Hon'ble Minister penning his thoughts in the Visitor's Book at Cellular Jail

Port Blair, Oct. 15

The Hon'ble Union Minister of Home Affairs and Minister of Cooperation, Shri Amit Shah was accorded a warm welcome on his arrival at Veer Savarkar International Airport today. On his arrival, he was received by the Lt Governor, A&N Islands, Admiral DK Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Member of Parliament, Shri Kuldeep Rai Sharma, Chief Secretary, A&N Administration, Shri Jitendra Narain, DGP, Shri Satyendra Garg and others. Soon after arrival, the Hon'ble Union Minister visited the National Memorial Cellular Jail and paid tributes to the Freedom Fighters including the great Freedom Fighter Veer Savarkar by laying wreath at the Martyrs' Column. He also visited the cell of Veer Savarkar and paid homage. The Minister also unveiled a plaque with the quote "Holy Pilgrimage Place of Freedom Struggle of India" at National Memorial Cellular Jail. The Hon'ble Minister witnessed a cultural programme as part of 'Azadi Ka Amrit Mahotsav' followed by Sound & Light Show based on patriotic theme. The Union Home Secretary, Ministry of Home Affairs, Shri Ajay Kumar Bhalla was also present on the occasion.

Hon'ble Home Minister while addressing the programme organized to commemorate 'Azadi Ka Amrit Mahotsav' said that he has got a chance to visit this pilgrimage site for the second time and whenever he comes here, he takes a new energy and inspiration. He said that this is the place where many freedom fighters knowingly and unknowingly have proclaimed 'Vande Mataram' and 'Bharat Mata ki Jai' even after suffering inhuman tortures and sacrificing their whole lives. This Cellular Jail built by the British for the people of the country is the biggest pilgrimage place and that is why Savarkar ji used to say that this is a great pilgrimage among the pilgrimages where many Martyrs have made supreme sacrifices to ignite the flame of freedom.

The Hon'ble Minister said that his visit to this pilgrimage place is also important because this year is the year of 'Azadi Ka Amrit Mahotsav', the year to dedicate himself again to the country by taking inspiration from the freedom struggle and it is the year to take a resolution about how great India will be, when the hundred years of the country's independence will be completed. He said, that is why the Prime Minister of the country,

Hon'ble Minister, Shri Amit Shah addressing the gathering at National Memorial Cellular Jail

Shri Narendra Modi, has decided to celebrate this year as the Amrit Mahotsav of Independence with great enthusiasm and the people of the country are not only happy with this decision but also excited to participate in it. The Hon'ble Minister said, "today at this place of freedom movement and resolution, I respectfully bow down to the sacrifices and resolve of thousands of freedom fighters".

Hon'ble Union Home Minister said that today is Vijayadashami and this day is celebrated as a symbol of victory of good over evil and this pilgrimage site of freedom also signifies the victory

of good over evil. It was here that it was resolved that no one can enslave India, no matter how powerful the rule may be, it has no right to enslave this great country. He said that it is going to be 75 years of the country's independence and under the leadership of Prime Minister, Shri Narendra Modi, India has established its place in the world as a first-line democratic country and today all those Martyrs must have felt peaceful. He said that the path on which India has now progressed under the leadership of Prime Minister Modi and the path on which we are standing here after covering a long destination in seven years, inspires us to move forward and not to turn back. This path is the way to make India on the vision of the brave freedom fighters like Savarkar, Sanyal and Bhai Parmanand.

Hon'ble Minister said that today he visited the cell of freedom hero Sachindra Nath Sanyal ji and garlanded his portrait which was an emotional moment for him. Among all the freedom fighters, Sachindra Nath Sanyal was the only person who was punished twice for Kalapani. West Bengal has made a huge and special contribution in the freedom struggle of the country. He said that maximum freedom fighters came here from Bengal and Punjab. It is a matter of pride for the whole country that even when Sachin Sanyal went back after suffering so many tortures, he did not stop the struggle against the British and did not stop his campaign to free Maa Bharati from the chains of slavery. How can we live here today without remembering Veer Savarkar, asked the Minister stating that Savarkar ji gave a message to the whole world that no matter how many tortures, no matter how inhuman, you cannot stop my birthright to free my country and this was accomplished by Veer Savarkar here. Hon'ble Minister said that today he saw

## Hon'ble Union Minister of Home Affairs and Minister of Cooperation flags off four 'Go-Go AC Electric Tourist Buses' from Flag Point

Port Blair, Oct. 15

The Hon'ble Union Minister of Home Affairs and Minister of Cooperation, Shri Amit Shah today flagged off four 'Go-Go AC Electric Tourist Buses' from the iconic Flag Point to provide a secure, comfortable and affordable mode of transport to the tourists for visiting various tourist spots

in and around Port Blair. The, Lt Governor, A&N Islands, Admiral DK Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Union Home Secretary, Ministry of Home Affairs, Shri Ajay Kumar Bhalla, Chief Secretary, A&N

Administration, Shri Jitendra Narain, other officers accompanying the Hon'ble Minister and senior officers of A&N Administration were present on the occasion.

(Contd. on last page)

## Hon'ble Union Minister of Home Affairs and Minister of Cooperation to visit Netaji Subhash Chandra Bose Island today

## To inaugurate/lay foundation stones for number of developmental projects in Isles

Port Blair, Oct. 15

The Hon'ble Union Minister of Home Affairs and Minister of Cooperation, Shri Amit Shah who is on a three day visit to the A&N Islands will undertake an aerial he will inaugurate and lay survey of various developmental foundation stones for a number of projects including the Shaheed Dweep eco-tourism project and the

Swaraj Dweep Water Aerodrome tomorrow (Oct. 16).

Thereafter, he will visit Netaji Subhash Chandra Bose Island and attend a public function wherein he will inaugurate and lay survey of various developmental foundation stones for a number of projects including the Shaheed Dweep eco-tourism project and the

## Hon'ble Minister pays homage to all the Martyrs including the great...

(Contd. from page 1)

all the then torture places here. For ten years Savarkar ji endured uncouthable atrocities and many freedom fighters were hanged, yet Veer Savarkar remained firmly associated with the freedom struggle. He said that Veer Savarkar was not given the title of 'Veer' by the Government or Administration, but 130 crore people have added the word 'Veer' in front of Savarkar ji's name to acknowledge his valor and patriotism. He said that today some people are questioning the life of Savarkar ji, it hurts a lot and quite saddening that you are questioning the patriotism of the person who was punished twice. You are putting a question mark on the bravery of the person who decided to fight for India by jumping from a steamer several kilometers away, decided to go to French soil. How can you doubt the life, the credentials of a man who was sentenced to two life imprisonments, made to sweat like a plodder bullock to extract oil at this prison. Such people should be ashamed. Once you come to this pilgrimage place, all your doubts will be solved, he said.

Hon'ble Minister mentioned that there was an immortal Jyoti in memory of freedom fighters which inspired the whole of India for 24 hours and 365 days and Veer Savarkar's name was on it and it was uprooted. But, the time of the uprooters is not long and today Veer Savarkar's name is there again with pride. He said that Savarkar ji also had all the facilities that he could live his personal life well and he was a very learned person and knew many languages. He was a great social reformer, freedom fighter, energetic speaker and Maa Saraswati had great grace on his writings. He was a great thinker, litterateur and so heroic that he was punished twice in the same life for Kalapani and controversy arose on that person. But the people of the country have added the word 'Veer' in front of Savarkar's name with great respect and reverence, which no one can erase.

The Union Home Minister remarked that his life's dedication to the country and the excellent spirit of patriotism is an example that when Savarkar ji's body could not work, then he gave a message that my body is no longer of Bharat Mata's and I want to immerse my body. The man who paved the way for leaving food, immersing himself once again in the service of Mother India, he has lived here for ten years of his life and that is why it is a great pilgrimage in pilgrimages, inspiration for the youth of India and by coming here one gets energy, inspiration and power.

Hon'ble Minister said that Prime Minister Shri Narendra Modi has decided to celebrate the Azadi ka Amrit Mahotsav so that the countrymen and especially the younger generation are sensitized on the freedom struggle of our country. Let our young generation get an idea of the valor and contribution of many unknown and unsung martyrs. Shri Shah said that the celebration of Azadi ka Amrit Mahotsav, will inculcate the spirit and patriotism in the young generation to do something for the country and how to make this country great, as the Prime Minister always says 'India First' and we should to take a pledge on this.

Hon'ble Minister called upon the youth across the country that we were born only after independence, we did not get a chance to die for the country but can we live for the country. We can decide to live for the country. He said that if we want to take this decision, then there can be no better occasion than the Azadi ka Amrit Mahotsav and no better place than the Cellular Jail. He said that Prime Minister, Shri Narendra Modi has a dream to connect the youth of the country with the resolve to develop the country, the future of the country and make the country great. Shri Amit Shah said, "I am very proud that I have come to this pilgrimage site to pay homage to the Martyrs who laid down their lives for the country, on the occasion of the Azadi ka Amrit Mahotsav".

Hon'ble Minister, Shri Amit Shah at Cellular Jail Gallery

Hon'ble Minister, Shri Amit Shah at Cellular Jail Museum

Hon'ble Minister further said that the history of this jail is that from the revolution of 1857 to 1938, all the freedom fighters who were a headache for the British were brought here. About a thousand freedom fighters spent the best years of their lives here in suffering. Many people died here and many people even went mad but they did not bow down to the British. After the revolt of 1857, 90 percent of the people who were brought here were cultural scholars, landowners, great fighters and warriors. Such people were engaged in the work of building a jail by giving them wages, but still they did not give an apology. They did not let the flame of patriotism extinguish even for a moment and continued to fight for freedom. He stated that many people did not know how many people came here from the revolution of 1857 till independence. Phadke ji from Maharashtra, freedom fighter of Manipur, warriors of Ghadar movement of Punjab and Anushilan Samiti of Bengal came and freedom fighters of Alipore case were brought here. He said that there is a long list of such brave fighters who have suffered here for Maa Bharati.

The Hon'ble Minister, Shri Amit Shah appealed to the youth across the country that we cannot imagine the countless tortures inflicted by the freedom fighters until we see the torture site of this great pilgrimage center of the Cellular Jail. This is a classic example of how the brutal British rule tried to break the spirit and morale of the individual. He appealed to all the countrymen to come here once and pay homage to the martyrs. The Union Home Minister said that Veer Savarkar and other freedom fighters composed many compositions here which still inspire the youth for patriotism and nation building. Shri Amit Shah said that due to the efforts of these martyrs, we are breathing the air of freedom today. Today we are standing in front of the world with pride as the world's largest democracy, its foundation was laid by these great freedom fighters.

The Union Home Minister said that Modi ji has started a change in the country since 2014, on which we can be proud and any Indian living in the world can be proud of. Modi ji started the creation of New India from 2014 which will also have the aroma of culture and history, all modern needs will also be fulfilled and there will be excellence in the whole world in terms of development. Prime Minister, Shri Narendra Modi ji has taken the initiative to create an India which will be safe, prosperous and cultured.

Hon'ble Minister said that for the connectivity problem in Andaman and Nicobar Islands, Modi ji laid the foundation of Submarine Optical Fiber Scheme in 2018 and Modi ji inaugurated it in 2020. Modi ji created a new work culture. Earlier, the Government used to make plans, after 5 years the second Government used to lay the foundation, the third government used to form the Government and the fourth Government used to inaugurate it. Shri Amit Shah said that Modi ji has created a new culture, the foundation is also done by his own government and the inauguration is also done by his own government. He said that this is a perfect example of how to run the country from the point of view of development and Administration and it is visible in Andaman and Nicobar Islands also. Laying the foundation in the year 2018 and inaugurating it in 2020, he said, the work of laying an underwater cable of Rs.1224 crore, connecting major Islands and providing a 200 Gbps telecommunications band in Port Blair and 100 Gbps in other Islands has been completed in two years.

Hon'ble Minister said that the airlift point was also built by Modi ji. Netaji came here and first of all, if any territory in India has the honor of being independent from the British, then Andaman and Nicobar have it. The National Flag of India was first hoisted here in 1943 by Netaji and our Prime Minister, Shri Narendra Modi has done the work of hoisting the 100 feet high tricolor at the same place. Three islands have also been renamed, Havelock Island as Swaraj Dweep and Neil Island as Shaheed Dweep to pay tribute to the martyrs, who sacrificed their lives here while Ross Island was renamed Netaji Subhash Chandra Bose Dweep because even though Subhash Chandra Bose had liberated this land for a short period of 2 years, now this land has

Hon'ble Minister, Shri Amit Shah with the participants of cultural programme held at Raj Niwas

Hon'ble Union Minister of Home Affairs and Minister of Cooperation, Shri Amit Shah's remarks in the Visitor's Book

attained freedom for eternal time.

The Hon'ble Minister said that 20 MW Solar Power Plant has been set up in Andaman and Nicobar Islands, the use of electronic cars and buses has been increased, 500 pax-cum 150 ton cargo ship have been in operation, smart metering work has been completed. height of Dhanikhari Dam increased, Medical College has been started in 2015 itself. Under the Jal Jeevan Mission, work has started at a fast pace, about 478 loans have been sanctioned under the Pradhan Mantri Svanidhi Yojana, which is beyond 100%. Pradhan Mantri Sahaj Bijli Har Ghar Yojana has achieved 100% target, One Nation One Ration Card has been implemented here, 129 Health and Wellness Centers have also been set up against the target of 95.

The Hon'ble Minister also said that the commitment of making Andaman and Nicobar smoke-free has been achieved under the leadership of the Prime Minister, so that no mother has to cook food by burning kerosene or wood. Here too, development is taking place like other parts of the country, he added. He said many have dedicated the best period of their lives at the feet of Maa Bharati and some have sacrificed their whole lives. "Many people left their studies and were engaged in the freedom movement, devoted their entire future, their entire career at the feet of Mother India, to those, I bow for their sacrifices and dedication. I once again bow in memory of the brave warrior Savarkar ji", he said.

In his address, the Lt. Governor, Admiral DK Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.) and Vice Chairman Islands Development Agency said that developmental projects in the Islands were not given priority post independence and it was after the first visit of the then Party President, Shri Amit Shah to these Islands in the month of May 2016, the very next year, the Island Development Agency (IDA) was constituted, thereby witnessing a historical change in the old policies with new targets under the chairmanship of the then Home Minister.

Keeping in view the strategic importance of the Islands, many important infrastructural projects have been completed during the last 3-4 years, the Lt. Governor said. He also gave a brief account of infrastructural development projects since the last visit of Union Minister of Home Affairs, Shri Amit Shah to these Islands.

Outlining the various developmental activities, the Lt. Governor mentioned that network connectivity was a great challenge and a hindrance for initiating various projects of strategic importance in A&N Islands. The proposal of the Submarine Cable was in discussion since the last two decades, however, a decision for this project was taken only in the year 2018. He mentioned that due to the efforts of PMO and Home Ministry the Under Sea Cable Project has been implemented in a short time. He said, the OFC cable project executed at an approximate cost of Rs. 1400 crores and laid at a depth of 2308 KM in the sea, is the biggest tele-connectivity project in the history of A&N Islands. The Prime Minister, Shri Narendra Modi laid the foundation of this project in the month of December 2018 and also inaugurated the project in the month of August 2020. The completion of the project in less than two years time is a record. With the inauguration of this OFC project, the network connectivity which was 1 GBPS in the last three to four year has increased to 200 GBPS in the Chennai-Port Blair sector and 100 GBPS in Port Blair-Outer Island sector which saw an increase of 100-200 GBPS. In addition to this, OFC has additional capacity through which we can increase the bandwidth, as per our need and this has enabled us to explore opportunities in setting up non-polluting telecom and IT industries in the Islands, the Lt Governor said.

The Lt. Governor informed that the Restricted Area Permit (RAP) was a great hindrance for the Foreign Tourists visiting these Islands and with the abolition of RAP, now facilities such as customs, immigration, reciprocal arrangements and visa-on-arrival- e-visa facilities have been introduced. Apart from this, initiation of PPP tourism/hospitality projects, for the first time in the history of these islands, in the year

2018 and 2019, the Islands witnessed a tourist footfall of over 5 lakh mark, which is higher than the total population of these Islands.

The Lt Governor further stated that after the establishment of direct trade link with some of the ASEAN Countries, goods pertaining to construction materials are being imported directly from these countries. He also informed that last month, the Ambassadors and High Commissioners of 8 ASEAN Countries visited these islands to discuss about increasing mutual co-operation to give impetus to the trade link between these Countries and A&N Islands.

The Lt Governor said that to facilitate direct export of fisheries resources from these Islands, Marine Product Export Development Authority (MPEDA) and Export Inspection Council (EIC) offices have been established in these Islands whereas, earlier these products had to be sent to mainland first for inspection before exporting.

Concluding his speech, the Lt. Governor extended his heartfelt gratitude to the Union Home Minister for visiting these Islands and also for accelerating and channelizing various important and far-sighted development projects in the Islands which are ready for inauguration and foundation laying, through which New Andaman can play a vital role in realizing the dream of #New India.

The Secretary, A&N Administration, Shri R N Sharma proposed the vote of thanks.

Later in the evening, the Hon'ble Union Minister of Home Affairs and Minister of Cooperation, Shri Amit Shah also witnessed the cultural programme held at Raj Niwas.
