संयोगवश, इस अमृत काल में स्वतंत्रता के 75 गौरवशाली वर्षों के साथ -साथ IDA के 05 उपलब्धिपूर्ण वर्ष भी हाल में ही पूरे हुए हैं।

सामरिक परिपेक्ष और विकास की अपार संभावनाओं को देखते, माननीय प्रधानमंत्री द्वारा माननीय गृह मंत्री की अध्यक्षता में द्वीप

related to A&N Islands were identified, in which many projects have been coming up for discussion from time to time. The Lt. Governor described the consolidated progress of these transformational projects in last five years into three tiers.

The Lt. Governor while mentioning about the projects completed under IDA said, in first tier, 13 out of 44 projects (30 percent) are such that 100 percent work have been completed in spite of challenges like distance from mainland and COVID. These includes CANI submarine OFC cable project with an investment of 1232 crores, the foundation stone laying and inauguration were done by the Hon'ble Prime Minister, which has increased the telecom bandwidth manifold and improved the communication and IT related activities; 'Azad Hind Fauj Setu' was recently inaugurated by Hon'ble Home Minister on Humphry Strait with an investment of 203 crores and inauguration of 20 MW Solar Power Projects with an investment of 138 crores, which are fully operational, to promote de-dieselization and green energy. A total of Rs 306 crore has been invested in the energy sector, which includes other projects.

Elaborating on IDA's ongoing projects, the Lt. These includes the work of 50 MW LNG Power Plant which is in advanced stage with 1621 crore investment. Also, through Floating Solar Panels with an investment of 27 crores, clean and continuous electricity supply will be ensured in these Islands; 70 percent double laning of NH-4 with 955 crore investment and 40 percent work of Middle Strait bridge with 170 crore investment has been completed and these will be made operational in next few months; the construction work of the new airport terminal with 710 crore investment is expected to be completed by the end of this year; runway extension is in progress along with development of passenger terminal and other infrastructure facilities for civil operations at INS Kohassa in Shippur with an investment of 206 crores.

In the third tier, the Lt. Governor disclosed that there are many such ambitious and visionary projects of IDA in which preliminary costing has been done and the process of various Clearances, Consultancy Reports, DPR (Detailed Project Reports), Environmental Impact Assessment (EIA) etc. are in various stages of completion. The notable ones among these projects are International Container Transshipment Terminal; 2 new Green Field Airports for which final site selection and LiDAR survey has been completed; power plants, road network and other trunk infrastructure etc. whose planning and statutory clearances are in advanced stage. All the facts and costing estimates for these projects are also available in the public domain on the internet, the Lt. Governor remarked. Expansion of Helicopter fleet with an investment of 1038 crores is in the financial approval stage. At the same time, the tender work of construction of Water Aerodromes for operation of Sea Planes with an investment of 58 crores is also in advanced stage.

The Lt. Governor stated that in the last 5 years through IDA the transformational projects of the above three tiers with a total financial investment of about Rs.84,985 crore have either been completed, or are in various stages of completion soon.

Under IDA Intangible, the Lt. Governor stated that apart from these, many projects come under the category of Policy Decisions, whose intangible benefits will prove to

be benchmark in the coming times for the all-round development of the Islands along with having a multifaceted impact on the economy. Under this category, the projects includes free from Restricted Area Permit and Visa-on- Arrival / e-visa facility to 30 Islands, which has removed a huge obstacle related to the arrival of foreign tourists. In addition to this, 'No Development Zone' in small Islands has been reduced from 50 meters to 20 meters which will help in tourism development; in order to encourage and facilitate the export of Fisheries and Marine Products, the Offices of MPEDA and Export Inspection Council have been established in Port Blair, which will make direct export possible; Flat rock in Invisible Bank has been named after Veerangana Rani Laxmibai and a light house is being built there, which is very important from strategic point of view, the Lt. Governor said.

The Lt. Governor further stated that the next meeting of IDA is going to be held very soon in which decisions on further projects will be taken up.

The Lt. Governor mentioned that in the last 5 years, apart from IDA, many projects of infrastructure, connectivity and development implemented independently by the Administration have either been completed or are in various stages of completion. These includes ensuring continuous and clean water in South Andaman, submarine pipeline and three more Water Treatment Plants have been constructed from Rutland to Phongi Balu with an investment of 60 crores; M. V. Sindhu and M.V. Nalanda have been inducted into the fleet; Clean and convenient transportation has been ensured by the operation of electric buses with an investment of 311 crores. These projects are also ensuring the overall development of the Islands with an additional investment of Rs 3,780 crore.

Governor said that in the last 5 years, a total investment of Rs 88,765 crore has been earmarked for various projects under IDA and Administration for various infrastructure, development and connectivity projects in the Islands, many of which have either been completed or the rest are expected to be completed soon. This investment in the development of the Islands is not only unprecedented but also historic, the Lt. Governor remarked.

Concluding his address, the Lt. Governor extended his heartiest congratulations and best wishes to the marching contingents, school children for participating in the parade. He congratulated all the awardees and hoped that their commitment towards social service will become stronger and stronger. Governor also appreciated the tireless efforts being made by the Administration under the leadership of the Chief Secretary. He also expressed his gratitude to the Hon'ble MP, who has given his full cooperation to the Administration. He congratulated the elected representatives of various parties and all those who supported the Administration.

The Lt. Governor on behalf of the entire islanders expressed his heartfelt gratitude to the Hon'ble Prime Minister, whose visionary leadership, guidance and help made it possible to invest about rupees 89,000 crores for the development of the Islands in such a short time with many achievements. He assured everyone that he and his Administration are fully committed for the all round development of the Islands so that #NewAndamans can play their role fully in realizing the dream of #NewIndia and attaining the leading position in the category of Developed Nations. He said, he has full faith in the youth of this archipelago that they will bring about a new era of prosperity and development in these Islands.

इनके अलावा अनेक परियोजनाएँ Policy Decision की श्रेणी में आती हैं, जिनके intangible benefits अर्थव्यवस्था पर बहुगामी प्रभाव डालने के साथ-साथ द्वीपों के सर्वांगीण विकास के लिये आने वाले समय में BENCHMARK साबित होंगे। इस श्रेणी में

1) 30 द्वीपों को Restricted Area Permit से मुक्त व Visa-on-Arrival/e-visa की सुविधा, जिससे विदेशी पर्यटकों के आगमन से सम्बन्धित एक बहुत बड़ी बाधा हटाई गई है।

2) छोटे द्वीपों में No Development Zone को 50 मीटर से घटाकर 20 मीटर कर दिया गया है, जिसके परिणामस्वरूप पर्यटन विकास में सहायता मिलेगी।

3) Fisheries तथा Marine Products के export को प्रोत्साहित व सुविधा प्रदान करने के उद्देश्य से MPEDA एवं Export Inspection Council के कार्यालय पोर्ट ब्लेयर में स्थापित किये गये हैं, जिनसे direct export सम्भव हो पायेगा।

IDA की अगली बैठक बहुत शीघ्र होने वाली है, जिसमें आगे की परियोजनाओं पर निर्णय लिये जायेंगे।

**Non IDA परियोजनाएँ**

इन विगत 5 वर्षों में IDA के अलावा प्रशासन द्वारा स्वतंत्र रूप से क्रियान्वित Infrastructure, connectivity व विकास की अनेक परियोजनाएँ भी या तो पूर्ण हो चुकी हैं अथवा पूर्ण होने के विभिन्न चरणों में हैं।

**इस श्रेणी में**

इन परियोजनाओं से भी कुल 3,780 करोड़ अतिरिक्त निवेश द्वारा द्वीपों का समग्र विकास सुनिश्चित किया जा रहा है।

इस प्रकार पिछले 5 वर्षों में IDA तथा प्रशासन की विभिन्न परियोजनाओं द्वारा कुल मिलाकर 88,765 करोड़ रूपयों का निवेश द्वीपों की विभिन्न Infrastructure, development तथा connectivity परियोजनाओं के लिये सुनिश्चित हुआ है, जिनमें से अनेक या तो पूर्ण हो चुकी हैं या शेष शीघ्र ही पूर्ण होने के विभिन्न चरणों में हैं। द्वीपों के विकास में यह निवेश न केवल अभूतपूर्व है, बल्कि ऐतिहासिक भी है।

अन्त में मैं, इस परेड में शामिल Marching टुकड़ियों, स्कूली बच्चों तथा आप सभी को हार्दिक बधाई एवं शुभकामनाएँ देता हूँ।

मैं प्रशस्ति पत्र से सम्मानित सभी को बधाई देता हूँ और आशा करता हूँ कि समाज सेवा की दिशा में आपकी प्रतिबद्धता और अधिक प्रबल व सुदृढ़ होगी।

मैं अण्डमान तथा निकोबार कमान के प्रति भी आभार व्यक्त करता हूँ कि जब भी आवश्यकता पड़ी आपने आगे बढ़कर सविल प्रशासन को सहायता और सहयोग प्रदान किया।

मैं इस अवसर पर, मुख्य सचिव के नेतृत्व में प्रशासन द्वारा किए जा रहे अथक प्रयासों की सराहना करता हूँ।

मैं, माननीय सांसद के प्रति भी आभार व्यक्त करता हूँ, जिन्होंने प्रशासन को अपना संपूर्ण सहयोग प्रदान किया। विभिन्न दलों के निर्वाचित प्रतिनिधियों तथा उन सबका, जिन्होंने प्रशासन को सहयोग दिया, मैं हार्दिक अभिनन्दन करता हूँ।

सम्पूर्ण द्वीपवासियों की ओर से मैं, माननीय प्रधानमंत्री जी के प्रति हार्दिक कृतज्ञता व्यक्त करता हूँ, जिनकी visionary leadership, मार्गदर्शन एवं सहायता के कारण ही इतने कम समय में द्वीपों के सर्वांगीण, महत्वाकांक्षी व परिवर्तनकारी विकास के लिये लगभग 89,000 करोड़ का निवेश तथा कई उपलब्धियाँ सम्भव हो पायी।

मैं सबको विश्वास दिलाता हूँ कि स्वयं मैं तथा मेरा प्रशासन द्वीपों के बहुमुखी विकास के लिये पूरी तरह कटिबद्ध हैं, ताकि #NewAndamans अपनी भूमिका #NewIndia के सपने को साकार करने तथा Developed Nation की श्रेणी में अग्रणी स्थान प्राप्त करने में पूरी तरह से निभा सके।
