-230735 from 9.30 am to 5 pm on all working days, a press release received from SP (Recruitment) said.

## An overview of initiatives taken and future projects... (Contd. from page 1)

to state of the art Modular OTs with facilities for telecasting live surgeries outside. Apart from this, OTs are there in RP Hospital Mayabunder, CHC Diglipur, CHC Rangat and BJR Hospital, Car Nicobar where the services of Surgical Specialist and Anaesthetist are available.

**Interviewer: What about Paramedic Staff & Nursing Staff in outer Islands?**

**Secretary (Health):** Paramedic Staff & Nursing Staff are available in all the outer Islands though it may not be adequate. However, the recruitment process is being done and very soon, the vacant posts will be filled and there will be no shortage of staff in outer Islands.

The recruitment of Specialist Doctors on contract basis is under process. The recruitment examination for the post of Nursing Officer, ANM, Health Worker (Male), Jr. Radiographer and Health Educator have been completed and appointments against 169 vacancies of these posts shall be done shortly. The second phase of recruitment examination for 16 posts with 38 vacancies shall be conducted soon. Recruitment shall also be conducted against 28 vacant posts of pharmacist shortly.

**Interviewer: Procurements are done through GeM Portal, is there any difficulty in procuring items in Outer Islands?**

**Secretary (Health):** Directions have been received to purchase all the items through GeM portal only and the Department mostly purchases all the items through GeM. It is true that sometimes, issues crop up in PHCs to purchase food items as local vendors registered in GeM are not available. To mitigate this issue, the Department ties up with the CHCs where local vendors are available and the issues of PHCs are sorted out. The Department, this year, will make best effort to ensure the engagement of one or two local vendors with the PHCs through GeM, so that such issues do not arise in future.

**Interviewer: How medical evacuations are being carried out in inter Island during emergencies?**

**Secretary (Health):** The Administration has facilities of Helicopters by which medical evacuation is carried out. Besides, help from Defence is also being sought due to the fact that Administration's helicopters cannot fly in the night and inclement weather conditions. Apart from this, demand for purchase of an Air Ambulance is also being received by the people of these Islands. The matter regarding Air Ambulance has also been taken up and the Department hopes that the issue will be resolved very soon. The SOP for airlifting of serious patients from outer islands at subsidized rates is being finalized. Moreover, reimbursement of transport cost is made to beneficiaries of AB-PMJAY who are referred by air in sitting position or as a stretcher case, for the patient and one attendant.

**Interviewer: How much honorarium is paid to ASHA workers?**

**Secretary (Health):** At present, ASHA workers are paid an amount of Rs.2,000 per month besides different types of incentives are also given. The A&N Administration has given an additional grant of Rs. 500 for each ASHA worker, in addition to the monthly amount of Rs.2,000. This is an additional facility given only in Andaman & Nicobar Islands and not in any other part of the country. The demand for providing additional amount to the ASHA workers have been received and the Administration is looking into the matter, which will be resolved very soon.

**Interviewer: Budget allocated during this financial year for improving health care facilities?**

**Secretary (Health):** The Health Department got a budget of Rs. 370 crores this year, out of which, the revenue component is Rs. 338 crores and rest is for procurement of machineries, ambulances and construction of buildings etc. The Health Department has requested an additional budget of Rs.12 Cr. as revised estimate for the current financial year to procure essential medical equipments and consumables.

**Interviewer: Types of disease eradication Programmes being implemented by DHS?**

**Secretary (Health):** For the eradication of major diseases prevalent in these Islands, the DHS organizes different programs. Coordinated efforts are being made to eradicate Malaria by 2027. It is a matter of pride that , a Certificate of Appreciation has been awarded to A&N Islands by GoI for bringing down the incidence of TB and for implementing the TB Eradication Programme successfully. Apart from this, the prevention of leprosy, blindness, hearing problems, non-communicable diseases, cancer and improving oral health is being dealt through the 'National Health Mission' (NHM). All the Centrally Sponsored Schemes also come through NHM.

**Interviewer: Elaborate on AYUSH and the facilities available under this system of medicine?**

**Secretary (Health):** The policy of GoI is to integrate the AYUSH system with the Allopathic System of Health care, so that the facility of AYUSH is also available in the same Health Centre. Accordingly, the A & N Administration has taken steps in the same direction. AYUSH dispensaries are co-located wherever the PHCs, CHCs and District Hospitals, are functioning. Homeopathy Dispensaries are functioning in two District Hospitals, 4 CHCs and 10 PHCs. Yoga Units are functioning in two District Hospitals, three CHCs and two PHCs. Six exclusive AYUSH Health and Wellness Centres are available to provide AYUSH facilities in a focussed way, which include yoga facilities, homeopathy facilities and AYUSH system of treatment. This year, a plan has been prepared to increase the AYUSH system of treatment for Panchakarma, arthritis-related disorders. For this, four new Centres will be opened at Port Blair, Swaraj Dweep and Bambooflat, so that AYUSH facilities are further increased. Acknowledging the great demand, AYUSH facilities and infrastructure for AYUSH will also be upgraded in Rangat.

**Interviewer: What is being done to provide adequate health care to PVTGs?**

**Secretary (Health):** The A&N Administration is always alert when it comes to the Health Care of the PVTGs. Exclusive Tribal Wards are available in PHCs viz. Baratang, Kadamtala, Tushnabad. Besides, Sub-Centers are also functional in the Tribal areas of Dugong Creek, Jirkatang and Strait Island. The immunization schedule is also followed strictly and it is ensured that kids are immunized as per schedule. For this, I appreciate the effort of the ANMs and ASHA workers as they ensure the immunization of the children working at the field level. Apart from this 100% ANC check-up is also ensured. Critical cases are immediately sent to G.B. Pant Hospital or referred to the mainland. Many Health Camps have also been organized in Tribal areas to provide adequate healthcare facilities.

**Interviewer: Whether in-service training are provided Doctors to enhance their skills?**

**Secretary (Health):** In-service training for Doctors is of paramount importance as technology, techniques and knowledge are changing constantly in the health sector. The Health Department gives utmost importance to the aspect of in-service training for doctors and others. The training for GDMOs is conducted from time to time at Port Blair besides online training provided by GoI. The training related to developments in different programmes like TB, Malaria, Hospital Management and Emergency Medical Care conducted by GoI is also attended by the doctors from the Islands at mainland, to enhance their level of knowledge. The Health Department encourages doctors to take up higher studies, so that they can provide better health services to the Islanders.

**Interviewer: Brief on ANIIMS.**

**Secretary (Health):** ANIIMS is the lone Medical College of A&N Islands. Every year, 114 students are admitted to ANIIMS, which has been functioning since 2015 in A&N Islands. Faculties are available in 21 Departments of ANIIMS. About the physical infrastructure of ANIIMS, work is in progress. The Chief Secretary soon after assuming charge gave more importance to the functioning of ANIIMS and works for infrastructure development are progressing at a faster pace. The GB Pant Hospital is currently associated with ANIIMS at present and the passed-out students of ANIIMS come to GB Pant Hospital for training. We hope that in the coming years, the quality of education and infrastructure will further improve in ANIIMS and it will provide better health care to the islanders.

**Interviewer: Elaborate on the projects which are in the pipeline.**

**Secretary (Health):** Our future plan is to increase the capacity of Hospitals in outlying areas. 80 percent construction work of the New Wards at Dr. RP Hospital in Mayabunder has been completed and within two months, the project will be completed. Diglipur CHC will be upgraded into a Sub Divisional Hospital within one month. The phase-I construction work of the Garacharma District Hospital will be completed by February, 2024. All the facilities available in the District Hospital will be made available in this Hospital. Once the second phase is completed, it will have a bed capacity for 155 patients with all kinds of facilities viz. basic laboratories, all kinds of test facilities, all radiology equipment, services of doctors and specialists, operation theatres etc. The Health Department has also identified land to setup 4 new Urban Health Centers (UHCs).

Health is a vital aspect of our life. The way, the Health Department has carried out development works in the Health Sector in recent years is commendable. Earlier, there were complaints regarding shortages of equipment, ambulances, staff, doctors etc. from the outer Islands. In the last few years, a lot of work has been done including major purchases in the Health Sector which has minimized the grievances of the general public to a great extent. However, our efforts will always be to provide quality health care to the Islanders. We seek cooperation from the general public and public representatives to collaborate with doctors and lower staff to enable them to provide better health care to the Islanders. I hope that all the health indicators of this UT are among the best in the country.
