## Empowering people with Disabilities through Unique Disability Identity (UDID) Card generation

### Ministry generates 5573 e-UDID Cards for A&N Islands

Port Blair, Oct. 15

The Social Welfare Department, A&N Administration is implementing the Govt. of India scheme of Unique ID for Persons with Disabilities in an effective manner to empower people with Disabilities. The Aadhaar-linked Unique Disability Identity (UDID) Card would ensure their ease to access various Government schemes & benefits. The Ministry of Social Justice and Empowerment, Govt. of India had launched this project in the year 2016 with a view to create a National Database for PWDs and to issue a Unique Disability Identity Card to each person with disabilities.

The Ministry has so far generated 5573 e-UDID cards for A&N Islands and the coverage rate has also increased benefitting the divyangs in all the three Districts (South Andaman, N&M Andaman and Nicobars). A&N Islands stands 4<sup>th</sup> in India in implementing the GoI scheme of Unique Disability Identity (UDID) Card generation.

The Unique Disability ID (UDID) Smart Card contains details such as disability percentage, personal details, identity, employment details, education details of a person with disability. With UDID Card, the

divyangs are eligible for free aids and appliances as per their abnormality/deformity from ALIMCO, they will get priority in medical treatment, priority at ticket counters, priorities in hearing of their grievances, free bus passes and free ship tickets in mainland bound ships once in a year and inter islands ships and boats as and when required, scholarship for students etc.

The project has not only brought transparency, efficiency and ease of delivering the Government benefits to the person with disabilities, but also ensured uniformity. It has helped in streamlining the tracking of beneficiary at all levels of hierarchy of implementation - at village,

block, District, State and National level.

The Departments of Health and Social Welfare are coordinating to help the disabled get disability certificate from the notified medical authorities. A divyang with multiple disabilities is assessed by a Medical Board comprising of specialists to assess the percentage of disability and issue the Disability Certificate after which it is uploaded on the national portal: "www.swavlambancard.gov.in".

The Social Welfare Department has urged the left out divyangjans to contact nearby PHCs for renewal/new medical certificate for applying for UDID Cards online.

The Smart Card has eliminated the hassles of the disabled to carry their disability certificates for different purposes since detail about the type of disabilities that they suffer from are included in the card. Moreover, the UDID Cards will be valid all over the country. As a result, the divyang

### Prevention of Cruelty of Animal Act

#### Use of glue trap method which inflicts pain to rodents is prohibited

Port Blair, Oct. 15

The Prevention of Cruelty of Animal Act, 1960 has provision for alleviation of suffering of animals. There are various Rules under the PCA Act 1960, which address issues concerning cruelty to animals in unreasonably small spaces. In this context, use of Glue trap method which inflicts unnecessary pain and suffering to the rodents is not recommended.

The use of Glue traps is a cruel reoccurring practice which is a continuing Act by its user as they mostly use multiple traps and keep using within a very short period for controlling rats/rodents which is in direct violation of Section 11(1) of PCA Act, 1960 for which a person is liable to the punishment which may extend to one hundred rupees or with imprisonment for a term which may extend to three months or with both for the second or subsequent offence, which in this case is almost always happening.

The general public have been requested to make themselves aware of the provisions of the PCA Act 1960 and take active part in alleviating animal suffering, a press release from Director (AH&VS) said.
