Port Blair, Jan. 7

The District Administration is reaching out to general public in wake of the sudden surge of COVID-19 wave in all possible ways. Control Rooms with 1077 toll free number have been strengthened by the District Administration and the COVID cases are being monitored on

regular basis by the Deputy Commissioner (SA) and the team. Screening of all incoming passengers in the Veer Savarkar International Airport is being carried out scrupulously and all passengers are immediately put on surveillance and any positive case found in the sample collected are quarantined

immediately by the District team.

Four District Level Control Rooms have been established in the District Office for resolving grievances related to COVID for the public and also aims at redressing various other issues arising out of the present situation. Two control rooms are functioning in the District

Conference Hall in which Doctors are monitoring the health conditions of ILI/SARI/suspect cases through telephonic surveillance. Quarantine and other mechanisms are also put in place for managing COVID-19.

A dedicated Control Room at Zilla Parishad Conference Hall has been setup
