Union Home Minister and Minister of Cooperation launches Amrit Kalash Yatra under the 'Meri Maati-Mera Desh' campaign

'Meri Maati - Mera Desh' is not just a programme but a medium to connect oneself with future of country:HM

New Delhi, Sept. 1 (PIB)

Union Home Minister and Minister of Cooperation, Shri Amit Shah, launched the Amrit Kalash Yatra under the 'Meri Maati-Mera Desh' campaign in New Delhi, today. In his address, Shri Amit Shah said that today's event is somewhat like an evening, as it is happening at a time when India has completed 75 years of independence. He said that upcoming Amritkal and "Sankalp Se Siddhi" will put India at the forefront in every field globally by August 15, 2047. Shri Shah said that India, as envisioned by our freedom fighter, will be created in the next 25 years. He added that over the past 75 years, India has got many achievements, but they are not

sufficient. Shri Shah said that after a long period of subjugation and the sacrifices of millions, we gained independence, and in the last 10 years under the leadership of Prime Minister, Shri Narendra Modi, every Indian has been given the opportunity to come together and help create a greater India.

Union Home Minister and Minister of Cooperation said that the Meri Maati-Mera Desh programme expresses its meaning

through its name itself. He said that now we are living in independent India, and for this, millions have made sacrifices. He added that from 1857 to 1947, for 90 years, a long struggle for freedom was fought, and countless known and unknown freedom fighters sacrificed their life to the cause. He said that only a person like Prime Minister, Shri Narendra Modi, who is full of patriotism in his heart, could have imagined initiating this journey of "Sankalp se Siddhi", by taking a pledge with 'Mitti' in his hand and paying homage to those who have made the sacrifices. Shri Shah said that the idea behind this programme is that every individual, family, citizen,

India's solar mission Aditya-L1 to be launched from Sriharikota today

Sriharikota, Sept. 1

The countdown for the Saturday morning launch of India's mission Aditya to the Sun has begun. PSLV C-57 will begin its mission tomorrow noon from Sriharikota Space Station in Andhra Pradesh. The satellite will be placed in a halo orbit around the Lagrange point L1 of the Sun-Earth system, which is about 1.5 million kms from the Earth. It will take around four months to reach the Lagrange point.

The advantage of halo orbit around the L1 point is that the satellite can observe the solar activities without any obstruction by other celestial activities like eclipse. The Aditya L1 mission is to study the solar winds and Sun's atmosphere. It will carry seven payloads to observe the photosphere, chromosphere and the outermost layers of the Sun namely corona. This will help understand the problems of coronal heating, coronal mass

Development of Tourism - Policies for various tourism activities formulated

Port Blair, Sept. 1

Tourism continues to occupy highest priority of Andaman & Nicobar Administration. As a step forward, the UT Administration has formulated policies for various tourism activities i.e. Caravan Tourism, House Boat Tourism, Bird Watching, Beach Shacks, Luxury Tents. Caravan Tourism Policy, Bird Watching Policy and Beach Shacks Policy have already been placed in the public domain, inviting comments/ suggestions from tourism stakeholders

and general public. The last date for receipt of comments/ suggestions in respect of Caravan Tourism Policy, Bird Watching Policy is 12.9.2023 and

Beach Shacks Policy by 20.9.2023.

The Administration is also planning to open up new Islands for tourism and as part of this, Cinque Island

is being considered to be opened for general public & tourists for day tourism.

In addition to these, other proposals like Blue Flag Certification

of 5 Selected Beaches, Inter- Island Cruise Tourism, Simplification of IV Rules, Relaxation of Dry Days, International Air Connectivity, Improvement of Beach Amenities and Facilities, Casino Regulation, Seaplane Connectivity to Swaraj Dweep, Shaheed Dweep and Long Island, International standard facilities and amenities at various Jetties & Wharfs etc. are also in progress, a press release from the Director, Tourism said.

Family of deceased Police Official gets benefit under Police Salary Package

Port Blair, Sept. 1

In a significant welfare initiative, the A&N Police has entered into a Memorandum of Understanding (MoU) with the State Bank of India on January 25, 2023, to extend the benefits of the Police Salary Package to all

its staff. This comprehensive package includes 'Accidental Insurance of Rs. 40 lakhs' in the event of an unfortunate demise.

In a poignant example, the claim for accidental insurance following the tragic demise of Late HC

Ajit Das, who lost his life in a road accident, has been efficiently processed as the inaugural case under this package. The deceased's wife received a sum of Rs. 40.00 lakhs under the 'Police Salary Package' on August 30, 2023.

This milestone underscores the unwavering commitment to the well-being of the dedicated police force and their families. The collaborative efforts between the Andaman and Nicobar Police and

Union Home Minister and Minister of Cooperation launches...
(Contd. from page 1)

and child should connect emotionally with the idea of creation of great India. He said that from 1-30th September, every household, ward, and village will collect the 'Mitti' or grains in a pot, following it up from 1-13th October at the block and later from 22-27th October at State level, and finally, from 28-30th October these 7,500 pots will reach New Delhi, the capital of the country. Shri Shah said that Prime Minister, Shri Narendra Modi will put soil from these Amrit Kalash in the Amrit Vatika created at Delhi honour of our great veers, which will keep on reminding every citizen that we must make India great during the period of Amritkal.

Shri Amit Shah said that Prime Minister, Shri Narendra Modi has integrated several programmes into this initiative, and is providing every Indian with an opportunity to become part of the initiative. He said that a new series has been made by 5 programmes aimed at re-dedicating oneself to the country. Under these programmes inscription have been installed in every village of the country, crores of citizens of the country have taken the pledge of 'Panch Pran' which will pave the way to make India great, 75 trees have been planted in the celebration of Amrit Mahotsav under the Vasudha Vandan programme and honouring the heroes and hoisting the national flag has been done.

Union Home Minister said that under the leadership of Prime Minister, Shri Narendra Modi, organisation of over 2 lakh programmes during the Azadi ka Amrit Mahotsav have once again awakened the spirit of patriotism in the entire nation and these programmes will conclude with Meri Maati-Mera Desh programme. He said that Prime Minister, Shri Narendra Modi had called upon all the countrymen from the ramparts of the Red Fort to take 'Panch Pran' - the goal of a developed India, to remove the mentality of slavery, to be proud of our traditions, to dedicate whole life for unity and integrity, and, to awaken a sense of duty in the mind of every citizen. Shri Shah said that these 'Panch Pran' are the highway to building a great India. He said that 23 crore houses, offices and buildings across the country were beautified with the Tricolour after Prime Minister, Shri Narendra Modi's call for 'Har Ghar Tiranga Abhiyan'. Shri Shah said that the whole country joined the Har Ghar Tiranga Abhiyan by respecting the call of Prime Minister, Shri Narendra Modi and the result of this patriotic feeling was that recently our Chandrayaan reached the Shiv Shakti point on the Moon, which is a very proud moment for all the countrymen. He said that the feeling of pride in the mind of every person of the country has arisen with the tricolor campaign in every house.

Shri Amit Shah said that connecting every person with the future of the country, connecting his feelings with the progress of the country and connecting the efforts of every person with the progress and development of the country is the test of leadership and its responsibility. He said that the whole country is fortunate that after a long time, we have got such a leader like Prime Minister, Shri Narendra Modi, who is paving the way to make the country first in the world during Azadi ka Amrit Mahotsav. Shri Shah said that today our economy has moved from 11th to 5th position in the world and soon we will become the 3rd largest economy. He said that the self-confidence that has been awakened in the mind of every citizen of India has happened through such programmes. Shri Shah said that the confidence instilled in the minds of every Indian citizen through such programmes serves as inspiration for our courageous soldiers to carry out surgical strikes, empowers our scientists to develop the COVID-19 vaccine, and provides the courage for ISRO scientists to reach the Moon and the orbit of Sun.

The Home Minister said that Meri Maati - Mera Desh is not just a programme, but it is a medium to connect oneself with the future of the country. Shri Shah said that this programme can become a medium to make oneself a part of the process of making the country great and after 25 years when the present generation will lead a great India, then they will have the satisfaction in their mind that previous generation had helped make a very strong India.

(Contd. from page 1)

world success story. He also announced that Bal Bhavan will be merged with NCERT soon.

Inaugurating an Augmented Reality (AR) and Virtual Reality (VR) Laboratory, Shri Pradhan highlighted the importance of including technology in the educational system. He said, through AR and VR facility, children from every corner of the country with different dialects will be benefited. He directed NCERT to include a small chapter on the success story of Chandrayaan-3 and it's findings in all 22 recognised languages. The Minister also inaugurated a Vidhya Samiksha Kendra on the occasion. (Source: india.gov.in)

No Claims/ Objections will be entertained after the expiry of the scheduled date and time, a press release from Labour Department said.

Strengthening Traditional Industry of Khadi in India

Turnover of Khadi and Village Industries (KVI) products reached historic high of Rs. 1.34 lakh crore in 2022-23 for the first time in Independent India

Sale of Khadi clothes increased from Rs. 1081 crore in 2013-14 to Rs. 5943 crore in 2022-23

In the last 9 years, the whole world is seeing the revolution that Indian artisans have woven on the charkha of Khadi. The name of that revolution is 'Self-reliant India'. Khadi commands a sentimental value for Indians. It symbolizes the need and importance of indigenous manufactured goods. Today, Khadi means the Fabric of our Nation's Progress and Resilience.

The khadi industry is one of the most prominent traditional industries in India as it not only boosts sales and employment opportunities for the artisans; but also strengthens export potential, contributes to GDP, promotes rural development and entrepreneurship.

Economic Development

Khadi and Village Industries Commission (KVIC) has even exceeded the turnover of the best FMCG companies in India. Owing to the constant support of Prime Minister, Shri Narendra Modi, KVIC has, for the first time, clocked a massive turnover of Rs 1.34 lakh crore in 2022-23. In 2013-14, the turnover of Khadi and Village Industries (KVI) products was Rs. 31,154 crores.

There has been an unprecedented growth of 332% in the sale of indigenous Khadi products made by artisans from 2013-14 to 2022-23. Among the different KVI products, there has been unmatched growth in the production of Khadi fabrics in the last 9 years. In 2013-14, the production of Khadi clothes was Rs 811 crore, with a jump of 260%, it has touched the figure of Rs.2916 crore in 2022-23. The demand for Khadi clothes has also increased rapidly from 2013-14 to 2022-23. In 2013-14, where its sales were only Rs 1081.04 crore, by 2022-23, it increased by 450% to touch the figure of Rs 5942.93 crore.

Khadi artisans associated with Khadi sector are also getting the benefit of increase in production and sale of Khadi clothes. Their remuneration has been increased by more than 150% since 2013-14. The record production of Khadi has been possible due to the continuous efforts and hard work of the cotton spinners and weavers engaged in the production and sale of Khadi.

Strengthening Rural Industries and Community Building

Rural revitalization plays an essential role in fulfilling the country's aim of becoming self-sufficient. In this regard, financial assistance provided through DBT to artisans, modernization of existing infrastructure like charkha and looms, digitization, development of new technology and designs through R&D activities has increased significantly in the last 9 years. This has contributed a lot to the development of Khadi and Village Industries products. To further strengthen the rural economy and to ensure self-sustainability, KVIC unveiled a unique Government online platform eKhadiIndia.com in 2021, which showcases over 50,000 products.

Khadi and Village Industries Commission (KVIC) has taken several other initiatives for promoting, developing and strengthening the rural traditional industries in the country. For instance, KVIC through its Village Industries Program is running skill development training programs to provide training, enhance income and improve livelihood opportunities in various rural industries like honey and beekeeping, palm jaggery, pottery, handmade paper and leather industry, rural engineering etc. Apart from this, KVIC is working on a plan to provide sewing machines as well as sewing training to rural women to provide maximum opportunities to women power in rural areas. Since 2013-14, 7.43 lakh people have been trained across the country and artisans have been provided with need-based tool kits. Further, the appeal of "Vocal for Local" has taken Khadi to new heights of popularity in the country and abroad.

Boosting Employment Opportunities

In the last couple of years, KVIC's main focus has been to create sustainable employment for artisans and unemployed youth. It has set a milestone by creating 9.5 lakh jobs in rural areas in 2022-23, whereas in 2013-14, 5.6 lakh jobs were created. Under Prime Minister's Employment Generation Programme (PMEGP), the nation has set a new record by connecting the youth of the country with the Swadeshi Campaign. More than 80% of PMEGP units are set up in rural areas, out of which more than 50% units are headed by SC, ST and women entrepreneurs. This has given a boost to women empowerment and women entrepreneurs in the country. Under PMEGP, a total of 73.67 lakh people have been provided employment opportunities by setting up 8.69 lakh new projects during 2022-23, with a total margin money subsidy disbursement of Rs 21870.18 crore from 2008-09 to 2022-23. Further, KVIC, through its training centres and through other promotional schemes, conducts Skill Development Programme (SDP) and Entrepreneurship Awareness Programmes (EAP) in the country for unemployed youth to generate self-employment opportunities in traditional industries.

To sum up, Khadi industry is not just a symbol of India's independence movement and cultural heritage but also an essential driver of economic growth, employment, and sustainable development. By supporting the Khadi industry, the nation has reaped social, economic, and environmental benefits, contributing to the country's overall progress.

Centre announces notification of 3 Quality Control Orders for 7 non-ferrous refined metal items

New Delhi, Sept. 1 (PIB)

Ministry of Mines has notified three Quality Control Orders (QCOs) for seven items on August 31, 2023, following the due process of notification of Technical Regulations. These QCOs will come into effect three months from the date of notification. These QCOs mark the first technical regulations from Ministry of Mines under the BIS Act.

The QCO for Aluminium and Aluminium Alloys mandates compulsory certification under the appropriate Indian Standards (IS) for the domestic production and import of aluminium and aluminium alloy (ingots and casting); high purity primary aluminium ingot; aluminium alloy ingots for bearings; primary aluminium ingots for remelting; and aluminium ingots, billets and wire bars (EC grade). The remaining two QCOs provide appropriate IS standards for copper and for nickel powder.

The three QCOs have been notified after an elaborate process comprising consultations with the Bureau of Indian Standards (BIS) and with relevant industry associations and stakeholders, including hosting of the draft QCOs on the website of the World Trade Organization (WTO) for a 60-day period for inviting comments from member countries, and on the website of the Ministry for comments from stakeholders within the 60-day period, followed by finalization of the QCOs after their approval by the Union Minister of Mines and vetting by the Legislative Department.

The Ministry of Mines is laying emphasis on strengthening the quality control eco-system for non-ferrous metals sector in the country. For that, the Ministry is in constant consultation with BIS for preparation of more QCOs on upstream products (refined metal) in the non-ferrous metal value chain.

The development of mandatory QCOs help curb the import of sub-standard products, prevent unfair trade practices, and ensure supply of quality products to the domestic consumers including industrial users. The notified QCOs will ensure the standard and quality of aluminium metal and alloys, copper and nickel to the benefit of the user industry. At the same time, the QCOs will ensure Indian product quality in these items akin to global standards, and enhance the brand value of 'Make in India' in the international market.

The QCO notifications are among the many initiatives of the Ministry of Mines that are aimed at realizing the Prime Minister's vision of Atma Nirbhar Bharat.

NOTICE

This to inform the general members of public that my client namely Smti. Beenapani Barai, D/o Late Lalit Kumar Baishnab, R/o Goal Ghar, under Port Blair Tehsil, South Andaman District is one of the legal heir of Late Lalit Kumar Baishnab, who inherited the landed properties bearing Survey No. 68/1, area 0.26 Hects., Survey No. 69, area 0.10 Hects., Survey No. 71, area 1.39 Hects., Survey No. 72, area 0.14 Hects., Survey No. 79, area 2.12 Hects., and Survey No. 68/2, area 0.04 Hects., measuring total area 4.05 Hects., Situated at Shyam Nagar Village, Swaraj Dweep under Port Blair Tehsil, South Andaman District. In connection with the said Survey Nos. a civil suit is pending before the Hon'ble Court of Joint Civil Judge Senior Division at Port Blair for adjudication. It has come to knowledge of my client from reliable sources that one Shri. Dhruva Chandra Mondal, Smti. Subhadra Mondal, Smti. Bhabani Roy are trying to dispose of the property by illegal means and they are trying to enter into agreement with third party which is not permissible under law as the property is not yet sub-divided among the legal heirs. I, therefore through this notice call upon the general members of public not to deal with the said properties mentioned herein above in any manner whatsoever as the same is sub-judiced and also encumbered. Please note inspite of this publication, if any one deals with the same he/she may do it upon his / her risk and consequence and would subject himself / herself for legal actions.
