

## Chief Secretary constantly reviewing power situation in Isles; issues strict warning to all major electricity consumers to use power judiciously & meet their power requirements by using DG Sets during peak hours to mitigate power crisis

**Task forces of Engineers of Power Department, officials of Revenue & Police Departments to conduct surprise inspections continuously in coming days**

**Incidents of damage to electricity lines & theft of electricity to be viewed seriously; strict action to be taken as per penal provisions**

Port Blair, May 26

In a continuous endeavor to resolve power disruptions, the Chief Secretary, A&N Administration, Shri Jitendra Narain is constantly reviewing power situation. Several teams consisting of officials of Power Departments, APWD, Forest and Fire Department have been mobilized as per the direction of the Chief Secretary. These multi-departmental teams with about 194 staffs have fanned in the 21 areas in South Andaman District.

These teams have continuously worked on line clearance and pruning of dangerous trees to create safe corridor for electricity feeder lines. Today, over

34 kilometers of feeder lines were provided with safe corridor, so that frequent power disruption and electricity faults are prevented. Electricity feeders in Garacharma, Prothrapur, Chidiyatpu, Brookshabad, Dollygunj, Minnie Bay and Outer feeder were focused on in the last two days. These safe corridors for electricity will minimize short circuits & tripping of power cables.

Further, the task forces of engineers of Power Department, officials of Revenue and Police Departments have been constituted to conduct surprise inspection continuously in coming days at major energy guzzling establishments,

which are suspected to have electricity thefts. The task forces are mandated to ascertain their technical parameters, power demand and to check the connected load, peak demand and consumption in Port Blair and adjoining areas.

The Chief Secretary, A&N Administration has again issued strict warning to all the major electricity consumers to use the power judiciously and meet their power requirement during peak hours by using DG Sets to mitigate the power crisis. He further directed the task force that incidents of damage to electricity lines and theft of electricity

should be viewed seriously and strict action be taken as per the penal provisions of the Electricity Act 2003, Electricity Supply Act and Indian Penal Code.

Further, the general public have been requested to contact the District Control Room on the numbers 03192-238881, 240127, 9531888844 (WhatsApp) and pass on the information regarding misuse/theft of electricity by commercial establishments. The general public should lodge any complaint regarding power disruption on help line numbers given above, a press release from Director (Power) said.

### Providing Functional Household Tap Connection to every household ...

(Contd. from page 1)

days campaign, this UT has ensured coverage of all 358 Schools, 532 Anganwadis and 111 Sub-Centres and rural pockets of A&amp;N Islands.

During 2021-22, to ensure long term sustainability and 100% Functional Household Tap Connection(FHTC) in rural area, 11 projects have been sanctioned under source strengthening scheme of central share to improve water supply in 15 villages presently facing water shortage during summer (Ferrargunj-2, Rangat-4, Ma ya b u n d e r - 3, Diglipur-2 and Nancowry-4). 8 of these works have already been tendered and works are under progress. Another 3 of these works are presently under tender. During 2022-23, there is proposal to cover 15 villages under Nancowry Tehsil including 5 villages of Chowra Island to make them self sufficient in summer.

Further, during 2020-21 under Information Education and Communication activities, poster and video making competition have been organized to create awareness among public on water conservation, sustainable water resource development and exploration. Nukkad Natak were also organized in different places in Tehsil on theme 'Har Ghar Jal'. During 2021-22, competition in

various categories have been organized all across A&amp;N Island on the theme of sustainable water supply. An inter-school competition was also organised to select 'Best Three Schools with best Water Sanitation and Hygiene (WASH)' facilities in each category.

These schools have been awarded cash prize to promote WASH activities among schools by organising IEC activities and select WASH Mitra in each school. WASH Mitra shall act as role model among children and young to promote water conservation, preservation and exploration of water sources in society and ensure sustainable water supply for future.

The UT has also established 7 Sub-Division Laboratories and 3 District Laboratories in addition to existing State Level Laboratory. All 11 laboratories have already been registered in WQIMIS (Water Quality Integrated Management and Information System) where public can request water sample from nearest laboratories. Three of these laboratories are planned for NABL accreditation during 2022-23. One Laboratory assessment is scheduled on 16th - 17th July, 2022. Rest 2 Laboratories are planned for accreditation by August, 2022.

Under the scheme,

Anganwadi and Health Workers have also been trained to strengthen water quality monitoring in villages. All Mukhya Sevikas from Department of Social Welfare have also been imparted training to use FTK for water quality monitoring. 5 women from each Panchayat have been trained in Water Quality Monitoring. All 266 villages have been provided with Field Testing Kits (FTK) to ensure field testing of water samples by women trained members as well as general public.

During 2020-21, 75 youths from villages were trained in different Industrial Training Centre in various districts as a part of Skill Development Program in trades of Plumbing and Mechanic. During 2021-22 144 youths were imparted training in short and long term course at different unit of ITI related to water sector. During 2022-23, it has been planned to engage an NGO for taking up training program of youth as well as encourage them for self entrepreneurship in water sector to increase their prospect of employment in water sector.

The UT Administration has planned to develop A&amp;N Island as a role model in rural water supply by adopting latest technology in monitoring, supervision and public grievance redressal and make water supply

management has been made technology driven. Telecommunication Consultant India limited (TCIL) has been also approached for establishment of IoT based monitoring and control system in rural water supply. Further, to ensure time bound disposal of public grievance a Toll free number 18003451666 from APWD said.

the size of houses in consultation and approval of the Ministry.

As part of the Government's efforts towards empowerment of women from EWS and LIG unlike earlier schemes, PMAY (U) has made mandatory provisions for the female head of the family to be the owner or co-owner of the house under this Mission. Under this, a basket of options have been adopted to ensure inclusion of a greater number of people depending on their income, finance and availability of land.

BLC (Beneficiary-Led Individual House Construction) is one of the verticals of this scheme. Under this, Central assistance @ Rs. 1.5 lakhs is available for the construction of new house on the land owned by him/her.

In Port Blair, 23 EWS beneficiaries have availed financial assistance from GoI for constructing their own house. So far, under the component of BLC (New) of PMAY (U), 91.3% of houses have been completed. The proud owners of the dwelling units are elated with the facility provided to them and they have expressed their gratitude to the Government of India in enabling them to achieve their long cherished dreams of owning a pucca house in the city.

Shri Lohar Singh, R/o Attam Pahad earlier lived in a katcha house. They have a compound family, faced lot of difficulties in rainy season, threats from insects, snake and centipede. Now, after getting benefit of BLC (New) of PMAY (U), they built a pucca house and they are very happy and thanked the Govt. of India for giving benefit under PMAY (U).

Ms. Aisha Bibi, R/o of Garacharma, who used to live in a rented house, faced lot of problems for not having her own house. She had to pay yearly rent hike and the house was having small room besides water and electricity issues. She never dreamt of having her own house because of financial problems. Now, after availing the benefit of BLC (New), she has fulfilled the dream of having her own house.

Ms. M Padmawathi, R/o Brichgunj junction is a beneficiary of BLC (New) of PMAY (U). Earlier, she lived in a katcha house, after availing PMAY (U) benefit, her family got a pucca house that they never imagined earlier. She and her family members have thanked the GoI for granting benefit and covering them under social security network.

Ms. P Kasturi Devi, R/o of Attampahad, earlier lived in rented house and faced lots of difficulties due to yearly rent hike. She now lives happily with her family in her own dream house after availing the benefits of BLC (New) component of PMAY(U) scheme.

received and loans amounting to Rs. 4.79 Cr have been sanctioned. Under second tranche, 71 loan applications were received and loan amounting to Rs. 14.2 Lakh have been sanctioned to the potential beneficiaries of PM SVANidhi.

The Street Vendors who availed loans under this scheme have restarted their ventures after lockdown and have supported their family and are sustaining their livelihood. PBMC remains committed to the public good and to implement poor-oriented schemes in letter and spirit.

Shri N. Dhanuskodi is a stove repairman. PM SVANidhi scheme has proved to be a saviour for him in his most distressed time. He availed the collateral free loan of Rs 10,000 with the assistance of PBMC. Upon receipt of the loan, he bought stocks for his shops to restart his business. Apart from this, he bought ration for home and also paid back the borrowed amount from his neighbours and friends.

S. Pugalueswaran, a street juice seller is one such beneficiary who has attained big relief after availing the loan facility of first and second tranche under PM SAVNidhi scheme, as he could now feed his family and get stocks for restarting his business. He has extended his heartfelt gratitude to Hon'ble PM Shri Narendra Modi for introducing such schemes.

Shri Iqbal is fruit vendor who supports a family of 8 members including his wife and six school going children. He was hit hard by the pandemic, as his only source of income had come to a standstill. After availing the first tranche loan, he is now in a better shape financially. He expressed his heartfelt thanks to the Government, A&amp;N Administration and PBMC for timely help and support extended to him.

Smti. Arpita Singa Roy is a street vendor running a fast food business. She and her husband were badly hit by the pandemic and they struggled hard to make ends meet. She heard about the working capital loan of Rs 10,000 from PBMC office and applied for the same. Upon receipt of the loan, she first bought essential stocks for re-establishing her fast food business besides she also paid up the credit for ration purchased from the grocery shops.
