Union Minister of Health and Family Welfare virtually addresses National Anti-Leprosy Day

"We can achieve the target of Leprosy Mukht Bharat by 2027, three years ahead of the SDG": Health Minister

Prevalence rate of leprosy has come down from 0.69/10,000 population (2014-15) to 0.45 (2021-22)

New Delhi, Jan. 30 (PIB)

"India is making progress and new leprosy cases are declining year after year. With the whole of Government, whole of society support, synergy and cooperation, we can achieve the target of Leprosy Mukht Bharat by 2027, three years ahead of the SDG". This was stated by Union Minister for Health and Family Welfare, Dr. Mansukh Mandaviya during his video address at the event to observe the National Anti-Leprosy Day, here today. The theme of this year was "Let us fight Leprosy and make Leprosy a history".

Reiterating Mahatma Gandhi's enduring concern for people affected with leprosy, Union Health Minister noted that the concern and commitment to treat leprosy has its origin in our

history. "His vision was not only to treat them but also to mainstream them in our society. Our efforts to eliminate leprosy from this country under National Leprosy Eradication Programme is a great tribute to his vision. We are successful in achieving prevalence rate 1 case per 10,000 population at national level in 2005. The need of the hour is consistent efforts to eliminate Leprosy. It is a curable disease, however if it is not detected

and treated at the early stage, it can cause permanent disabilities and deformities among the affected person, leading to discrimination of such persons and their family members in the community."

"Under the visionary leadership of Hon'ble Prime Minister, Shri Narendra Modi, we have adopted comprehensive measures for prevention of development of disease. From the year 2016, renewed efforts were made for actively detecting cases under the Leprosy Case Detection Campaign (LCDC)", he further added.

Accentuating on the efforts of National Leprosy Eradication Programme, Dr Bharati Pravin

Traditional millet diet is beneficial in diabetes, obesity and host of other disorders: Minister

New Delhi, Jan.30 (PIB)

Union Minister of State (Independent Charge) Science & Technology; Minister of State (Independent Charge) Earth Sciences; MoS PMO, Personnel, Public Grievances, Pensions, Atomic Energy and Space, Dr Jitendra Singh, who is also a known Diabetologist and a medical professional, said here today that traditional millets diet is beneficial in diabetes, obesity and host of other disorders. Millets are rich in essential vitamins, minerals, protein and

fibre, and the lesser known fact is that all the dishes made from rice and wheat can also be made from millets.

Delivering the keynote address at an exclusive event titled "CSIR innovations on Millets" commemorating the International Year of Millets here today, Dr Jitendra Singh said, after Prime Minister, Shri Narendra Modi popularised Yoga globally, it's now time to do so for Millets. He said, 10 of the 12 known types of millets are grown in India, which

consist of complex carbohydrates, slow to digest and hence low glycemic index beneficial for blood sugar levels.

The Minister recalled that the first International Day of Yoga was celebrated on 21st June, 2015, after the IDY resolution of the United Nations General Assembly (UNGA) in December 2014 came at the initiative of Prime Minister, Shri Narendra Modi and was passed by unanimous consent. Now, the International Day of Yoga (IDY) is

Awareness prog. on Ayushman Bharat - PMJAY conducted for students of ANIMS

Port Blair, Jan. 30

An awareness programme on Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana was conducted for the students of batch - 2018 of the Andaman & Nicobar Islands Institute of Medical Sciences. The orientation session was carried out by Shri R. Vivek, IEC Manager, State Health Agency, ANI to sensitize the students about the implementation of Ayushman Bharat - Pradhan Mantri Jan

Arogya Yojana. He briefed about the benefits, eligibility criteria and operational aspects of the scheme. He also addressed the queries raised by the students about the scheme and exhorted the students to disseminate the information in the community. The use of web portal https://aapkedwarayushman.pmjay.gov.in was also explained which can be used by any citizen to see the list of eligible PMJAY beneficiaries of any

geographical area. Presently, 12,890 families (40,517 members) have registered under the AB-PMJAY scheme in this UT. The registered beneficiaries are entitled for a cashless treatment worth Rs. 5 lakh per family per year against secondary and tertiary hospitalization care at 28,000 empanelled public and private hospitals across the country, a press release from Nodal Officer, Ayushman Bharat - PMJAY said.

Generating employment opportunities in rural & urban areas through PMEGP scheme

Financial assistance available for activities like dairy, poultry, aquaculture, sericulture including bees

Port Blair, Jan. 30

The Ministry of Micro, Small and Medium Enterprises (MoMSME) has recently modified the existing Prime Minister's Employment Generation

Programme (PMEGP) scheme. The main objective of the PMEGP scheme is to generate employment opportunities in rural as well as urban areas of the country through setting up of new self-employment ventures/

projects/micro enterprises. The maximum cost of the project/unit admissible for margin money subsidy under manufacturing sector has been increased from Rs. 25 lakhs to Rs.

ICAR-CIARI organized training on tuber crops cultivation practices

Port Blair, Jan. 30

ICAR-CIARI has organized two training programmes on 'Improved tuber crops cultivation practices and regenerative agricultural practices' for the benefit of farmers from North and Middle Andaman district in collaboration with Krishi Vigyan Kendra-Nimbudera under All India Coordinated Research Project on Tuber Crops recently at Pahalgaon in Mayabunder zone and Dharmapur villages of Shivpuram Panchayat. About 50 farmers attended the training programmes

and participated in the interactive sessions covering the aspects on scope of tuber crops cultivation, inter/mixed cropping in plantation-based cropping systems, improved cultivation packages for tuber crops and regenerative agricultural practices for sustainable production.

The farmers were imparted knowledge on the benefits of tuber crops cultivation for enhanced food security, scope for value addition, use of quality planting material, climate resilience of tuber crops, alleviating

malnutrition through tuber crops products from tubers and leaves and its marketing opportunities. Besides, information on the component crops in plantation crops based cropping systems were also disseminated which includes spices, coconut, arecanut, fruits and other vegetables along with tuber crops. During the programme, planting material of improved varieties of Elephant Foot Yam, Sweet Potato, Colocasia and Tapioca were distributed to the farmers, a press release from CIARI said.

BCCI announces cash prize worth Rs.5 crore for U-19 Women's Cricket Team for winning World Cup

New Delhi, Jan. 30

The Board of Control for Cricket in India (BCCI) has announced a cash reward of five crores rupees for the Indian women's team after they emerged as champions in the inaugural edition of the ICC Under-19 Women's T-20 World Cup in South Africa.

India lifted the

inaugural Under-19 Potchefstroom yesterday. Women's T-20 trophy, Team India led by Shafali beating England by seven wickets in the final at the Senwes Park in in 14 overs.

Union Minister of Health and Family Welfare virtually addresses...

(Contd. from page 1)

Pawar, Union Minister of State said, "Our Leprosy Programme of the country strives to detect and treat cases as early as possible, gives treatment free of cost to prevent the development of disabilities and deformities, medical rehabilitation of those with existing deformities. The Welfare allowance has been raised from Rs 8,000 to Rs 12,000 to patients for their reconstructive surgery."

Highlighting the achievements of the programme, she also informed that the prevalence rate of leprosy has come down from 0.69 per 10,000 population in 2014-15 to 0.45 in 2021-22. Further, annual new case detection rate per 100,000 population has come down from 9.73 in 2014-15 to 5.52 in 2021-22. "The programme also work towards spreading awareness and reducing stigma attached with the disease. Surveillance was also strengthened by introducing ASHA-based Surveillance for Leprosy Suspects (ABSULS) where grassroot level workers constantly engaged in examining and reporting suspects. Special emphasis under the Focused Leprosy Campaign (FLC) was given to areas that were difficult to access or had child cases and cases with disabilities. Since 2015, with the constant efforts under NLEP, we have been able to prevent many cases of disability due to leprosy", she added. She also emphasized on the need to spread awareness on stigma connected to leprosy.

Emphasizing on the 2027 leprosy eradication target, Shri S. Gopalakrishnan, Special Secretary, Union Ministry of Health and Family Welfare noted that the last mile target of 2027 is going to be tougher than what has been achieved so far. But with the experiences, whole of Government and whole of society approach, new strategies and the Nikusth 2.0 portal, we can achieve it.

National Strategic Plan & Roadmap for Leprosy (2023-27) and National Guidelines for Antimicrobial Resistance (AMR) Surveillance in leprosy were also released during the event along with launch of Nikusth 2.0 Portal. The strategy and roadmap will aid in advancing the campaign against leprosy, to stop transmission, by speeding case detection efforts and maintaining a robust surveillance infrastructure. As India is progressing towards leprosy eradication, a need of strong AMR surveillance system is required to gear up the system. These guidelines will provide the technical guidance in developing and sustaining a robust surveillance system for AMR surveillance in leprosy patients. Nikusth 2.0 is an integrated portal for leprosy case management under National Leprosy Eradication Programme (NLEP). It will aid in efficient data recording, analyzing and reporting of the data in the form of indicators and a real time dashboard at Center, State and District levels.

celebrated on 21st June every year worldwide. Similarly, spearheaded by Prime Minister, Shri Narendra Modi, the United Nations declared 2023 as the "International Year of Millets" at the initiative of the Indian Government last year and was backed by 72 other countries, the Minister informed.

The Minister informed that Millets are drought-resistant, with lower water requirements, and can be cultivated on poor soils and in hilly terrain and therefore could be produced and promoted in almost all Geographical Terrains & Regions of the World. They are also rich in carbohydrates, protein and minerals like calcium, potassium, magnesium, iron, manganese and zinc, he added.

Capital Subsidy for EDPs in Piggery...

79th Martyrdom Anniversary of 44...

(Contd. from page 1)

In his brief address, the Member of Parliament highlighted the contribution of Islanders during the freedom struggle and informed that he will take up the matter for the further development of the Humfreygunj Martyrs' Memorial so that tourists can also visit this place as they visit National Memorial Cellular Jail. He also presented Humfreygunj Martyrs' Memorial Award to Govt. Secondary School, Humfreygunj on the occasion.

A Sarva Dharma Prarthana (All Religions' Prayer) was conducted to pray for peace to the souls of the martyrs. The students of GSS Humfreygunj presented Ram Dhun and the function concluded with the National Anthem.

The Patron of the Humfreygunj Martyrs' Memorial, Shri Gouri Shankar Pandey, its Gen. Secretary, Shri Jeivaish Shankar Pandey were among others, who attended this solemn function.

'Anti- Leprosy Day' observed by State TB...

(Contd. from page 1)

pledge was administered to participants.

Speaking on the occasion, the chief guest, HOD, Community Medicine, Dept. of ANIIMS, Dr. Vivin Vincent said that the main objective of organizing the programme is to raise awareness among masses on leprosy to reduce stigma and discrimination in community, besides early detection of leprosy cases and treatment thereof. He informed the gathering that leprosy disease is totally curable at all stages and is not a communicable disease and signs and symptoms help to detect the leprosy cases.

While highlighting the importance of the Leprosy campaign, the guest of honour, Dr. Sunil Kumar, CMO (NFSG) Central Medicine Store, DHS stressed on creating proper awareness for self-reporting, timely diagnosis. He said, the thrust of this campaign is to promote community participation to reorient the delivery of the service of diagnosis and treatment of leprosy in its early stages from the centralized top-down delivery driven approach to decentralized community based demand-driven approach.

SPARSH Leprosy awareness campaign and the subsequent fortnight is being observed in the entire Andaman and Nicobar Islands at District Level, Block Level & Village Level by respective Primary Health Centre, Community Health Centre and District Hospital which will continue till 14th February, 2023, a press release from Deputy Director (Leprosy), DHS said.

MP attends Annual Athletic Meet;...

Workshop Division, APWD, Port Blair

PUBLIC NOTICE

This Public Notice is interpreted as per the instruction and under the direction given by my client namely Miss MANISHA KUMARI, D/o Late SANIL KUMAR, R/o Dhanikhari, under Ferrargunj Tehsil, South Andaman District, Andaman & Nicobar Islands.

I am to inform General Public that one Mr. NABO ROY, S/o Shri Nagen Roy, R/o Royal Colony, Dolly Gunj, Port Blair & Prop. of NABO JALDHARA & NABO CONSTRUCTION, Office: Opp. Range Office, CARO Road, Bhatubasti, Port Blair, misleading and misguiding my client, her minor sister and her aunt with fraudulent intention obtained General Power of Attorney (GPA) in his name for development, sale of the paddy / hilly lands into plots, landed property bearing its Survey No. 119/1, measuring area 0.1400 Hects, & Survey No. 122/2, measuring area 0.5145 classified as Hilly Land situated at Dhanikhari village under Ferrargunj Tehsil, South Andaman District. It is also to inform that the other executants to the General Power of Attorney are not the competent parties to execute the GPA and not in a legal capacity to enter into a General Power of Attorney Dated 16-02-2022. That the said NABO ROY is not a legal heir of SANIL KUMAR (since deceased). And Shri NABO ROY is not a lawful attorney. Thus the General Power of Attorney upon E-BOND having its certificate No. AN01102300483705U, duly notarized by notary public Mr. V.D. SIVABALAN on 16-02-2022 is NULL & VOID and having no lawful existence. Hence, the said GPA is REVOKED / CANCELLED. That NO RIGHTS is confers to Mr. NABO ROY in connection with the aforesaid landed property for SALE / MORTGAGE / LEASE / GIFT to any third party.

That it is to further inform General Public that my client and her minor sister are still having lawful right / title / interest and claim over the aforesaid property by virtue of the Void GPA dated 16-02-2022. If anyone enter into any sorts of Agreement with NABO ROY shall be doing in his / her own risk and consequences. That from reliable source my client came to know that aforesaid landed property is kept for sale by division into plots to the innocent purchasers of Andaman. that there was a fraud and scam by NABO ROY by showing the fake / forged General Power of Attorney and my client are having their claims and objection over the said subject property. The General Public must be cautious and aware that not to enter into any agreement or transaction with NABO ROY

AFFIDAVIT

I, BIRJINIYA TIGGA, W/o Late STANIS MINJ, resident of Ranchi Basti, Lamba Line village under Port Blair Tehsil, South Andaman District, do hereby solemnly affirms and declare as under:-

1. That I am a permanent resident of these Islands and residing in the above mentioned address.

2. That my husband STANIS MINJ (since deceased) is a recorded tenant of land bearing Survey No. 138*, area 0.009 hecrt, classified as House Site, situated at Lambaline village under Port Blair Tehsil, South Andaman District.

3. That my husband's name is recorded in the above land record as STANISLAS MINJ instead of STANIS MINJ which is recorded in my Aadhaar Card.

4. That my husband's actual and correct name is STANIS MINJ.

5. That STANISLAS MINJ and STANIS MINJ is the same and one identical person.

6. That I am swearing this affidavit to declare that the above both names are one and same identical person and having no any differences, which is required for all purposes, hence this affidavit.

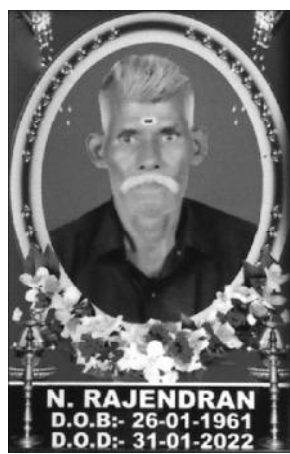

The above statements are true and correct to the best of my knowledge and belief.
